Paul The Apostle 2 Vols A Theological And Exegetical Study:

Studies in Paul, Exegetical and Theological Richard N. Longenecker, 2004 **The Church in the Wilderness** Carla Swafford Works, 2014 Much attention has been devoted to Paul's quotations from the Old Testament but little attention has been given to Paul's use of biblical narratives. The most extensive use of scripture in 1 Corinthians involves an allusion to Israel's exodus 10:1-22 which contains only one quotation 1 Cor 10:7. Since there is much debate on how to identify scriptural allusions, Carla Works examines two passages where there is overwhelming scholarly consensus regarding the presence of exodus imagery 1 Corinthians 5:6-8 and 10:1-22. These passages therefore provide an ideal place to consider how Paul is using Israel's exodus traditions to instruct a predominantly non-Jewish congregation. The author argues that the exodus tradition, a tradition used to bolster Israel's identity and to teach Israel about the identity of God, is reinterpreted by Paul in light of Christ and is employed to foster the identity formation of the Corinthians as the church of one God and one Lord 1 Cor 8:6.

Saint Paul, Master of the Spiritual Life "in Christ" Elliott C. Maloney, 2014 In *Saint Paul* Elliott C. Maloney explores what the great saint says about the spiritual life, the how-to in the day-to-day activities and concerns of Christians. How should people live in covenant relationship with God, committed to seeking God's will in every aspect of their lives? Spirituality is a popular topic but it is regarded as merely one part of life, some higher level of living when compared to ordinary living. Even Catholic scholarship, Maloney argues, notable as it is in Pauline exegesis and theology, seems to lack a feel for the overall kind of living that Paul wanted for his communities, not to mention how we might appropriate such wisdom for today. For Paul, all of a believer's life is spiritual life. The alternative is a life according to the flesh, a self-centered life without God, a continual spiritual death. Based on over forty years of teaching and study of the Pauline letters, Maloney's *Saint Paul* offers a rich vision of Christianity and the spiritual life in Christ.

The Exile of Adam in Romans David P. Barry, 2021-10-12 This book investigates the divine son motif in Romans 5 and 8 through the lens of exile and restoration. David P. Barry presents a pattern of allusions to Israel and Adam and argues that Paul deliberately employs both themes to show their fulfillment in Christ. Both Adam's exclusion from Eden and Israel's exile from Palestine are, for Paul, a divine son falling short of God's holiness and forfeiting the divine inheritance and presence. The themes of Adam and Israel are complementary examples of sin and separation from God, which Paul argues are reversed in Christ and for believers in union with him. This theme of divine sons provides a framework for interpreting Paul's use of restoration prophecies in Romans 5 and 8. Various references to restoration prophecies, e.g. Ezek 36:22-37:14 in Rom 8:1-11, which were apparently given to ethnic Israel, are applied more broadly. The scope of fulfillment goes beyond its ethnic boundary to include the spiritual children of Abraham, Jew and Gentile. Barry concludes that the exile is over in spirit but continues in body. The new people of God are already spiritually restored to God's presence by faith and will be bodily brought into God's presence in glory.

Paul, Apostle of the Heart Set Free Frederick Fyvie Bruce, 2000 Written by one of the best known and most respected

evangelical biblical scholars of all time Paul explores the primary themes in Paul's thought as they developed in the historical context of his life and travels Adam's Dust and Adam's Glory in the Hodayot and the Letters of Paul Nicholas Meyer, 2016-06-27 In *Adam's Dust and Adam's Glory* Nicholas A Meyer challenges the scholarly reconstruction of a traditional theological framework of creation fall and restoration in order to comprehend the pessimistic anthropologies of the Hodayot and the letters of Paul Meyer argues that too little notice has been paid to the fact that this literature problematizes ordinary humanity by way of original humanity its sexuality its earthly physicality its spiritual moral frailty and that these texts look not for the restoration of human nature as determined in creation but rather for its transformation Setting aside the traditional threefold framework the author offers an innovative and comprehensive reading of the use of traditions of anthropogony including the glory of Adam and the image of God in this literature *The Self-Donation of God* Jack D. Kilcrease, 2013-03-20 In *The Self Donation of God* Jack Kilcrease argues that the speech act of promise is always an act of self donation A person who unilaterally promises to another is bound to take a particular series of actions to fulfill that promise Being that creation is grounded in God's promising speech the divine human relationship is fundamentally one of divine self donation and human receptivity Sin disrupts this relationship and therefore redemption is constituted by a reassertion of divine promise of salvation in the face of the condemnation of the law Gen 3:15 As a new and effective word of grace the promise of a savior begins the process of redemption within which God speaks forth a new narrative of creation In this new narrative God gives himself in an even deeper manner to humanity By donating himself through a promise first to the protological humanity and then to Israel he binds himself to them At the end of this history of self binding God in Christ enters into the condemnation of the law neutralizes it in the cross and brings about a new creation through his omnipotent word of promise actualized in the resurrection Paul's True Rhetoric Mark Douglas Given, 2001-01-01 Given argues that Paul's rhetorical strategies in Acts and in his letters display intentional ambiguity cunning and deception and make vulnerable to the charge that he perpetrates sophistries **First Corinthians** Raymond F. Collins, 1999 One of the most exciting of Paul's letters First Corinthians offers a vantage point from which modern readers can reflect on the diversity in Christian churches today In *First Corinthians* Raymond Collins explores that vantage point as well as the challenge Paul posed to the people of his time and continues to pose in ours to allow the gospel message to engage them in their daily lives P 4 of cover **First Corinthians** David E. Garland, 2003-11 Understand 1 Corinthians and the social and cultural world of Corinth Part of the critically acclaimed BECNT series Theology of the New Testament Frank S. Thielman, 2011-03-22 Studying the theology of the New Testament can be a daunting task even to the knowledgeable Bible student or pastor Each of the twenty seven books written by various authors has its own theological emphasis and nuances How do we elicit a coherent message from such theological diversity especially given that some of the theological statements in the New Testament seem to be at odds with one another Is such an endeavor achievable or even valid Theology of the New Testament

takes a balanced approach in response to these challenges Frank Thielman presents a theology of the New Testament that is careful to take into account the cultural and historical circumstances surrounding each book and the New Testament as a whole He not only examines each book's theological content individually but also in relation to the rest of the New Testament particularly within each of the three theological units that comprise the New Testament the gospels and Acts the Pauline epistles and the general epistles and Revelation This canonical and synthetic approach honors both the theological diversity of the various books and the theological connections between the books In the end Thielman finds a unified theological vision of the New Testament anchored in the centrality of Jesus Christ Frank Thielman's Theology of the New Testament is an outstanding achievement The book is marked by scholarly depth exegetical rigor and theological profundity Both students and professors will profit immensely from this lucid treatment of the theology contained in the New Testament documents

Thomas R Schreiner Professor of New Testament The Southern Baptist Theological Seminary An accessible presentation of the key theological points of the New Testament books by an accomplished New Testament scholar and teacher Its clear style lucid organization and sound theological insight make it a prime resource for serious students in both the academy and the church Karen H Jobes PhD Associate Professor of New Testament Westmont College Paul's Use of the Old Testament in Romans 9:19-24 Brian J. Abasciano, 2022-07-14 Brian Abasciano continues his project examining the use of the Old Testament in Romans 9 building upon his previous two volumes and their intertextual methodology This method incorporates into a thorough traditional exegesis a comprehensive analysis of Paul's use of Scripture against the background of interpretive traditions surrounding the texts alluded to with great emphasis placed on analyzing the original contexts of Paul's citations and allusions Such an intertextual exegesis is conducted in Romans 9:19-24 with an awareness of the broader unit of chapters 9-11 especially and also the epistle as a whole Conclusions for the meaning of these passages and their theological significance are drawn

The Best Books: Class A, Theology. B, Mythology and folklore. C, Philosophy. 1910 William Swan Sonnenschein, 1910 *The Theology of Paul in Three Dimensions* Richard H. Bell, 2022-09-29 Paul of Tarsus the Pharisee who tried to destroy the church of God experienced a conversion to faith in Jesus Christ that was to turn his life upside down and lead to his becoming one of the greatest missionaries and theologians of all time His theology is highly controversial and has both inspired and appalled his listeners Richard Bell presents the major themes in Paul's theology and also asks what he got right what he got wrong and what in his theology needs reinterpreting for the twenty-first century The book thereby shows the ongoing relevance of Paul's thought for today To accompany this volume a website of music designed to add an experiential dimension in discovering Paul's message for the world can be found at richardhbell.co.uk *Death and Life* Andy Boakye, 2017-07-20 The resurrection of Jesus is arguably the most significant component of the Christian narrative and is critical for Paul's presentation of the Gospel Yet it is routinely marginalized in study of the polemics of Galatians largely because it is explicitly mentioned only once and even then only obliquely This investigation redraws the

boundaries of its impact in the letter showing the risen Christ to be an indispensable feature of how Paul's argument unfolds and achieves its ultimate objective establishing a rationale for the creation of a multiethnic eschatological family of God which is grounded in Israel's biblical tradition

Paul's Theology in Context James P. Ware, 2019-01-22 This accessible text by James P. Ware provides both a concise guide to Paul's theology and a general introduction to the key issues and debates in the contemporary study of Paul Examining Paul's message in the context of the ancient world Ware identifies what would have struck Paul's original audience as startling or unique By comparing Paul's teaching to the other religions and philosophies of that day Ware presents a fresh perspective on Paul's theology revealing four pillars of his thought creation incarnation covenant and kingdom After examining each of these dimensions of Paul's gospel Ware explores the historical role of Paul within Christian origins and the astounding evidence embedded in his letters regarding the beginnings of Christianity and the eyewitness origins of the gospels Clergy students and laypeople will find that this guide to the big picture of Paul's theology will illumine and enliven the study preaching and teaching of all the Pauline letters

Studies in the New Perspective on Paul Don Garlington, 2008-06-15 This collection of essays follows upon its predecessor originally entitled *In Defense of the New Perspective on Paul* Essays and Reviews Wipf and Stock 2005 This second edition differs from the first in that five new chapters have been added and one review article has been deleted The change of the main title to *Studies in the New Perspective on Paul* is due to the conviction that the *New Perspective on Paul* actually represents a return to the original context in which Paul proclaimed the gospel of Christ Therefore it is not something to be defended but propounded in the most positive terms possible

Jesus' Blood and Righteousness Brian Vickers, 2010-10-26 The question of whether Paul teaches that Christ's righteousness is imputed to the believer has been debated for roughly four hundred years Some of the questions that arise are What is the connection between Adam and the rest of the human race How did Christ fulfill the role of the second or new Adam How can the ungodly stand before a righteous God In *Jesus Blood and Righteousness* Brian Vickers investigates the key Pauline texts linked historically to the topic of imputation Though Vickers spends a good deal of time on the particulars of each text he keeps one eye on the broader biblical horizon like any doctrine imputation must be investigated exegetically and synthetically This book and its conclusion that the imputation of Christ's righteousness is a legitimate and necessary synthesis of Paul's teaching is a valuable contribution to the ongoing debate on imputation

Paul's Use of the Old Testament in Romans 9.1-9 Brian J. Abasciano, 2006-02-07 This investigation builds upon recent developments in the study of Paul's use of Scripture that center around the concept of intertextuality Abasciano uses an exegetical method that incorporates into a thorough traditional exegesis a comprehensive analysis of Paul's use of Scripture against the background of interpretive traditions surrounding the texts alluded to with great emphasis placed on analyzing the original contexts of Paul's citations and allusions Such an intertextual exegesis is conducted in Romans 9.1-9 with an awareness of the broader unit of chapters 9.1-11 especially and also the epistle as a whole

The study finds that many of the themes Paul deals with in Romans 9-11 are also present in ancient Jewish and Christian interpretive traditions surrounding the passages he invokes and more importantly that Paul's scriptural quotations and allusions function as pointers to their broad original contexts from which he developed much of the form, content and direction of his argument, holding significance for a number of exegetical details as well as broader themes and rhetorical movements. The final chapter seeks to draw conclusions concerning the significance of Paul's use of the Old Testament in Romans 9-11 for the exegesis and theology of Romans and for Pauline intertextuality. The identity of the true people of God is central to Romans 9-11 and the epistle. And Paul's use of Scripture is contextual and referential, calling for attention to Pauline intertextuality in standard exegetical procedure. JSNTS 301
