Paul And The Power Of Sin:

Paul and the Power of Sin T. L. Carter, 2001-12-13 Paul and the Power of Sin first published in 2001 seeks to ground Paul's language of sin in the socio cultural context of his original letters T L Carter draws on the work of social anthropologist Mary Douglas to conduct a cross cultural analysis of the symbolism of the power of sin in the letters examining thoroughly Douglas Grid and Group model and defending its use as a heuristic tool for New Testament scholars He uses this model to examine the social location of Paul and the communities to which he wrote and offers a fresh insight into key passages from 1 Corinthians Galatians and Romans Carter concludes that an important part of Paul's purpose was to safeguard the position of law free Gentile believers by redrawing social boundaries along eschatological rather than ethnic lines *Sin and Its Remedy in Paul* Nijay K. Gupta, John K. Goodrich, 2020-09-22 This collection of essays considers what light is shed on Pauline soteriology by giving focused attention to the apostle's language and conception of sin Sometimes Paul appears to present sin and disobedience as transgression while at other times sin is personified and treated as an enslaving power Is there a model or perspective that can account for Paul's conceptual range in his discussion of sin What does careful study of Paul's letters reveal about the christological and pneumatological remedies to the problem of sin as he conceives of them These questions are explored with attention to individual Pauline letters towards a richer understanding of his attitude towards sin and its remedy **Sin and its Remedy in Paul** John K. Goodrich, Nijay K. Gupta, 2022-08-25 Though much studied Pauline soteriology can be seen afresh by giving focused attention to the apostle's language and conception of sin Sometimes Paul appears to present sin and disobedience as transgression while at other times sin is personified as an enslaving power Is there a single model or perspective that can account for Paul's conceptual range in his discussion of sin What does careful study of Paul's letters reveal about the christological and pneumatological remedies to the problem of sin as he conceives of them These questions are explored in the context of individual Pauline letters building a richer understanding of the apostle's attitude to sin and its remedy **The Story of Original Sin** John Toews, 2013-01-15 This book traces the history of the interpretation of the disobedience of Adam and Eve in Genesis 3 through the biblical period and the church fathers until Augustine It explains the emergence of the doctrine of original sin with the theology of Augustine in the late fourth century on the basis of a mistranslation of the Greek text of Romans 5:12 The book suggests that it is time to move past Augustine's theology of sin and embrace a different theology of sin that is both more biblical and makes more sense in the postmodern West and in the developing world *Paul and the Person* Susan Grove Eastman, 2017-10-23 In this book Susan Grove Eastman presents a fresh and innovative exploration of Paul's participatory theology in conversation with both ancient and contemporary conceptions of the self Juxtaposing Paul ancient philosophers and modern theorists of the person Eastman opens up a conversation that illuminates Paul's thought in new ways and brings his voice into current debates about personhood *The Handbook of Bible Application* Neil S. Wilson, 1992 How does prayer work What does the Bible really say

about money Does the Bible have anything to say about friendship You ll find answers to these questions and many more quickly and easily in The Handbook of Bible Application The Bible is full of wisdom about life Yet it s not always easy to connect the dots between the various Bible passages on any particular subject whether it s a question about dealing with money or about overcoming depression The Handbook of Bible Application is your guide to the Bible organized by topics that impact the way you live your life every day accountability attitudes contentment depression doubt encouragement friendship money popularity sex singleness worry and hundreds of other topics This is a biblical resource you won t want to be without

Understanding Paul Peter Frick,2023-09-04 Peter Frick argues that the key issue to which the apostle Paul correlates the death and resurrection of Jesus Christ is the power of sin Sin singular is an ontological existential category and distinct from sins plural For the death of Jesus to be effective in overcoming the power of sin salvation is established strictly in the new ontology of the resurrection of Jesus Paul and the Hope of Glory Constantine R. Campbell,2020-11-24 A Unique Study of Pauline Eschatology that Is Both Exegetical and Theological One of the trajectories coming out of Constantine Campbell s award winning book Paul and Union with Christ is the significance of eschatology for the apostle Along with union with Christ eschatology is a feature of Paul s thinking that affects virtually everything else While union with Christ is the webbing that joins Paul s thought together eschatology provides the shape of his thought and thus gives shape to his teaching about justification resurrection the cross ethics and so forth There is considerable debate however about Paul s eschatology asking whether he is a covenant or an apocalyptic theologian In Paul and the Hope of Glory Campbell conducts a thorough exegetical study of the relevant elements of Paul s eschatological language metaphors and images including parousia the last day inheritance hope and others He examines each passage in context aiming to build inductively an overall sense of Paul s thinking The results of this exegetical study then feed into a theological study that demonstrates the integration of Paul s eschatological thought into his overall theological framework The study is comprised of three parts The first part introduces the key issues both exegetical and theological and sets the parameters and methodology of the book It also offers an historical survey of the scholarly work produced on Paul s eschatology through the twentieth century to the present day The second part contains the detailed exegetical analysis with chapters on each important Pauline phrase metaphor and image related to eschatology The third part turns its attention to theological synthesis It recapitulates relevant conclusions from the evidence adduced in part two and launches into theological discussion engaging current issues and debates This volume combines high level scholarship and a concern for practical application of a topic currently debated in the academy and the church More than a monograph this book is a helpful reference tool for students scholars and pastors to consult its treatment of any particular instance of any phrase or metaphor that relates to eschatology in Paul s thinking **A Commentary on St. Paul's Epistle to the Romans** Joseph Agar Beet,1877 **A New Commentary on Holy Scripture** Charles Gore, Henry Leighton Goudge, Alfred Guillaume,1928 Cross-Cultural Paul Charles H. Cosgrove, Herold Weiss, K. K.

Yeo,2005-08-16 The apostle Paul was a cross cultural missionary a Hellenistic Jew who sought to be all things to all people in order to win them to the gospel In this provocative book Charles Cosgrove Herold Weiss and K K Yeo bring Paul into conversation with six diverse cultures of today Argentine Uruguayan Anglo American Chinese African American Native American and Russian No other book on the apostle Paul looks at his thought from multiple cultural perspectives in the way that this one does From the introduction outlining the authors cultural backgrounds to the conclusion drawing together what they learn from each other Cross Cultural Paul orients readers to the hermeneutical struggles and rewards of approaching texts cross culturally

God, Freedom, and the Body of Christ Alexander J. D. Irving,2020-10-13 A contribution to the end of the Church knowing itself as the body of Christ Irving articulates a theology of the Church as that which participates in all that Jesus is in his vicarious humanity by the power of the Spirit This is developed through a dialogical or covenantal frame that has its focal point in Christ in whom the faithful love of God toward creation and the faithful love of creation toward God is actualized The Church as the body of Christ participates in the mediatorial work of Jesus Christ Each chapter explores a different element of this participatory ecclesiology This book offers a constructive ecclesiology built from the ground up on the foundation of a dialogical perspective which has participation in Christ as its controlling center This foundation provides the basis upon which an exhilarating vision of the Church can be built to encourage Christians to cherish the Church as the body of Christ which participates in the triune communion through being included into the Son by the power of the Spirit and comes to reflect the triune God in its own structures

Grace and Agency in Paul and Second Temple Judaism Kyle Wells,2014-09-11 Following recent intertextual studies Kyle B Wells examines how descriptions of heart transformation in Deut 30 Jer 31 32 and Ezek 36 informed Paul and his contemporaries articulations about grace and agency Beyond advancing our understanding of how these restoration narratives were interpreted in the LXX the Dead Sea Literature Baruch Jubilees 2 Baruch 4 Ezra and Philo Wells demonstrates that while most Jews in this period did not set divine and human agency in competition with one another their constructions differed markedly and this would have contributed to vehement disagreements among them While not sui generis in every respect Paul s own convictions about grace and agency appear radical due to the way he reconfigures these concepts in relation to Christ
