Poems of Paul Celan Paul Celan, 2007 This is a new revised edition of an Anvil Classic Paul Celan was one of the great poets of the twentieth century Born into a Jewish family in a German enclave of Romania his life and work were indelibly marked by the Holocaust his parents perished in a camp he was lucky to survive The Jewish experience and the force of history stretched language and Celan himself beyond breaking point Celan committed suicide in Paris in 1970 but not before he had remade and reclaimed German as a language fit for poets Celan spoke of a language north of the future and described his poems as messages in bottles that might never be received *Paul Celan* Paul Celan, 2005-03-14 The best introduction to the work of Paul Celan this anthology offers a broad collection of his writing in unsurpassed English translations along with a wealth of commentaries by major writers and philosophers The present selection is based on Celan's own 1968 selected poems though enlarged to include both earlier and later poems as well as two prose works The Meridian Celan's core statement on poetics and the narrative Conversation in the Mountains This volume also includes letters to Celan's wife the artist Gisèle Celan-Lestrange to his friend Erich Einhorn and to Ren Char and Jean Paul Sartre all appearing here for the first time in English **Poems of Paul Celan** Paul Celan, Michael Hamburger, 2002 Presents a selection of the poems of Paul Celan translated into English with the original German on facing pages that includes a substantial essay by the translator on translating Celan's poetry Glottal Stop Paul. Celan, 2011-03-01 Paul Celan's widely recognized as the greatest and most studied post war European poet At once demanding and highly rewarding his poetry dominates the field in the aftermath of the Holocaust This selection of poems now available in paper for the first time is comprised of previously untranslated work opening facets of Celan's oeuvre never before available to readers of English These translations called perfect in language music and spirit by Yehuda Amichai work from the implied premise of what has been called Intention auf die Sprache delivering the spirit of Celan's work his dense multilingual resonances his brutal broken music syntactic ruptures and dizzying wordplay **Selections** Paul Celan, 2005 Paul Celan is one of the essential poets not just of the twentieth century but of all time Pierre Joris's selections from the remarkable heart shattering work provide what is surely the best one volume introduction to Celan ever published in English Paul Auster No twentieth century poet pierces the heart of language with such an exquisite blade as Paul Celan With Pierre Joris company's translations of key poems poetics letters and exemplary commentary it is as if we are reading Celan for the last time once again Charles Bernstein author of With Strings Joris has dwelled during the better part of his life in Celan's words and silences and as his brilliant introduction demonstrates he has journeyed through the work's intricacies like very few others Michael Palmer author of The Promises of Glass A beautiful and necessary book Celan's charred radiance shines through every page Richard Sieburth translator of Hymns and Fragments **Paul Celan** Paul Celan, 1980 **Breathturn into Timestead** Paul Celan, 2014-12-02 A collection of the late poems of German language poet Paul Celan Provided by publisher *Letters to Gisèle* Paul Celan, 2025-02-25 Insightful and

provocative letters by a great twentieth century poet to his artist wife about life and revealingly his own writing An intimate look at this canonical poet's process mental health and quotidian moments during the early 1950s One of the most significant European poets of the twentieth century Paul Celan came from an Eastern European Jewish family and lost his parents to the death camps of World War II Transplanted to Paris he produced a body of work that was an ongoing confrontation with that history of loss and with the German language His poems anguished and unsleeping have by now been translated into many languages becoming a touchstone for poets writers and philosophers Letters to Gisèle presents the letters Celan wrote to his wife the French visual artist Gisèle Celan-Lestrange over the course of close to twenty years along with letters to the couple's son Eric and letters from Gisèle to Paul They provide an intimate view of his literary career and troubled life which was marked by repeated stays in psychiatric clinics They also provide an unparalleled glimpse into Celan's poetic workshop including his own word for word renderings from German into French of more than a dozen of his poems These he addressed to Gisèle as an ongoing informal German lesson They figure too as messages from the heart Presented here trilingually these overlapping versions of Celan's poems open up new dimensions of his famously hermetic poetry as dazzling as it is dark This edition includes some poems in the original German and Celan's own translations of them Collected Prose Paul

Celan, 2003 Paul Celan 1920-1970 stands as one of the greatest post-war European poets a writer whose painful struggle with the possibilities and limitations of German his native language has helped to define the response of poetry in the aftermath of the Holocaust The writings and aphorisms on poetry and art illuminate the sources of his language he explores the condition of being a stranger in the world the necessity and limitation of discourse enlarging our understanding of the poet and his vocation A spare and reluctant prose writer Celan speaks with a quiet authority that insists on the centrality of poetry in the modern world **BOOK JACKET** **Paul Celan**, 1980 Paul Celan John Felstiner, 2001-01-01 Paul Celan Europe's most compelling postwar poet was a German speaking East European Jew His writing exposes and illumines the wounds that Nazi destructiveness left on language John Felstiner's sensitive and accessible book is the first critical biography of Celan in any language It offers new translations of well known and little known poems including a chapter on Celan's famous Deathfugue plus his speeches prose fiction and letters The book also presents hitherto unpublished photos of the poet and his circle Drawing on interviews with Celan's family and friends and his personal library in Normandy and Paris as well as voluminous German commentary Felstiner tells the poet's gripping story his birth in 1920 in Romania the overnight loss of his parents in a Nazi deportation his experience of forced labor and Soviet occupation during the war and then his difficult exile in Paris The life's work of Paul Celan emerges through readings of his poems within their personal and historical matrix At the same time Felstiner finds fresh insights by opening up the very process of translating Celan's poems To present this poetry and the strain of Jewishness it displays Felstiner uncovers Celan's sources in the Bible and Judaic mysticism his affinities with Kafka Heine Hölderlin Rilke and Nelly Sachs his fascination with Heidegger and Buber his piercing translations of Shakespeare

Dickinson Mandelshtam Apollinaire First and last Felstiner explores the achievement of a poet surviving in his mother tongue the German language that had passed Celan said through the thousand darknesses of deathbringing speech **Selected Poems and Prose of Paul Celan** Paul Celan,2001 A bilingual collection of poetry by the German poet considered by many the major European poet since 1945 features a selection of lyrics previously unpublished poems and essays and speeches dealing with his Jewish heritage alienation from society and the nature of writing Reprint **The Early Poetry of Paul Celan** Adrian Del Caro,1997 Arguably the greatest post World War II German poet Paul Celan 1920 1970 was a Holocaust survivor whose work is an anguished and poignant record of his struggle to meet the conflicting demands of remembrance and living in the present In this remarkable study Adrian Del Caro examines the poet s relation to the Word of scripture and to words of speech *The Discourse of Nature in the Poetry of Paul Celan* Rochelle Tobias,2006-06-30 Publisher Description *Poems of Paul Celan* Paul Celan,1988 Encounters with Paul Celan's Poetry Pajari Räsänen,2021-09-21 Encounters with Paul Celan s Poetry The Other s Time consists of encounters with poetry with its readers and with the other that poetry seeks to encounter What does it mean when Celan insists that every real encounter every true encounter happens in memory of the poetic encounter the secret of the encounter This book presents close readings of various poems often attempting textual and intellectual dialogue with philosophers who read Celan or who were read by Celan such as Jacques Derrida Werner Hamacher Edmund Husserl Hans Georg Gadamer and Maurice Merleau Ponty Paul Celan Today Michael Eskin,Karen Leeder,Marko Pajević,2021-08-23 Marking Paul Celan s 100th birthday and the 50th anniversary of his death this volume endeavours to answer the following question why does Celan still matter today more than ever perhaps And why should he continue to matter tomorrow In other words the volume explores and assesses the enduring significance of Celan s life and uvre in and for the 21st century Boasting cutting edge research by international scholars together with original contributions by contemporary artists and writers this book attests to on the one hand the extent to which large swathes of contemporary philosophy poetics literary scholarship and aesthetics have been indebted to Celan s legacy and are simply unthinkable without it and on the other hand to the malleability adaptability breadth and depth of Celan s poetics which like the music of The Beatles Led Zeppelin or Queen is reborn and rediscovered with every new generation Paul Celan, Nelly Sachs Paul Celan,Nelly Sachs,1995 Correspondence between the two twentieth century German poets **Paul Celan** Petre Solomon,2019-02-28 In the immediate aftermath of World War II Paul Celan moved to Bucharest where he spent more than two years working as a translator at Carta Rusa publishing house During that time he was introduced to poet and translator Petre Solomon and began a close friendship that would endure many years despite the distances that separated them and the turbulent times in which they lived In this poignant memoir Solomon recalls the experiences he shared with Celan and captures the ways in which Bucharest profoundly influenced Celan s evolution as a poet He recounts the publication of the famous Todesfuge for the first time in the Romanian magazine Agora and his fertile connection with the Romanian surrealist
