

Pavel Haas

J Ma

Pavel Haas:

The Music of Pavel Haas Martin Čurda, 2020-06-03 The Czech composer Pavel Haas 1899 1944 is commonly positioned in the history of twentieth century music as a representative of Leo Jan ek s compositional school and as one of the Jewish composers imprisoned by the Nazis in the concentration camp of Terez n Theresienstadt However the nature of Jan ek s influence remains largely unexplained and the focus on the context of the Holocaust tends to yield a one sided view of Haas s oeuvre The existing scholarship offers limited insight into Haas s compositional idiom and does not sufficiently explain the composer s position with respect to broader aesthetic trends and artistic networks in inter war Czechoslovakia and beyond This book is the first attempt to provide a comprehensive albeit necessarily selective discussion of Haas s music since the publication of Lubom r Peduzzi s life and work monograph in 1993 It provides the reader with an enhanced understanding of Haas s music through analytical and hermeneutical interpretation as well as cultural and aesthetic contextualisation and thus reveal the rich nuances of Haas s multi faceted work which have not been sufficiently recognised so far **The Routledge Handbook to Music under German Occupation, 1938-1945** David Fanning, Erik Levi, 2019-12-06 Following their entry into Austria and the Sudetenland in the late 1930s the Germans attempted to impose a policy of cultural imperialism on the countries they went on to occupy during World War II Almost all music institutions in the occupied lands came under direct German control or were subject to severe scrutiny and censorship the prime objective being to change the musical fabric of these nations and force them to submit to the strictures of Nazi ideology This pioneering collection of essays is the first in the English language to look in more detail at the musical consequences of German occupation during a dark period in European history It embraces a wide range of issues presenting case studies involving musical activity in a number of occupied European cities as well as in countries that were part of the Axis or had established close diplomatic relations with Germany The wartime careers and creative outputs of individual musicians who were faced with the dilemma of either complying with or resisting the impositions of the occupiers are explored In addition there is some reflection on the post war implications of German occupation for the musical environment in Europe Music under German Occupation is written for all music lovers students professionals and academics who have particular interests in 20th century music and or the vicissitudes of European cultural life during World War II **Pavel Haas** , 2022 **The Jews of Bohemia and Moravia** Livia Rothkirchen, 2006-01-01 Published by the University of Nebraska Press Lincoln and Yad Vashem Jerusalem We were both small nations whose existence could never be taken for granted Vaclav Havel said of the Czechs and the Jews of Israel in 1990 and indeed the complex and intimate link between the fortunes of these two peoples is unique in European history This book by one of the world s leading authorities on the history of Czech and Slovak Jewry during the Nazi period is the first to thoroughly document this singular relationship and to trace its impact both practical and profound on the fate of the Jews of Bohemia and Moravia during the Holocaust Livia Rothkirchen provides a detailed and comprehensive history of how Nazi

rule in the Czech lands was shaped as much by local culture and circumstances as by military policy The extraordinary nature of the Czech Jews experience emerges clearly in chapters on the role of the Jewish minority in Czech life the crises of the Munich agreement and the German occupation the reaction of the local population to the persecution of the Jews the policies of the London based government in exile the question of Jewish resistance and the special case of the Terezin Theresienstadt ghetto The Jews of Bohemia and Moravia is based on a wealth of primary documents many uncovered only after the 1989 November Revolution With an epilogue on the post 1945 period this richly woven historical narrative supplies information essential to an understanding of the history of the Jews in Europe **The Columbia Guide to the Holocaust**

Donald L. Niewyk, Francis R. Nicosia, 2012-07-24 Offering a multidimensional approach to one of the most important episodes of the twentieth century The Columbia Guide to the Holocaust offers readers and researchers a general history of the Holocaust while delving into the core issues and debates in the study of the Holocaust today Each of the book's five distinct parts stands on its own as valuable research aids together they constitute an integrated whole Part I provides a narrative overview of the Holocaust placing it within the larger context of Nazi Germany and World War II Part II examines eight critical issues or controversies in the study of the Holocaust including the following questions Were the Jews the sole targets of Nazi genocide or must other groups such as homosexuals the handicapped Gypsies and political dissenters also be included What are the historical roots of the Holocaust How and why did the Final Solution come about Why did bystanders extend or withhold aid Part III consists of a concise chronology of major events and developments that took place surrounding the Holocaust including the armistice ending World War I the opening of the first major concentration camp at Dachau Germany's invasion of Poland the failed assassination attempt against Hitler and the formation of Israel Part IV contains short descriptive articles on more than two hundred key people places terms and institutions central to a thorough understanding of the Holocaust Entries include Adolf Eichmann Anne Frank the Warsaw Ghetto Aryanization the SS Kristallnacht and the Catholic Church Part V presents an annotated guide to the best print video electronic and institutional resources in English for further study Armed with the tools contained in this volume students or researchers investigating this vast and complicated topic will gain an informed understanding of one of the greatest tragedies in world history A Century of Wisdom Caroline Stoessinger, 2012-03-20 The subject of the Academy Award winning documentary The Lady in Number 6 Music Saved My Life Alice Herz Sommer was the world's oldest Holocaust survivor when she died on February 23 2014 A Century of Wisdom is the true story of her life an inspiring story of resilience and the power of optimism Before her death at 110 the pianist Alice Herz Sommer was an eyewitness to the entire last century and the first decade of this one She had seen it all surviving the Theresienstadt concentration camp attending the trial of Adolf Eichmann in Jerusalem and along the way coming into contact with some of the most fascinating historical figures of our time As a child in Prague she spent weekends and holidays in the company of Franz Kafka whom she knew as Uncle Franz and Gustav Mahler Sigmund Freud

and Rainer Maria Rilke were friendly with her mother When Alice moved to Israel after the war Golda Meir attended her house concerts as did Arthur Rubinstein Leonard Bernstein and Isaac Stern Until the end of her life Alice who lived in London practiced piano for hours every day Despite her imprisonment in Theresienstadt and the murders of her mother husband and friends by the Nazis and much later the premature death of her son Alice was victorious in her ability to live a life without bitterness She credited music as the key to her survival as well as her ability to acknowledge the humanity in each person even her enemies A Century of Wisdom is the remarkable and inspiring story of one woman's lifelong determination in the face of some of the worst evils known to man to find goodness in life It is a testament to the bonds of friendship the power of music and the importance of leading a life of material simplicity intellectual curiosity and never ending optimism Praise for A Century of Wisdom An instruction manual for a life well lived The Wall Street Journal As if her 108 years of experience alone were not enough to coax you there is the overarching fact that draws people to Herz Sommer's story She survived the Theresienstadt concentration camp and is believed to be the oldest living Holocaust survivor The Washington Post I have rarely read a Holocaust survivor's memoir as enriching and meaningful Get Caroline Stoessinger's book A Century of Wisdom telling Alice Herz Sommer's tale of her struggles and triumphs You will feel rewarded Elie Wiesel A Century of Wisdom is a stately and elegant book about an artist who found deliverance in her passion for music Caroline Stoessinger writes with a special purity as though she were arranging pearls on a string of silk Pat Conroy As one of millions who fell in love on YouTube with Alice Herz Sommer a 108 year old Holocaust survivor who plays the piano and greets each day with no hint of bitterness I'm grateful to Caroline Stoessinger for writing a book that explains this mystery You will be inspired by the story of Alice Herz Sommer who lives to teach us Gloria Steinem I walked on the cobblestones in Prague for thirty years wondering who might have walked on them before me Kafka Freud Mahler It feels like a miracle to have encountered in Caroline Stoessinger's wonderful book Alice Herz Sommer who walked with them all with a heart full of music Peter Sis A Century of Wisdom is universal and will enrich readers for generations to come Itzhak Perlman **Czech Music**, 2006 **Bohuslav Martinu** F. James Rybka, 2011-05-01 Bohemian composer Bohuslav Martinu 1890 1959 was exceptionally prolific composing over 400 imaginative well crafted and diverse pieces including symphonies operas ballet scores and other orchestral works For 12 years 1941 1953 he lived in America during which he enjoyed a brilliant reputation and his works were played by nearly all the major orchestras Yet today his works are rarely performed In Bohuslav Martinu The Compulsion to Compose F James Rybka provides a documented explanation for Martinu's amazing output he had Asperger syndrome Indeed Martinu is believed to be the first composer ever to be documented albeit retrospectively with an autistic spectrum disorder In this unique biography Rybka follows Martinu's life from his birth in Policka Bohemia to his composition studies with Albert Roussel his escape from Nazis and his rise as an internationally recognized composer with premieres of his works in Boston Prague London and Basel As Rybka explains how the dynamics of Asperger Syndrome

affected the composer's work readers will more fully appreciate Martinu's accomplishments and legacy. Containing important letters and photographs this book will inspire and inform those impacted by autism but will also be of interest to music scholars and students alike.

Singing in Czech Timothy Cheek, 2014-12-11 Timothy Cheek's revised edition of *Singing in Czech: A Guide to Czech Lyric Diction and Vocal Repertoire* with its accompanying audio accessible online builds on the original pioneering work of 2001 that set a new and very welcome high standard for teaching lyric diction according to *Notes*, The Journal of the Music Library Association. It offers users updated information, important clarifications, and expanded repertoire in a more accessible, easier to use format. *Singing in Czech* is divided into two parts. Using IPA, the first part takes the reader systematically through each sound of the Czech language, enhanced by recordings of native Czech opera singers. Chapters cover the Czech vowels, consonants, rules of assimilation, approaches to singing double consonants, stress and length, Moravian dialect, and an introduction to singing in Slovak. Fine points of formal pronunciation have been clarified in this revised edition. In the second part, Cheek offers a thorough overview of Czech art song, expanded from the first edition. Texts to major song literature and opera excerpts by Smetana, Dvořák, Janáček, Martinu, and Haas, with timings, editions, word for word translations, idiomatic translations, and IPA transcriptions follow. In this revision, Cheek has included additional cycles by Dvořák and Martinu and two new chapters on Czech female composers Vítězslava Kaprálová and Sylvie Bodorová. This revised edition of *Singing in Czech* is useful for all those who are interested and engaged in the performance of the rich Czech vocal repertoire.

Milan Kundera: Known and Unknown Karen von Kunes, 2024-11-14 This collection of essays offers crucial and luminous insights into one of the best known Czech authors, Milan Kundera, including his lesser known works. With essays that focus on Kundera's poetry and plays, his last four novels written in French, and his nonfiction writings on the novelistic form and translation, *Milan Kundera: Known and Unknown* explores the complex and productive career of this globally recognized author. The approach begins by examining Kundera's distinctive literary style and then how his voice radiated outward from the small communist country of Czechoslovakia to the world. Starting as a poet and playwright, Kundera transcended the Czech literary scene and rose to global prominence with his novelistic style of variations, paradoxes, humor, and clairvoyance into human relationships, mixed with political tensions. His multi-dimensional existential topics introduced complex novelistic characters that have reached a large audience and remain evocative. Kundera also critically commented on creative works, his own and of others, thus contributing a unique approach to a specific aesthetic ideal and within the masterworks of world renowned authors. Chapters on Kundera's aesthetics and form, his philosophical leanings, his relationship to the burgeoning concept of world literature, and translations of his writings offer new perspectives on his life's work. These insights shed light on Kundera's understudied works, such as his early poetry and his recent French novels, making connections between his early and later writing and cementing his literary legacy for English language audiences.

Bearing Witness Philip Rosen, Nina Apfelbaum, 2001-11-30 This resource guide will help readers locate over 800 first

person accounts fiction poetry art interpretations and music by Holocaust victims and survivors as well as videos relating the testimony and experiences of Holocaust survivors In addition to the few well known writers artists and musicians whose work so eloquently captures their experience during the Holocaust this guide will introduce the reader to the lives and work of more than 250 lesser known or unrecognized writers artists and musicians from many countries who documented their experience of persecution at the hands of the Nazis This guide will help students gain firsthand knowledge of what it was like to experience the Holocaust and how ordinary people coped and created art and meaning from the ashes of their lives The entry on each writer artist and musician features a biographical sketch and list of his or her works with full bibliographic data Entries on literature and videos are annotated and include recommendations for age appropriateness The work is divided into five parts writers of memoirs diaries and fiction poets artists composers and musicians and videos that feature testimony by survivors Each part features an introductory overview of the artists and art created in that genre out of Holocaust experience Title artist writer and nationality indexes will help the reader select materials and an index organized by age appropriate levels will help teachers and librarians to select literature and videos for students

Pavel Haas Quartet , The Routledge Handbook of Music Signification Esti Sheinberg, William P. Dougherty, 2020-03-17 The Routledge Handbook of Music Signification captures the richness and complexity of the field presenting 30 essays by recognized international experts that reflect current interdisciplinary and cross disciplinary approaches to the subject Examinations of music signification have been an essential component in thinking about music for millennia but it is only in the last few decades that music signification has been established as an independent area of study During this time the field has grown exponentially incorporating a vast array of methodologies that seek to ground how music means and to explore what it may mean Research in music signification typically embraces concepts and practices imported from semiotics literary criticism linguistics the visual arts philosophy sociology history and psychology among others By bringing together such approaches in transparent groupings that reflect the various contexts in which music is created and experienced and by encouraging critical dialogues this volume provides an authoritative survey of the discipline and a significant advance in inquiries into music signification This book addresses a wide array of readers from scholars who specialize in this and related areas to the general reader who is curious to learn more about the ways in which music makes sense

The Sound of Hope Kellie D. Brown, 2020-06-05 Since ancient times music has demonstrated the incomparable ability to touch and resonate with the human spirit as a tool for communication emotional expression and as a medium of cultural identity During World War II Nazi leadership recognized the power of music and chose to harness it with malevolence using its power to push their own agenda and systematically stripping it away from the Jewish people and other populations they sought to disempower But music also emerged as a counterpoint to this hate withstanding Nazi attempts to exploit or silence it Artistic expression triumphed under oppressive regimes elsewhere as well including the horrific siege of Leningrad and in Japanese internment

camps in the Pacific The oppressed stubbornly clung to music wherever and however they could to preserve their culture to uplift the human spirit and to triumph over oppression even amid incredible tragedy and suffering This volume draws together the musical connections and individual stories from this tragic time through scholarly literature diaries letters memoirs compositions and art pieces Collectively they bear witness to the power of music and offer a reminder to humanity of the imperative each faces to not only remember but to prevent another such cataclysm **Still Pictures** Janet

Malcolm, 2023-01-10 Superb The final splendid most personal work of Janet Malcolm's long career Charles Finch The New York Times Book Review For decades Janet Malcolm's books and dispatches for The New Yorker and The New York Review of Books poked and prodded at reportorial and biographical convention gesturing toward the artifice that underpins both public and private selves In Still Pictures she turns her gimlet eye on her own life a task demanding a writer just as peerlessly skillful as she was widely known to be Still Pictures then is not the story of a life but an event on its own terms an encounter with identity and family photographs as poignant and original as anything since Roland Barthes's Camera Lucida Malcolm looks beyond the content of the image and the easy seductions of self recognition constructing a memoir from memories that pose questions of their own Still Pictures begins with the image of a morose young girl on a train leaving Prague for New York at the age of five in 1939 From her fitful early loves to evenings at the old Metropolitan Opera House to her fascination with what it might mean to be a bad girl Malcolm assembles a composite portrait of a New York childhood one that never escapes the tug of Europe and the mysteries of fate and family Later Still Pictures delves into her marriage to Gardner Botsford the world of William Shawn's New Yorker and the libel trial that led Malcolm to become a character in her own drama Displaying the sharp wit and astute commentary that are Malcolmian trademarks this brief volume develops into a memoir like few others in our literature Twentieth Century Music Writers - A Hyperlist Neil E. Clement, 2019-10-01 How

many composers songwriters and lyricists wrote music in the twentieth century Who were they This first edition identifies more than 14 000 people who did so and all are listed in this eBook alphabetically along with a hyperlink to their Wikipedia biographical data Performers of blues folk jazz rock roll and R B are included by default PLEASE NOTE THE HYPERLINKS IN THIS BOOK ONLY FUNCTION ON GOOGLE PLAY aka THE FLOWING VERSION The hyperlinks in this book DO NOT CURRENTLY FUNCTION on the GOOGLE BOOKS FIXED version Film Music in the Sound Era Jonathan Rhodes

Lee, 2020-03-10 Film Music in the Sound Era A Research and Information Guide offers a comprehensive bibliography of scholarship on music in sound film 1927-2017 Thematically organized sections cover historical studies studies of musicians and filmmakers genre studies theory and aesthetics and other key aspects of film music studies Broad coverage of works from around the globe paired with robust indexes and thorough cross referencing make this research guide an invaluable tool for all scholars and students investigating the intersection of music and film This guide is published in two volumes Volume 1 Histories Theories and Genres covers overviews historical surveys theory and criticism studies of film genres and

case studies of individual films Volume 2 People Cultures and Contexts covers individual people social and cultural studies studies of musical genre pedagogy and the industry A complete index is included in each volume *What is Scenography?* Pamela Howard, 2019-04-03 The third edition of Pamela Howard's *What is Scenography* expands on the author's holistic analysis of scenography as comprising space text research art performers directors and spectators to examine the changing nature of scenography in the twenty first century The book includes new investigations of recent production projects from Howard's celebrated career including *Carmen* and *Charlotte A Tri Coloured Play with Music* full colour illustrations of her recent work and updated commentary from a wide spectrum of contemporary theatre makers This book is suitable for students in Scenography and Theatre Design courses along with theatre professionals *Harvard Dictionary of Music* Willi Apel, 1969 Contains nearly 1000 pages of precise and accessible information on all musical subjects *Prague* Richard Burton, Richard D. E. Burton, 2003 A treasure house of Gothic baroque and modernist architecture Prague is also a city of icons and symbols statues saints and signs reveal a turbulent history of religious and cultural conflict As Kafka's nightmare city and home of the Good Soldier Svejk the Czech capital also produced two of the twentieth century's emblematic writers Richard Burton explores this metropolis of theatrical allusion in which politics and drama have always been intertwined His interpretation of the city's cultural past and present encompasses opera and rock music puppetry and cinema surrealism and socialist realism
