**Ordeal And Triumph** , 1990 Patton's Way James K Morningstar, 2017-06-15 Patton's Way is a unique approach to the legend of General George S Patton Jr and his development and application of modern warfare Rather than a biography Patton's Way argues that popular representations of Patton are built on misconceptions and incomplete understandings about his approach to battle Morningstar addresses the contradiction between the historiographical criticism of Patton's methods and popular appreciation for his successes The author identifies several schools of thought offering explanations yet he notes they all fail to fully comprehend the real Patton The secret to Patton's success was a radical and purposely crafted doctrine developed over several decades The author identifies four core principles in Patton's creed targeting the enemy's morale through shock utilizing highly practiced combined arms mechanized columns relying on mission tactics and flexible command and control and employing multi layered and synthesized intelligence systems to identify enemy capabilities and weak spots These precepts directly contradicted official U S Army doctrine and created misunderstandings that led commanders to truncate Patton's operations in Tunisia Sicily and France Morningstar details how Patton developed and applied each principle and uses the breakout from Normandy as a case study to illustrate Patton's Way in application This book discusses the death and resurrection of Patton's ideas in the U S Army directly following World War II to the present and comments on the status of Patton ideas in the Army today **Patton's Shadow** Nathan C. Jones, 2024-10-19 General George S Patton's legendary image was carefully crafted during World War II and continues to shape our understanding of American history and culture today Historian Nathan C Jones explores the creation of the Patton legend and its enduring legacy in Patton's Shadow

**Patton's Prayer** Alex Kershaw, 2024-05-21 From Alex Kershaw author of the New York Times bestseller Against All Odds comes an epic story of courage resilience and faith during the Second World War General George Patton needed a miracle In December 1944 the Allies found themselves stuck Rain had plagued the troops daily since September turning roads into rivers of muck slowing trucks and tanks to a crawl A thick ceiling of clouds had grounded American warplanes allowing the Germans to reinforce The sprint to Berlin had become a muddy bloody stalemate costing thousands of American lives Patton seethed desperate for some change any change in the weather A devout Christian he telephoned his head chaplain Do you have a good prayer for the weather he asked The resulting prayer was soon printed and distributed to the

250 000 men under Patton's command Pray when driving the men were told Pray when fighting Pray alone Pray with others Pray by night and pray by day Pray for the cessation of immoderate rains for good weather for Battle Pray for victory Pray for Peace Then came the Battle of the Bulge Amid frigid temperatures and heavy snow 200 000 German troops overwhelmed the meager American lines in Belgium's Ardennes Forest massacring thousands of soldiers as the attack converged on a vital crossroads town called Bastogne There the 101st Airborne was dug in but the enemy were lurking hidden in the thick blanket of fog that seemed to never dissipate A hundred miles of frozen roads to the south Patton needed an answer to his prayer fast before it was too late

*Patton's War* Kevin M. Hymel, 2021-11-01 George S Patton Jr lived an exciting life in war and peace but he is best remembered for his World War II battlefield exploits Patton's War An American General's Combat Leadership November 1942 July 1944 the first of three volumes follows the general from the beaches of Morocco to the fields of France right before the birth of Third Army on the continent In highly engaging fashion Kevin Hymel uncovers new facts and challenges long held beliefs about the mercurial Patton not only examining his relationships with his superiors and fellow generals and colonels but also with the soldiers of all ranks whom he led Using new sources unavailable to previous historians and through extensive research of soldiers memoirs and interviews Hymel adds a new dimension to the telling of Patton's WWII story

*Patton's War* Kevin M. Hymel, 2023-04-07 Winner of the 2023 Army Historical Foundation Distinguished Writing Award for Biography This second of three volumes of Patton's War picks up where the first one left off examining General George S Patton's leadership of the U S Third Army The book follows Patton's contributions to both the Normandy and Brittany campaigns the closing of the Falaise Pocket in Normandy and racing to the port cities in Brittany It ends with Patton and his corps rescuing the besieged town of Bastogne in the Battle of the Bulge As he did in the preceding volume Hymel relies not only on Patton's diaries and letters but countless veteran interviews surveys and memoirs He also provides a unique insight missed by previous Patton scholars Instead of using Patton's transcribed diaries which were heavily edited and embellished he consults Patton's original hand written diaries to uncover previously unknown information about the general This second volume of Hymel's groundbreaking work shows Patton at the height of his generalship successfully leading his army without the mistakes and caustic behavior that almost got him sent home earlier even if we also see a Patton still guided at times by racism and antisemitism

**An American History Lesson and a Wake up Call for America** Jack B. Walters,2013-07-25 These articles and book reports have been written in the hope that readers could believe as I do that the world including our country is in great danger for multiple of reasons 1 The spread of adherents to Islam threaten to engulf all persons of different faiths They are winning through violence but also just by having more babies than every other culture The leaders of Europe and America refuse to accept how evil this belief system is and how they have only one agendaand that is to have dominion over all nations 2 Our Constitution has been destroyed by the administration of President Obama and the Supreme Court He does whatever he wants regardless of the Congress The Court extended the commerce authority to allow the government to force citizens to purchase a service and allowed the corporations to spend anything they want to affect the outcome of elections 3 We are drowning in debt but continue to add costly programs making it even worse without making any attempt to reduce the strain Military adventures continue without end Government handouts to the so called needy have created a permanent underclass of people being supported while not required to put forth effort 4 The government refuses to take the steps needed to become energy efficient which could be accomplished easily thereby freeing us from OPEC For those of you who dont remember in the 50s we exported oil
