Patterns In Criminal Homicide:

Patterns in Criminal Homicide Marvin E. Wolfgang, 2016-11-11 This volume is a statistical and sociological analysis of one of the leading causes of death in the United States Combining original research and a review of all major previous studies on criminal homicide in America this study attempts to discover and to analyze patterns in criminal homicide from among almost six hundred cases that occurred in the city of Philadelphia between January 1 1948 and December 31 1952 The primary source of data utilized by Marvin E Wolfgang was the files of the Homicide Squad of the Philadelphia Police Department Answers were sought to a series of questions regarding 588 victims and 621 offenders involved in criminal homicide with respect to the following race sex and age differences methods and weapons used to inflict death seasonal and other temporal patterns spatial patterns the relationship between the use of alcohol and homicide the degree of violence in homicide motives the interpersonal relationship between victim and offender homicide occurring during the commission of another felony victim precipitated homicide homicide suicide unsolved homicide the tempo of legal procedure court disposition and insanity as a factor in homicide The broad range of material examined in this volume makes it one of the most comprehensive studies undertaken in recent years Although dealing basically with records of homicide accumulated in Philadelphia *Patterns in Criminal Homicide* has implications that hold true for every large urban community It is a work of utmost importance to the student of sociology because of its general sociological perspective to all students of criminology to the police especially the homicide division of any police department to law students lawyers and judges and to those agencies in the community concerned with the control and prevention of violent crime

Patterns in Criminal Homicide Marvin E. Wolfgang, 1966
An analysis of all criminal homicides listed by police in Philadelphia between Jan 1 1948 and Dec 31 1952 *Patterns in Criminal Homicide in Chicago* John R. Hepburn, 1967

Understanding Homicide Fiona Brookman, 2005-02-16 This comprehensive and challenging text unravels the phenomenon of homicide In introducing the broad spectrum of different features aspects and forms of homicide Fiona Brookman examines its patterns and trends how it may be explained its investigation and how it may be prevented *Patterns in Criminal Homicide in Lexington, Kentucky* Jeffrey Kenneth Morris, 1973 The question to which his analysis is directed is two fold 1 What are the patterns in criminal homicide in Lexington Kentucky and 2 how do they compare with the generalized findings of Wolfgang in Philadelphia

Crimes of Violence, Vol. 11 United States. President, 1970 **Homicide, Race, and Justice in the American West, 1880-1920**

Clare V. McKanna, 2022-05-10 In a chilling scene in the film *Unforgiven* Clint Eastwood as the gunman stands over a wounded Gene Hackman the sheriff aiming a rifle at his head I don't deserve this to die like this says Hackman Eastwood replies Deserve s got nothing to do with it cocks his rifle and fires point blank at his helpless victim This scenario dramatically brings home to the viewer what historians have long debated and hundreds of other films and books suggest the turn of the century West was a violent time and place Ranchers miners deputy sheriffs teenagers and old men occasionally

even housewives and mothers found themselves at the business end of a shotgun or a 38 revolver Yet since western historians tend to portray violence as essentially episodic frontier gunfights range wars vigilante movements and the like solid data has been hard to come by As a beginning point for actually measuring lethal violence and assessing the administration of justice here at last is a detailed and well documented study of homicide in the American West Comparing data from representative areas Douglas County Nebraska Las Animas County Colorado and Gila County Arizona this book reveals a level of violence far greater than many historians have believed even surpassing eastern cities like New York and Boston Clashing cultures and transient populations a boomtown mentality easy availability of alcohol and firearms these and many other factors come under scrutiny as catalysts in the violence that permeated the region By comparing homicide data including coroner s inquests indictments plea bargains and sentences across both racial and regional lines the book also offers persuasive evidence that criminal justice systems of the Old West were weighted heavily in favor of defendants who were white and against those who were African American Native American or Mexican Packed with information this is a book for students and scholars of western history social history criminology and justice studies Western history buffs will be captivated by colorful anecdotes about the real West where guns could and did blaze over anything from love trysts to vendettas to too much foam on the beer From whatever perspective all readers are sure to find here a well constructed framework for understanding the West as it was and for interpreting the region as it moves into the future

Crimes of Violence Donald J. Mulvihill, Melvin Marvin Tumin, 1970

"Saturday Night Special" Handguns United States. Congress. Senate. Judiciary, 1972

Clinard and Quinney's Criminal Behavior Systems A. Javier Treviño, 2019-06-11 An important classic familiar to virtually all criminologists Clinard and Quinney s *Criminal Behavior Systems A Revised Edition* begins with a discussion of the construction of types of crime and then formulates and utilizes a useful typology of criminal behavior systems It classifies crime into seven categories among them violent personal crime occasional property crime public order crime occupational crime corporate crime organized crime and political crime They examine the criminal career of the offender in each category public and legal attitudes toward these individuals support systems they may have attitudes of the offenders and other features The discussion of each category of crime is thorough and enlightening and takes the reader far in understanding the huge problem of crime and establishing intelligent definitions to study it The new edition looks at the criminal landscape of the twenty first century capturing both the numerous advancements in theory and research in the field of criminology as well as many societal changes that have taken place in law mass media the economy culture and the political system that directly affect the book s coverage of various types of crimes A global perspective broadens the book s relevance to include a variety of different societies Crimes newly examined in this edition include identity theft domestic violence arson hate crimes cybercrime campus sexual assault police brutality Ponzi schemes human trafficking and terrorism Finally alternatives to conventional criminal justice are considered including such approaches as peacemaking restorative

justice private justice problem solving harm reduction naming and shaming and internal and external controls Like its predecessors Clinard and Quinney's *Criminal Behavior Systems A Revised Edition* will be essential to criminologists formulating their own theories and research on criminal behavior as well as to students in criminology and sociology courses on how to view and study crime

The Ecology of Homicide Eric C. Schneider, 2020-11-13 Like so many big cities in the United States Philadelphia has suffered from a strikingly high murder rate over the past fifty years Such tragic loss of life as Eric C Schneider demonstrates does not occur randomly throughout the city rather murders have been racialized and spatialized concentrated in the low income African American populations living within particular neighborhoods In *The Ecology of Homicide* Schneider tracks the history of murder in Philadelphia during a critical period from World War II until the early 1980s focusing on the years leading up to and immediately following the 1966 Miranda Supreme Court decision and the shift to easier gun access and the resulting spike in violence that followed Examining the transcripts of nearly two hundred murder trials *The Ecology of Homicide* presents the voices of victims and perpetrators of crime as well as the enforcers of the law using to an unprecedented degree the words of the people who were actually involved In Schneider's hands their perspectives produce an intimate record of what was happening on the streets of Philadelphia in the decades from 1940 until 1980 describing how race factored into everyday life how corrosive crime was to the larger community how the law intersected with every action of everyone involved and most critically how individuals saw themselves and others Schneider traces the ways in which low income African American neighborhoods became ever more dangerous for those who lived there as the combined effects of concentrated poverty economic disinvestment and misguided policy accumulated to sustain and deepen what he calls an ecology of violence bound in place over time Covering topics including gender urban redevelopment community involvement children and gangs as well as the impact of violence perpetrated by and against police *The Ecology of Homicide* is a powerful link between urban history and the contemporary city

"Saturday Night Special" Handguns, S. 2507 United States. Congress. Senate. Committee on the Judiciary. Subcommittee to Investigate Juvenile Delinquency, 1972

The Dynamics of Murder R. Barri Flowers, 2012-11-26 In recent years there has been a surge in school shootings workplace homicides hate violence and deadly terrorist attacks in the United States This has resulted in a greater focus on homicidal behavior its antecedents ways to recognize warning signs of at risk victims and offenders and preventive measures It has also led to increased effort

Rethinking Homicide Terance D. Miethe, Wendy C. Regoeczi, Kriss A. Drass, 2004-01-19 Using multiple data sources and methods this book involves a micro historical analysis of the nature of change and stability in homicide situations over time It focuses on the homicide situation as the unit of analysis and explores similarities and differences in the context of homicide for different social groups For example using Qualitative Comparative Analysis we investigate whether various social groups e.g. men vs women teenagers vs adults strangers vs intimates Blacks vs Whites kill under qualitatively different circumstances and if so what are the characteristics of these unique profiles The

analysis of over 400 000 US homicides is supplemented with qualitative analysis of narrative accounts of homicide events to more fully investigate the structure and process underlying these lethal situations Our findings of unique and common homicide situations across different time periods and social groups are then discussed in terms of their implications for criminological theory and public policy *Crime and Justice at the Millennium* Robert A. Silverman, Terence P. Thornberry, Bernard Cohen, Barry Krisberg, 2013-03-09

Ira Lipman Marvin Wolfgang was the greatest criminologist in the United States of America in the last half of the 20th century if not the entire century We first met on March 3 1977 in Philadelphia I sought him out after his work with Edwin Newman s NBC Reports Violence in America He was a tender loving caring individual who loved excellence whether it be an intellectual challenge the arts or any other pursuit It is a great privilege to take part in honoring Marvin Wolfgang a great American Our approaches to the subject of crime came from different perspectives one as a researcher and the other as the founder of one of the world s largest security services companies We both wanted to understand the causes of crime and our discussions began a more than 21 year friendship based on mutual respect and shared values Dr Wolfgang s scholarship aimed for the goal of promoting a safer more prosperous society one in which economic opportunity replaced criminal enterprise He never saw crime in isolation but as part of a complex web of social relations Only by understanding the causes and patterns of crime can society find ways to prevent it Only through scholarship can the criminal justice community influence policy makers To encourage the innovative scholarship that marked Marvin s career Guardsmark established the Lipman Criminology Library at the University of Pennsylvania at his request and created a national criminology award in his name the Wolfgang Award for Distinguished Achievement in Criminology **Securing Our Children's Future** Gary S. Katzmann, 2004-05-13

A Brookings Institution Press and Governance Institute publication A nation of great resources the United States is confronted all too often with headlines about shootings in schools and with the unsettling reality that homicide rates for juveniles far exceed that of other industrialized nations The challenge of reducing youth violence has prompted a flurry of commentary legislative activity and scholarly studies much of it skewed by lurid pronouncements alarmist sentiments and misleading categorizations Focusing on the role of institutions in combating youth violence this volume seeks to reflect its complex and multidimensional character Copublished by the Governance Institute and the Brookings Institution the book brings together a wide range of skilled professionals and academics across disciplines to focus on the coordination and implementation of youth anti violence strategies The work redefines the way we think institutionally about youth violence and collaborative initiatives providing a pragmatic roadmap for constructive change The essays constitute a new framework to guide key players in the juvenile justice system prosecutors the defense bar the courts correction and probation departments faith based institutions schools the media nonprofit institutions and the private sector *Federal Probation* ,1971 *Deviance and Liberty* Lee Rainwater, 2018-02-06

Deviance is by definition a social problem Since deviant behavior violates the normative expectations

of a given group deviance must be regarded as a problem for that group since all groups of people want their norms to be enforced. Many modern societies place considerable value on personal liberty so much so that interference with personal choices to deviate from group norms can be justified only in terms of the potential damage that particular kinds of behavior might do to the legitimate interests of others. Sociological research suggests that the social problem associated with deviance is often the behavior of individuals who violate norms cannot be justified in terms of basic values of liberty, social order or justice. In other kinds of deviance though the social problem is that people or in a more organized way social institutions interfere with individual liberty and self realization. Each selection in this volume has been chosen to cover a full range of substantive problematic issues, a range of social science perspectives that can be brought to bear on issues of all kinds and a range of social science methodologies used in studying modern society. Deviance and Liberty is divided up into thirty nine contributions and five main parts ranging from Modern Perspectives on Deviance and Social Problems, Deviant Exchanges, Gambling, Drugs and Sex, Deviant Personal Control, Illness, Violence and Crime, Deviance, Identity and the Life Cycle and Moral Enterprise and Moral Enforcement. It is a welcome addition to the libraries of those interested in the study of deviance or society as a whole. Deviant Behavior Charles H. McCaghy, Timothy A. Capron, J.D. Jamieson, Sandra Harley H.

Carey, 2016-01-08 Using the framework of interest group conflict this text combines a balanced comprehensive overview of the field of deviance with first hand expertise in the workings of the criminal justice system. Deviant Behavior Seventh Edition surveys a wide range of topics from explanations regarding crime and criminal behavior, measurement of crime, violent crime and organizational deviance to sexual behavior, mental health and substance abuse. This new edition continues its tradition of applying time tested sociological theory to developing social concepts and emerging issues. Black Cultures and Race Relations James L. Conyers, 2002 The essays in this book examine black cultural issues from the inside out rather than from a majority perspective. Topics are grouped into four categories: historical studies on race, policy, economics and race, educational studies and race, and social and cultural studies on race. Readers of this volume will gain a deeper understanding of the past and present realities experienced by black people in the United States. Sweeping changes have taken place in American society but much work remains to be done before black Americans will no longer face the daily challenges created by racist stereotyping and assumptions. This book will furnish absorbing reading for anyone who seeks a better understanding of black white relations in the United States from the mid nineteenth century to the present. A Burnham Publishers book.

This Engaging World of E-book Books: A Comprehensive Guide Revealing the Pros of E-book Books: A Realm of Ease and Flexibility E-book books, with their inherent portability and ease of availability, have liberated readers from the constraints of hardcopy books. Patterns In Criminal Homicide Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and

manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Patterns In Criminal Homicide PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Patterns In Criminal Homicide PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Patterns In Criminal Homicide free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Patterns In Criminal Homicide Books

1. Where can I buy Patterns In Criminal Homicide books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
