Paul Jones Founder Of The American Navy A History Part One:

Revival: Paul Jones - Founder of the American Navy - Volume I (1900) Augustus C Buell, 2018-01-16 John Paul Jones born John Paul July 6 1747 July 18 1792 was the United States first well known naval commander in the American Revolutionary War and yet the details of his extraordinary career are little known His fame in the broad sense of enduring interest ranks with that of Washington Franklin Jefferson Hamilton Adams and Robert Morris and in his own particular province he stands absolutely alone To the average student of American history mention of our Revolutionary Navy instantly suggests the name of Paul Jones and no other Yet notwithstanding such singular distinction as a generality but little is correctly known in detail as to the actual life and the real character of the man The daily lives the individual incidents and the personal characters of our other very great men in that epoch are as open books These men spent their lives in our country and after they had passed away the materials for their histories were left in friendly hands The reverse was true of Paul Jones This is one of the rare books written about the life and achievements of this historical figure **Paul Jones, Founder of the American Navy** Augustus C. Buell, 1903 **A History of American Biography, 1800-1935** Edward H.
