Poems of American Patriotism Brander

MATTHEWS, 2019-01-29 An attempt has been made in the present collection to gather together the patriotic poems of America those which depict feelings as well as those which describe actions since these latter are as indicative of the temper of the time It is a collection for the most part of old favorites for Americans have been quick to take to heart a stirring telling of a daring and noble deed but these may be found to have gained freshness by a grouping in order The arrangement is chronological so far as it might be that the history of America as told by her poets should be set forth Here and there occur breaks in the story chiefly because there are fit incidents for song which no poet has fitly sung as yet The poems have been printed scrupulously from the best accessible text and they have not been tinkered in any way though some few have been curtailed slightly for the sake of space In a few cases where the whole poem has not fallen within the scope of this volume only a fragment is here given When this has been done it is pointed out Brief notes have been prefixed to many of the poems making plain the occasion of their origin and removing any chance obscurity of allusion *Poems of American Patriotism (Classic Reprint)* Brander Matthews, 2015-07-11 Excerpt from Poems of American Patriotism Who now shall sneer Who dare again to say we trace Our lines to a plebeian race Roundhead and Cavalier Dumb are those names erewhile in battle loud Dream footed as the shadow of a cloud They flit across the ear That is best blood that hath most iron in t To edge resolve with pouring without stint For what makes manhood dear Tell us not of Plantagenets Hapsburgs and Guelphs whose thin bloods crawl Down from some victor in a border brawl How poor their outworn coronets Matched with one leaf of that plain civic wreath Our brave for honor s blazon shall bequeath Through whose desert a rescued Nation sets Her heel on treason and the trumpet hears Shout victory tingling Europe s sullen ears With vain resentments and more vain regrets James Russel Lowell About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *Poems of American Patriotism* Miscellaneous, Brander Matthews, 2015-01-16 First published in 1922 this edition covers three major wars the Revolutionary War the Civil War and the First World War as well as all the wars America fought in the 19th century An attempt has been made in the present collection to gather together the patriotic poems of America those which depict feelings as well as those which describe actions since these latter are as indicative of the temper of the time It is a collection for the most part of old favorites for Americans have been quick to take to heart a stirring telling of a daring and noble deed but these may be found to have gained freshness by a grouping in order
