Tricia Cusack, 2022-02-01 The reading figure has been a recurrent theme in Western art but especially from the nineteenth century This book examines Irish portraits during the long nineteenth century in which people are shown reading or holding a book It explores different values ascribed to reading and contemporary constructions of the reader The selected pictures are by artists born trained or practising in Ireland Irish art is therefore used broadly to include work framed in some way by experience of Ireland and its history culture and politics This was a time of large social and cultural shifts for Ireland and a period when books and other reading including Irish novels were often published in London Many of the artists and sitters

discussed were Anglo Irish Protestants Both Imperial and nationalist ideologues tended to devalue reading especially fiction as an unmanly occupation Nonetheless some men are depicted reading and failing to embody a manly attitude The spread of the novel and the introduction of silent reading allowed women of the middle and upper classes often Anglo Irish to engage with a range of imaginative reading materials secure from patriarchal surveillance Visual images of women as serious readers drew on and contributed to the emergence of the New Woman in Ireland **Movers & Shapers 2** Vera Ryan,2006 Since the 1960s the role of the visual arts in society has undergone major change Here are oral histories on Irish art and the infrastructure on which it developed since 1950 Each interview is structured to bring out the most in the interviewee resulting in a unique compilation historically important but humanly engaging It presents a very good picture of behind the scenes concerns in Irish art over 50 years **Dublin City Gallery The Hugh Lane** Dublin City Gallery The Hugh Lane,2006 Dublin City Gallery The Hugh Lane is home to one of Ireland s foremost collections of modern and contemporary art This book published in celebration of the opening of the newly extended Gallery presents 120 of the most outstanding works in the collection Paintings and sculptures by such Impressionist and Barbizon artists as Camille Corot Edouard Manet Claude Monet and Edgar Degas are explored alongside those of their Irish counterparts Walter Osborne Frank O Meara and John Lavery Continuing into the twentieth century major works by Maurice de Vlaminck Henry Moore Philip Guston and Ellsworth Kelly accompany such Irish masterpieces as the nationalist inspired canvases of Seamus Keating and Maurice McGonigal and the Modernist works of Jack B Yeats and Mainie Jellett **BOOK JACKET** The Life and Work of Thomas MacGreevy Susan Schreibman,2013-05-23 As a poet and literary critic Thomas MacGreevy is a central force in Irish modernism and a crucial facilitator in the lives of key modernist writers and artists The extent of his legacy and contribution to modernism is revealed for the first time in The Life and Work of Thomas MacGreevy Split into four sections the volume explains how and where MacGreevy made his impact in his poetry his role as a literary and art critic during his time in Dublin London and Paris and through his relationships with James Joyce Samuel Beckett Wallace Stevens Jack B Yeats and WB Yeats With access to the Thomas MacGreevy Archive contributors draw on letters his early poetry and contributions to art and literary journals to better understand the first champion of Jack B Yeats and Beckett s chief correspondent and closest friend in the 1930s This much needed reappraisal of MacGreevy the linchpin between the main modernist writers fills missing gaps not only in the story of Irish modernism but in the wider history of the movement James Joyce Gordon Bowker,2012-06-05 A revealing new biography of James Joyce the first in more than fifty years of one of the twentieth century s towering literary figures complete with new material that has only recently come to light *James Joyce* E H Mikhail,1990-06-29 *Books Ireland* ,2005 **James Joyce** John McCourt,1999 Rare photographs sketches and illustrations by the great twentieth century novelist are revealed in this collection of images from the life and literary work of James Joyce **Irish Arts Review** ,2006 *A Wake Newslitter* ,1979 The British National Bibliography Arthur James
