Persian Gulf Crisis Power In The Post Cold War World

John Andreas Olsen

Persian Gulf Crisis Power In The Post Cold War World:

The Persian Gulf Crisis Robert Helms, Robert H. Dorff, 1993 This book examines the implications of the Persian Gulf crisis in order to enhance our understanding of the post Cold War international system More than just another analysis of the Iraqi invasion of Kuwait and the subsequent war the book looks at the more general aspects of the use of force political economic and military evident in the Gulf crisis and what they can tell us about the emerging post Cold War system Contributors were selected on the basis of their ability to address specific questions and policy issues and to cast their analyses at a broadly theoretical level Each chapter looks at a different aspect of conflict in the international system and how that relates to the Persian Gulf crisis Several aspects of the crisis and the new international system are examined such as the role of the United Nations the utility of economic sanctions the historical origin of the crisis itself the potential sources of conflict and responses to it and the changing nature of the use of military force To the extent that the lessons found contradict the common wisdoms that emerged in the immediate aftermath of the war many of the chapters challenge the trend to find sweeping generalizations in the Gulf crisis that bear directly on international relations in the 1990s and beyond Civilian and military policymakers as well as students and teachers of international studies will find this book of interest U.S.

intervention policy in the post-cold war world , **The International Politics of the Persian Gulf** Arshin

Adib-Moghaddam, 2006-09-27 Provocatively written persuasively researched and conclusively argued Adib Moghaddam presents the first comprehensive analysis of international relations in the Gulf from a multidisciplinary perspective

Strategic Air Power in Desert Storm John Andreas Olsen, 2013-11-05 In response to the Iraqi invasion of Kuwait on the second of August 1990 a small group of air power advocates in the Pentagon proposed a strategic air campaign Operation Desert Storm designed to drive the Iraqi army from Kuwait by a sustained effort against the major sources of Iraqi national power John Andreas Olsen provides a coherent and comprehensive examination of the origins evolution and implementation of this campaign His findings derive from official military and political documentation interviews with United States Air Force officers who were closely involved with the planning of the campaign and Iraqis with detailed knowledge and experience of the inner workings of the Iraqi regime *Professional Journal of the United States Army* , 1993 Military Review , 1993

The Persian Gulf Crisis , *Quarterly Review of Military Literature* , 1993 *Law, Power, and the Sovereign State* Michael Ross Fowler, Julie Marie Bunck, 2010-11-01 In the wake of the collapse of the Soviet bloc it is timely to ask what continuing role if any the concept of sovereignty can and should play in the emerging new world order The aim of *Law Power and the Sovereign State* is both to counter the argument that the end of the sovereign state is close at hand and to bring scholarship on sovereignty into the post Cold War era The study assesses sovereignty as status and as power and examines the issue of what precisely constitutes a sovereign state In determining how a political entity gains sovereignty the authors introduce the requirements of de facto independence and de jure independence and explore the ambiguities inherent in each

They also examine the political process by which the international community formally confers sovereign status Fowler and Bunck trace the continuing tension of the chunk and basket theories of sovereignty through the history of international sovereignty disputes and conclude by considering the usefulness of sovereignty as a concept in the future study and conduct of international affairs They find that despite frequent predictions of its imminent demise the concept of sovereignty is alive and well as the twentieth century draws to a close

US-Kuwaiti Relations, 1961-1992 Chookiat

Panaspornprasit,2004-08-02 After being granted full independence in 1961 Kuwait began its tumultuous relationship with the US This book sets out to investigate this alliance within the frameworks of a small state and influence and in particular under the US presidents Carter Reagan and Bush The political diplomatic and military aspects are examined which have both stalled and enhanced the bilateral relationship at different times and events The relationship between the two countries has not always been a straightforward one Kuwait overshadowed by its bigger neighbour Saudi Arabia was regarded as a derivative interest by the US and its role within the region more often than not underestimated Shedding new light on this key political alliance the book details how this uneasy relationship evolved while Kuwait maintained its independent foreign policy which contradicted US national interest Illuminating and informative it is essential reading for anyone with an interest in Middle East politics and international relations

US Intervention Policy and Army Innovation Richard

Lock-Pullan,2004-08-02 US Intervention Policy and Army Innovation examines how the US Army rebuilt itself after the Vietnam War and how this has affected US intervention policy from the victory of the Gulf War to the failure of Somalia the Bosnian and Kosovo interventions and the use of force post 9 11 Richard Lock Pullan analyzes the changes in US military intervention strategy by examining two separate issues the nature of the US Army as it rebuilt itself after the Vietnam War and the attempts by the US to establish criteria for future military interventions He first argues that US strategy traditionally relied upon national mobilization to co ordinate political aims and military means he subsequently analyzes how this changed to a formula of establishing militarily achievable political objectives prior to the use of force Drawing on a vast body of material and on strategic culture and military innovation literature Lock Pullan demonstrates that the strategic lessons were a product of the rebuilding of the Army s identity as it became a professional all volunteer force and that the Army s new doctrine developed a new way of war for the nation embodied in the AirLand Battle doctrine which changed the approach to strategy This book finally gives a practical analysis of how the interventions in Panama and the Gulf War vindicated this approach and brought a revived confidence in the use of force while more recent campaigns in Somalia Kosovo and Bosnia exposed its weaknesses and the limiting nature of the Army s thinking The legacy of the Army s innovation is examined in the new strategic environment post 9 11 with the operations in Afghanistan and Iraq

Saudi Arabia: The Coming Storm

Peter W. Wilson,Douglas F. Graham,2016-09-16 Some of the best writings on issues involving local government can be found in journals published by the American Society for Public Administration or journals with which ASPA is associated This

volume includes 30 of the most outstanding articles that have been published East Asian Security in the Post-Cold War Era Sheldon W. Simon, 2016-06-16 This edition adds chapters on Burma and Vietnam and updated material throughout reflects the current economic crisis in the region Identifying the Aggressor Under International Law Olaoluwa Olusanya, 2006 This book deals with the identification of the aggressor state under International Law This issue raises a deceptively easy question that is how does one distinguish the aggressor state from the victim state in situations involving the unilateral use of force In a straightforward situation where state A attacks state B without any provocation it is clear that state A is the aggressor However confusion begins to arise when state A first attacks state B as a form of anticipatory self defence or when state A first attacks state B as a form of pre-emptive self defence or when state A attacks state B in order to prevent state B from committing gross human rights atrocities against its own nationals In all of these latter situations the current rules are unclear and therefore either make it impossible to distinguish between the aggressor state and the victim state or give the aggressor state an unfair advantage over the victim state This book utilizes general principles of Criminal Law in an attempt to tackle these questions and ultimately to devise a solution for distinguishing between the aggressor and the victim state regardless of the circumstances Attention has also been given to the field of international relations **Air University Library Index to Military Periodicals**, 1995 **Invoking Humanity** Danilo Zolo, 2002-08-01 Powerful passionate and highly topical critique of humanitarian intervention International political theorist with eight top selling books Whoever invokes humanity wants to cheat In this first time translation in English Danilo Zolo considers Carl Schmitt's maxim in the context of the humanitarian war waged against the Federal Republic of Yugoslavia in the Spring of 1999 by 19 NATO countries This erudite and disturbing book is a political legal and philosophical reflection on an extraordinary display of Western Power and its present and future impact on the global system of international relations Zolo's account of the war is located within the context of the irresistible drive of globalization which he argues brings economic financial and military ecological and ethnic religious turbulence in its wake Not only the future of the Balkan region he suggests is at stake here but the fate of international law the future role of the United Nations and the political destiny of Europe **U.S. Army War College Guide to National Security Policy and Strategy** J. Boone Bartholomees, 2001 Vietnam in Iraq David Ryan, John Dumbrell, 2007-01-24 More than most post 1970 conflicts involving US forces the conflict in Iraq has been fought out against a background of frequently invoked memories from the era of the Vietnam War The essays in this book offer a series of perspectives on connections and parallels between the Vietnam War and the 2003 invasion of and conflict in Iraq The contributors particularly examine the impact of the Vietnam analogy on the War in Iraq assessing the military tactical lessons learned from the Vietnam War and exploring the influence and persistence of its legacy in US politics culture and diplomacy The volume holds up to original interrogation some commonly held assumptions about historical analogy and several distinguished authorities on the Vietnam War era in particular offer their thoughts on the value and applicability of

Vietnam Iraq parallels If most contributions point out some obvious dissimilarities between the two eras notably the transformed post Cold War international environment the similarities particularly those relating to the problems of cultural misunderstanding are also apparent Vietnam in Iraq will be of great interest for all students and researchers of the Iraq War strategic studies international relations and American politics

The A to Z of the Persian Gulf War, 1990-1991 Clayton R. Newell, 2007 Contrary to many assessments that immediately followed the end of the 1991 Persian Gulf War that war was neither short nor decisive The 1991 conflict was the dramatic manifestation of long standing antagonisms among the principal participants and its results continue to have a profound effect on the region a fact that can be seen most clearly in the current U S occupation of Iraq It is therefore important to determine on the diplomatic side just how the war got started how it was fought and whether the dramatic ground campaign should have exceeded the mere hundred hours it lasted in order to bring about a more decisive conclusion With the seemingly endless follow up to the war continuing The A to Z of the Persian Gulf War 1990 1991 draws together the results of assessments of the war by a multitude of commentators This is accomplished through an introduction a chronology a list of acronyms and abbreviations a bibliography appendixes and hundreds of cross referenced dictionary entries on many of the significant civilian and military persons crucial diplomatic and political actions as well as the essential military aspects including the strategy and tactics the encounters and battles and the forces and weapons deployed by both sides As the situation in the Middle East continues to deteriorate this reference provides an important historical perspective on an increasingly critical issue

Iran, Iraq and the Arab Gulf States J. Kechichian, 2016-04-30 A decade after the War for Kuwait and two decades after the Iran Iraq War the wider Gulf region remains mired in internal regional and international conflicts Iran Iraq and the Arab Gulf States presents analytical perspectives including solution oriented assessments to identify major causes for actual and potential conflicts throughout the Gulf The twenty six papers assembled in this volume identify trends for the next decade Studies on Iranian Iraqi Saudi and Arab Gulf States political agendas on the domestic regional and international fronts are included along with assessments on pending legal issues including border disputes relations among the Gulf states themselves as well as their complex and evolving ties with several Western powers The study closes with four trends chapters looking at the 2000 2010 period

Persian Gulf Crisis Power In The Post Cold War World Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Persian Gulf Crisis Power In The Post Cold War World free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Persian Gulf Crisis Power In The Post Cold War World free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Persian Gulf Crisis Power In The Post Cold War World free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source

before downloading Persian Gulf Crisis Power In The Post Cold War World. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Persian Gulf Crisis Power In The Post Cold War World any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Persian Gulf Crisis Power In The Post Cold War World Books

1. Where can I buy Persian Gulf Crisis Power In The Post Cold War World books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
