Patrick O'Brian A Life:

Patrick O'Brian Dean King, 2012-03-20 DIVA revealing and insightful look at one of the modern world's most acclaimed historical novelists. Patrick O'Brian was well into his seventies when the world fell in love with his greatest creation the maritime adventures of Royal Navy Captain Jack Aubrey and ship's surgeon Stephen Maturin. But despite his fame little detail was available about the life of the reclusive author whose mysterious past King uncovers in this groundbreaking biography. King traces O'Brian's personal history beginning as a London born Protestant named Richard Patrick Russ to his tortured relationship with his first wife and child to his emergence from World War II with the entirely new identity under which he would publish twenty volumes in the Aubrey Maturin series. What King unearths is a life no less thrilling than the seafaring world of O'Brian's imagination. *Patrick O'Brian* Dean King, 2004-02-01 Published on the first anniversary of his death this meticulously researched biography delves into the secrecy and confusion surrounding Patrick O'Brian author of the Aubrey Maturin series of novels. O'Brian devotees should rejoice in this account of his life written with appreciative balance rich with literary insight. Los Angeles Times 16 page photo insert. Patrick O'Brian Arthur E. Cunningham, A. E. Cunningham, 1994 Originally published in Great Britain under the title *Patrick O'Brian* Critical appreciations and a bibliography. T p verso. *Patrick O'Brian's Bodies at Sea* Michael Leigh Sinowitz, 2014-08-05 An exploration of the complex roles that bodies both literally and figuratively play in the 21 volume Aubrey Maturin series reveals much about the novels many meditations on mind and body. Beginning with a consideration of genre norms and the bodies of the novels main characters the book's focus shifts to the ways the series offers interconnections between the human body and history. More literal considerations of the body examine O'Brian's depictions of drug use particularly the opium addiction that afflicts Stephen Maturin and human sexuality in its many guises. The work then focuses on *Desolation Island* the fifth novel in the series in light of the discussions above but also in terms of political and psychological tropes that draw upon the relationship of mind and body. Questions are examined about the relationship of reader to author and what sustains such a long narrative and what continues to bring a reader back again and again. The Patrick O'Brian Muster Book Anthony Gary Brown, 2015-01-27 Now in its second edition this expanded work catalogs every person animal ship and cannon mentioned by name in the 21 books of Patrick O'Brian's series on the maritime adventures of Jack Aubrey and Stephen Maturin. The novels renowned for their far ranging web of wit and allusion teem with thousands of characters and ships both imaginary and historical. From *Master and Commander* to *21 The Unfinished Voyage* this book distinguishes the fictional from the factual making a useful series companion for the casual reader and the most ardent fans. Each of the more than 5 000 alphabetized entries provides a reference to the novels and chapters in which the topic appears. Additionally biographical notes on the historical figures are included with sources provided in an annotated bibliography. The World of Patrick O'Brian Dean King, 2016-06-28 Four volumes of history and biography for fans of the Aubrey Maturin novels with lore

on the Royal Navy and much more What is a sandgrouse and where does it live What are the medical properties of lignum vitae and how did Stephen Maturin use it to repair his viola Who is Adm Lord Keith and why is his wife so friendly with Capt Jack Aubrey More than any other contemporary author Patrick O Brian knew the past His twenty Aubrey Maturin novels beginning with Master and Commander 1969 are distinguished by deep characterization heart stopping naval combat and an attention to detail that enriches and enlivens his stories In the revised edition of A Sea of Words Dean King and his collaborators dive into Jack Aubrey s world In the revised edition of Harbors and High Seas King details not just where Aubrey and Maturin went but how they got there Packed with maps and illustrations from the greatest age of sail it is an incomparable reference for devotees of O Brian s novels and anyone who has dreamed of climbing aboard a warship as well as a captivating portrait of life on the sea during a time when nothing stood between man and ocean but grit daring and a few creaking planks of wood At the dawn of the nineteenth century the British navy was the mightiest instrument of war the world had ever known The Royal Navy patrolled the seas from India to the Caribbean connecting an empire with footholds in every corner of the earth Such a massive navy required the service of more than 100 000 men from officers to deckhands to surgeons Their stories are collected in Every Man Will Do His Duty The inspiration for the bestselling novels of Patrick O Brian and C S Forester these twenty two memoirs and diaries edited by Dean King provide a true portrait of life aboard British warships during one of the most significant eras of world history Patrick O Brian was well into his seventies when the world fell in love with his greatest creation the maritime adventures of Royal Navy Capt Jack Aubrey and ship s surgeon Stephen Maturin But despite his fame little detail was available about the life of the reclusive author whose mysterious past King uncovers in this groundbreaking biography King traces O Brian s personal history from his beginnings as a London born Protestant named Richard Patrick Russ to his tortured relationship with his first wife and child to his emergence from World War II with the entirely new identity under which he would publish twenty volumes in the Aubrey Maturin series What King unearths is a life no less thrilling than the seafaring world of O Brian s imagination Patrick O Brian A Life Revealed is a penetrating and insightful examination of one of the modern world s most acclaimed historical novelists **Patrick**

O'Brian: A Very Private Life Nikolai Tolstoy, 2019-10-17 An intimate portrait of Patrick O Brian written by his stepson Nikolai Tolstoy **Lives of the Novelists** Carl Rollyson, 2005-10-21 Is there a right way to write a literary life In this collection of columns from the New York Sun Carl Rollyson explores the relationship between narrative and literary analysis Should biographies be written in the style and form of novels How to balance the life and the work How much literary criticism can a biography absorb into its narrative Rollyson proposes a number of apologies for biography including the thought that in the right hands the literary biography is a continuation of the writer s work and life In such instances there seems to be a symbiosis between biographer and subject In other cases biographies spearhead the rediscovery of important writers He rejects the idea that literary figures are not good subjects for biography because they are not men and women of

action That literary biography is a kind of strip mining a pathography laying bare the subject s life to no good purpose is another canard this book demolishes The pieces here also expose the genre s weak points a proclivity for overstatement and excessive length the failure of biographers to build upon their predecessors work Rollyson invents a term biographology in order to discuss the biographical tradition *Of Sex and Faerie: Further Essays on Genre Fiction* John Lennard,2010-01-01

The Sea in World History Stephen K. Stein,2017-04-24 This two volume set documents the essential role of the sea and maritime activity across history from travel and food production to commerce and conquest In all eras water transport has served as the cheapest and most efficient means of moving cargo and people over any significant distance Only relatively recently have railroads and aircraft provided an alternative Most of the world s bulk goods continue to travel primarily by ship over water Even today 95 percent of the cargo that enters and leaves the United States does so by ship Similarly people around the world rely on the sea for food and in recent years the sea has become an important source of oil and other resources with the longterm effects of our continuing efforts to extract resources from the sea further highlighting environmental concerns that range from pollution to the exhaustion of fish stocks This chronologically organized two volume reference addresses the history of the sea beginning with ancient civilizations 4000 to 1000 BCE and ending with the modern era 1945 to the present day Each of the eight chapters is further broken down into sections that focus on specific nations or regions offering detailed descriptions of that area of the world and shorter entries on specific topics individuals and events The book spans maritime history covering major seafaring peoples and nations famous explorers travelers and commanders events battles and wars key technologies including famous ships important processes and ongoing events such as piracy and the slave trade and more Readers will benefit from dozens of primary source documents ranging from ancient Egyptian tales of seafaring to texts by renowned travelers like Marco Polo Zheng He and Ibn Battuta that provide firsthand accounts from the age of discovery as well as accounts of battle from World War I and II and more modern accounts of the sea **The**
