

# Patton United States Since 189

**Geoffrey Keyes**

## **Patton United States Since 189:**

Patton's Way James K Morningstar, 2017-06-15 Patton's Way is a unique approach to the legend of General George S Patton Jr and his development and application of modern warfare Rather than a biography Patton's Way argues that popular representations of Patton are built on misconceptions and incomplete understandings about his approach to battle Morningstar addresses the contradiction between the historiographical criticism of Patton's methods and popular appreciation for his successes The author identifies several schools of thought offering explanations yet he notes they all fail to fully comprehend the real Patton The secret to Patton's success was a radical and purposely crafted doctrine developed over several decades The author identifies four core principles in Patton's creed targeting the enemy's morale through shock utilizing highly practiced combined arms mechanized columns relying on mission tactics and flexible command and control and employing multi layered and synthesized intelligence systems to identify enemy capabilities and weak spots These precepts directly contradicted official U S Army doctrine and created misunderstandings that led commanders to truncate Patton's operations in Tunisia Sicily and France Morningstar details how Patton developed and applied each principle and uses the breakout from Normandy as a case study to illustrate Patton's Way in application This book discusses the death and resurrection of Patton's ideas in the U S Army directly following World War II to the present and comments on the status of Patton ideas in the Army today

Patton's Prayer Alex Kershaw, 2025-06-03 From Alex Kershaw author of the New York Times bestseller Against All Odds comes an epic story of courage resilience and faith during the Second World War General George Patton needed a miracle In December 1944 the Allies found themselves stuck Rain had plagued the troops daily since September turning roads into rivers of muck slowing trucks and tanks to a crawl A thick ceiling of clouds had grounded American warplanes allowing the Germans to reinforce The sprint to Berlin had become a muddy bloody stalemate costing thousands of American lives Patton seethed desperate for some change any change in the weather A devout Christian he telephoned his head chaplain Do you have a good prayer for the weather he asked The resulting prayer was soon printed and distributed to the 250 000 men under Patton's command Pray when driving the men were told Pray when fighting Pray alone Pray with others Pray by night and pray by day Pray for the cessation of immoderate rains for good weather for Battle Pray for victory Pray for Peace Then came the Battle of the Bulge Amid frigid temperatures and heavy snow 200 000 German troops overwhelmed the meager American lines in Belgium's Ardennes Forest massacring thousands of soldiers as the attack converged on a vital crossroads town called Bastogne There the 101st Airborne was dug in but the enemy were lurking hidden in the thick blanket of fog that seemed to never dissipate A hundred miles of frozen roads to the south Patton needed an answer to his prayer fast before it was too late
