Paul Gascoigne:

Being Gazza Paul Gascoigne, John McKeown, Hunter Davies, 2006 The nation has commented on and devoured Paul Gascoigne for years They read his story But not until now has anyone ever known what it is really like to wake every morning and be Gazza What lies behind the cheeky grin jokes and tears Here Gascoigne in the company of his therapist confronts his demons and takes the reader into the recesses of his mind The triggers that created explosive genius on the pitch outrageous antics off it and at times plunged Gascoigne into dark despair are revealed together with the critical moments that influenced his alcoholism depression drug abuse gambling eating disorders and compulsive behaviour This is more than the story of one man It applies to people who face turmoil every day Recognising a problem and seeking help is the hardest step Through self assessment forms and expert advice any reader who sees a mirror of themselves will be offered help and a way forward There has never been a book like this Because there has never been a man like Paul Gascoigne Paul Gascoigne Jane Nottage, 1994-09-12 This account of Gazza s life concentrates on his exploits in Italy Starting with Italia 90 and his mercurial performances for England it goes on to document the shattering of his knee cap and subsequent injury in a Newcastle nightclub the tension and intrigue surrounding his on off transfer to Lazio and the behind the scenes wheeling and dealing the ups and downs experienced while playing in Italy s Serie A and finally what the future holds This book exposes the dubious activities of his agent Mel Stein and those claiming to act in Gazza s best interests It examines Gazza s relationship with fellow players with first hand profiles from close friend Glenn Roeder ex manager Terry Venables former team mate Gary Lineker and current Lazio coach Dino Zoff **Glorious** Paul Gascoigne, 2011-10-13 Even people who don t know football know who Gazza is The man born as Paul John Gascoigne to a working class family in the North East has found headlines on the front pages almost as often as the back pages throughout his life thanks in great part to his more than colourful lifestyle But it is for his time as a footballer of the very highest order that Gazza s name will forever live in sporting history During a career that spanned more than ten different clubs among them Newcastle United Tottenham Lazio and Rangers and which included countless unforgettable England performances Gazza established himself as one of the sport s all time greats a master of skill flair and invention like none that his country had produced before nor perhaps ever will again Told in Gazza s own unique voice and fully illustrated with hundreds of photos from the moments that he feels defined his career **Glorious My World Football** and **Meis** a celebration offering an unrivalled insight into the mind of this greatest of footballers *Paul Gascoigne* Paul Simpson, 2001 **Ha'way the Lad** Mel Stein, 1994-01-01 Paul Gascoigne is one of England s most talented footballers The success or failure of the England team has much to do with whether Gascoigne is present and fit sadly not always the case in recent games His most recent injury a broken leg sustained during practice in April 1994 has been another bitter blow to English football local club Newcastle United His precocious talent marked him out for attention from the big league clubs and in 1988 struggling Newcastle sold him to Tottenham Hotspur for 2 million Soon

Spurs were themselves struggling financial problems having precipitated a boardroom battle Gascoigne was again sold this time to the Italian club Lazio for a record breaking 5 25 million Before the transfer went through he suffered a serious injury in the 1991 FA Cup Final against Nottingham Forest which kept him out of football for a year single handed His antics off the field have not always been so successful and the ensuing controversy has meant that he is seldom out of the media spotlight the lads he is also a cult figure among the intellectuals Gazza is a superstar a footballing genius who is also a larger than life personality Viv Graham & Lee Duffy's *Parallel Lives* Stephen Richards,2002 This text presents the lives of Viv Graham and Lee Duffy two men who fiercely resented each other and were sworn enemies Both ran parallel lives as pub and club enforcers raging their gangland turf wars with a fierce frenzy of brutality and unremitting cruelty Engaging each other in a vicious organized brawl would be the ultimate challenge Warfare and combat would mean bloodshed and carnage both men met brutal and violent deaths PAUL GASCOIGNE FIFTY DEFINING FIXTURES. Flanagan, 2006-04-07 How do we know right from wrong good from bad help from hindrance and how can we judge the behavior of others Ethics are the rules and guidelines that we use to make such judgements Often there are no clear answers which make this subject both interesting and potentially frustrating In this book the authors offer readers the opportunity to develop and express their own opinions in relation to ethics in psychology There are a number of famous many psychological studies that appear to have been harmful or cruel to the people or animals who took part in them For example memory researchers carried out studies on a man who had no memory for over forty years but because he had no memory he was never able to agree to the studies Is this a reasonable thing to do to someone Comparative psychologist Harry Harlow found that he could create severe and lasting distress in monkeys by keeping them in social isolation Is this a reasonable thing to do even if we find out useful things about human distress If you were able to use psychological techniques to break someone down so that they revealed information that was useful to your government would you do it If so why and if not why not These ethical issues are not easy to resolve and the debates continue as we encounter new dilemmas The book uses many examples of psychological research to look at key ethical issues ethical guidelines of psychologists socially sensitive research ethics in applied psychology the use of animals in research This book will be essential reading for and undergraduate and pre undergraduate students studying psychology and students of other subjects concerned with ethics *British Sport - a Bibliography to 2000* Richard Cox, 2013-12-16 Volume three of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian
