Paula Rego The Complete Graphic Work:

Paula Rego T. G. Rosenthal, Paula Rego, 2003 This monograph deals exclusively with Paula Rego's graphic work It features over 200 etchings aquatints and lithographs from 1954 and her student days to the Jane Eyre series in 2002 and several prints that were never editioned but only proofed art and their graphic images are simply copies of their paintings in another medium Rego is unique among highly acclaimed artists in that her graphic works are mostly original in theme as well as execution and she makes use of this different medium to project the disturbing and subversive power seen in her paintings provides the background to each series and analyses each work The author also quotes extensively from conversations with the artist underlining Rego's subversive humour and her strongly feminist outlook Paul Coldwell a comprehensive list of exhibitions and a bibliography here provide a survey of a major aspect of Rego's work **Paula Rego** T G

Rosenthal, 2012-07-10 Discussing and illustrating all of Rego's graphic work spanning half a century this revised edition offers five new chapters several revisions and new Rego images Many of the greatest artists since Dürer and Rembrandt have used prints to explore their most important ideas Paula Rego is in this tradition giving full rein to her imagination in both etching and lithography and using the media with exuberance to create work that is as disturbing erotic and powerful as her paintings This sumptuously produced book now expanded and updated and featuring reproductions in color and tritone discusses and illustrates all of her prints including unpublished work The second edition includes chapters on five new series Moon Eggs Prince Pig Wine Curved Planks and Beyond Abortion on works out of series since 2004 and on the influence of playwright Martin McDonagh's work on Rego New images additional entries to the fully illustrated Catalogue Raisonné and revisions to the chronology exhibition list and bibliography make this a unique source of information on a major aspect of this leading artist's work **Paula Rego Printmaker** Paula Rego, 2005 **Anti-Tales** David Calvin, Catriona McAra, 2011-05-25

The anti fairy tale has long existed in the shadow of the traditional fairy tale as its flipside or evil twin According to Andrzej Jolles in *Einfache Formen* 1930 such Antimärchen are contemporaneous with some of the earliest known oral variants of familiar tales While fairy tales are generally characterised by a spirit of optimism Tolkien the anti tale offers us no such assurances for every happily ever after there is a dissenting they all died horribly The anti tale is however rarely an outright opposition to the traditional form itself Inasmuch as the anti hero is not a villain but may possess attributes of the hero the anti tale appropriates aspects of the fairy tale form and its equivalent genres and reimagines subverts inverts deconstructs or satirises elements of these to present an alternate narrative interpretation outcome or morality In this collection Little Red Riding Hood retaliates against the wolf Cinderella's stepmother provides her own account of events and Snow White evolves into a postmodern vampire tale The familiar becomes unfamiliar revealing the underlying structures dynamics fractures and contradictions within the borrowed tales Over the last half century this dissident tradition has become increasingly popular inspiring numerous writers artists musicians and filmmakers Although anti tales abound in contemporary art and popular

culture the term has been used sporadically in scholarship without being developed or defined While it is clear that the aesthetics of postmodernism have provided fertile creative grounds for this tradition the anti tale is not just a postmodern phenomenon rather the postmodern fairy tale is only part of the picture Broadly interdisciplinary in scope this collection of twenty two essays and artwork explores various manifestations of the anti tale from the ancient to the modern including romanticism realism and surrealism along the way Paula Rego John McEwen,2006-10-24 The third edition of this monograph covers the complete career of Paula Rego b 1935 *Paula Rego* Paula Rego,2008 *Writing and Seeing* Rui Manuel G. de Carvalho Homem,Maria de Fátima Lambert,2006 The essays in this volume are informed by a variety of theoretical assumptions and of critical methodologies but they all share an interest in the intersections of word and image in a variety of media This unifying rationale secures the present collection s central position in the current critical context defined as it predominantly is by ways of reading that are based on a relational nexus The intertextual the intermedial the intersemiotic are indeed foregrounded and combined in these essays conceptually as much as in the critical practices favoured by the various contributions Studies of literature in its relation to pictorial genres enjoy a relative prominence in the volume but the range of media and of approaches considered is broad enough to include photography film video television comic strips animated film public art material culture The backgrounds of contributors are likewise diverse culturally academically linguistically The volume combines contributions by prominent scholars and critics with essays by younger scholars from a variety of backgrounds The resulting plurality of perspective is indeed a source of new insights into the relations between writing and seeing and it contributes to making this collection an exciting new contribution to word and image studies *Art Since 1989 (World of Art)* Kelly Grovier,2015-12-07 An extensive accessible guide to the most groundbreaking and influential art from 1989 to the present The years since the collapse of the Berlin Wall in November 1989 have seen the rise of a new freedom to define art Who makes it Where can it be found What is its commercial value and consequently the reevaluation of art s place in society Kelly Grovier surveys the dynamic developments in art practice worldwide since 1989 focusing on artists whose fresh visual vocabulary and innovation reflect these past turbulent decades The book s ten chapters examine the key themes in contemporary art portraiture in the age of face transplants and facial recognition software political activism science and religion to name a few by artists including Jeff Koons Louise Bourgeois Damien Hirst George Condo Marlene Dumas Sean Scully Cindy Sherman Banksy Ai Weiwei Antony Gormley Christo and Jean Claude Jenny Holzer Chuck Close and Cornelia Parker A chapter length timeline at the end of the book traces the evolution of art from 1989 to today by closely examining one key artwork from each year Illustrated with the work of over 200 key artists *Art Since 1989* is a lucid and engaging look at what may prove to be one of the more tempestuous eras in human history if not the history of art **A Breath of Fresh Eyre** Margarete Rubik,Elke Mettinger-Schartmann,2007 Contributions review a diverse range of works from postcolonial revision to postmodern fantasy from imaginary after lives to science fiction from

plays and Hollywood movies to opera from lithographs and illustrated editions to comics and graphic novels From Wollstonecraft to Stoker Marilyn Brock, 2014-01-10 This collection of 13 essays examines the work of Victorian authors Wilkie Collins M E Braddon Letitia Elizabeth Landon Mary Wollstonecraft J Sheridan Le Fanu Bram Stoker Charles Dickens Robert Louis Stevenson Elizabeth Gaskell Henry James and Charlotte Bronte Each essay explores their use of archetypal Gothic elements such as dark secrets and forbidden sensations to depict nineteenth century attitudes to class gender race colonialism and imperialism
