## **Public Opinion And Canadian Identity :**

*Public Opinion and Canadian Identity* Mildred A. Schwartz, 2023-11-15 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1967

Reconstructions of Canadian Identity Vander Tavares, Maria João Maciel Jorge, 2024-04-19 Re envisioning multiculturalism in Canada In 1971 Canada became the first nation in the world to officially declare its bilingual and multicultural policies Reconstructions of Canadian Identity examines what has changed over the past fifty years highlighting the lived experiences of marginalized Canadians and offering insights into the critical work that lies ahead Editors Vander Tavares and Maria Jo o Maciel Jorge bring together a wide range of disciplines and perspectives to investigate inclusion and exclusion within the processes discourses and practices that forge and frame Canadian identity Chapters analyze ways current multicultural policies continue to benefit the dominant groups and further harm minoritized ones Exposing the pitfalls of established notions of Canadian identity this volume moves traditionally othered identities immigrant racialized hybridized Indigenous and women to the forefront In doing so it reveals how these identities negotiate and claim legitimacy arguing for a reconceptualization from the margins that truly fosters diversity and inclusion Illustrating both the shortcomings of and possibilities for a more inclusive multiculturalism in Canada Reconstructions of Canadian Identity invites readers to reflect on what it means to be Canadian in the twenty first century **Celebrating Canada** Mathew

Hayday, Raymond B. Blake, 2017-01-06 Holidays are a key to helping us understand the transformation of national regional community and ethnic identities In Celebrating Canada Matthew Hayday and Raymond Blake situate Canada in an international context as they examine the history and evolution of our national and provincial holidays and annual celebrations The contributors to this volume examine such holidays as Dominion Day Victoria Day Quebec's Fête Nationale and Canadian Thanksgiving among many others They also examine how Canadians celebrate the national days of other countries like the Fourth of July and how Dominion Day was observed in the United Kingdom Drawing heavily on primary source research and theories of nationalism identities and invented traditions the essays in this collection deepen our understanding of how these holidays have influenced the evolution of Canadian identities *The European Roots of*

*Canadian Identity* Philip Resnick, 2005-04-01 What makes Canada a different kind of society from the United States In this book length essay Philip Resnick argues that in more ways than one Canada has been profoundly marked by its European origins This is most apparent where the European historical underpinnings both of English speaking and French speaking Canada are concerned but it is no less true when one examines Canada's multiple national identities robust social programs increasingly secular values and multilateral outlook on international affairs today As the war in Iraq brought home and the

2004 federal election reinforced Canada is a more European type society than is our neighbour to the south This does not come without its own complexities or problems On the contrary there are significant parallels between the ambiguous versions of national identity that one finds in Canada and what one finds on the European continent There are parallels too between the elements of self doubt that characterize Canadians overall when they think about their country and those of Europeans caught up in their own often fractious attempts to forge a more integrated Europe The author argues that Canada needs Europe as an effective counter weight to the influence of the United States He further argues that at a deeper existential level Canadians need relevant European references to better understand what makes them the kind of North Americans that they are

**Walter Gordon and the Rise of Canadian Nationalism** Stephen Azzi, 1999-05-25 Walter Gordon and the Rise of Canadian Nationalism is an examination of the origins of Walter Gordon's nationalist ideology and its impact on Canada It traces his ideas from his family influences and the intellectual currents present in his early years to his work as a chartered accountant public servant and head of a small conglomerate Drawing on extensive interviews and impressive research Azzi provides not only a biography of an important political figure but a significant study of the political and intellectual controversies that Gordon and his ideas created shedding light on the larger political and economic questions of the postwar era

**Food Will Win the War** Ian Mosby, 2014-05-21 During WWII as Canada struggled to provide its allies with food nutritionists warned that malnutrition could derail the war effort Posters admonished women and children to Eat Right Feel Right because Canada Needs You Strong while cookbooks helped housewives become housoldiers through food rationing menu substitutions and household production Food Will Win the War explores the symbolic and material transformations that food and eating underwent during the war and the profound social political and cultural changes that took place in the 1940s Through official food guides and policies the state took unprecedented steps into the kitchens of the nation transforming the way women cooked what their families ate and how people thought about food Canadians in turn rallied around food and nutrition to articulate new visions of citizenship for their postwar future

**Canada , Desiring Canada** Patricia Cormack, James Cosgrave, 2013-03-18 What do Tim Hortons Hockey Night in Canada and Rick Mercer have in common Each is a popular symbol of Canadian identity seen across the country and beyond on television and in other forms of media But whose definition of Canadian do they represent What does it mean to be Canadian Do we create our own impressions of Canadian identity or are they created for us In Desiring Canada Patricia Cormack and James F Cosgrave delve into these questions exploring the connections between popular culture media and the Canadian state Taking as their examples the popular CBC contests Tim Hortons advertising campaigns NHL hockey violence television comedy and the business of gambling this lively engaging book investigates the relationship between some of our more beloved popular expressions of national identity and the extent to which the interests of the state appeal in various ways through the popular media to the pleasures of citizens thus shaping our understanding of what it means to be Canadian

The Construction of

Canadian Identity from Abroad Christopher Kirkey, Richard Nimjean, 2022-03-20 Migration and the impact that immigrants have on Canada is and always has been central to a robust understanding of Canadian identity. However, despite claims that the world needs more Canada, Canadians, their governments, and scholars pay much less attention to the estimated 3 million Canadian expatriates who live elsewhere. *The Construction of Canadian Identity from Abroad* features Canadian scholars who live and work outside Canada or have recently returned to Canada and who write and think deeply about identity construction. What happens when that Canadian is a scholar whose teaching, research, and scholarship professional development and/or community engagement focuses directly on Canada? How does being abroad affect how we interpret Canada? In short, in what ways does externality affect how Canadian expat scholars intellectually approach, construct, and identify with Canada? This engaging volume is ideal for university students, scholars, government officials, and the general public.

**Canada** Donald J. Savoie, 2023-05-15 Canada's political structure runs contrary to North America's economic geography and the north-south economic pull. Canada imported political and administrative institutions designed for a unitary state, and its political leaders have struggled to make them work since the country was founded. Because of this, many Canadians, their communities, and their regions view themselves as victims to a greater degree than groups in other Western democracies do. Our federal government has shown a greater willingness to apologize for historical wrongs than other Western countries. Canada also outperforms other nations in helping victims make the transition to full participants in the country's political and economic life. Donald Savoie maintains that Canada continues to thrive despite the many shortcomings in its national political institutions and the tendency of Canadians to see themselves as victims, and that our history and these shortcomings have taught us the art of compromise. Canada's constitution and its political institutions amplify rather than attenuate victimization; however, they have also enabled Canadians to manage the issue better than other countries. Canadians also recognize that the alternative to Canada is worse, and this more than anything else continues to strengthen national unity. Drawing on his extensive experience in academe and as an advisor to governments, Savoie provides new insights into how Canada works for Canadians.

Ethnic Elites and Canadian Identity Aya Fujiwara, 2012-11-30 Ethnic elites—the influential business owners, teachers, and newspaper editors within distinct ethnic communities—play an important role as self-appointed mediators between their communities and mainstream societies. In *Ethnic Elites and Canadian Identity*, Aya Fujiwara examines the roles of Japanese, Ukrainian, and Scottish elites during the transition of Canadian identity from Anglo conformity to ethnic pluralism. By comparing the strategies and discourses used by each community, including rhetoric, myths, collective memories, and symbols, she reveals how prewar community leaders were driving forces in the development of multiculturalism policy. In doing so, she challenges the widely held notion that multiculturalism was a product of the 1960s, formulated and promoted by mainstream Canadians, and places the emergence of Canadian multiculturalism within a transnational context.

**Identity Discourses and Canadian Foreign Policy in the War on Terror** Taylor Robertson

McDonald,2023-03-17 This book examines how popular narratives of Canadian identity became implicated in Canada's foreign policy in the Global War on Terror McDonald argues that Canada's decisions to join the 2001 Afghanistan War yet abstain from the 2003 Iraq War became politically possible because parliamentarians linked these policies to similar narratives of an enduring Canadian identity even while reimagining their meanings These decisions are explored through politicians mobilization of three discourses Canada as America's neighbour Canada as protector of foreign civilians and Canada as a champion of multilateralism This book challenges conceptions of national identity as entirely stable or fluid and contests predominant arguments that downplay the role of identity discourses in Canadian foreign policy The relevance of these narratives is assessed by exploring the rhetoric of Canadian foreign policy in light of contemporary international challenges including the Donald Trump presidency the COVID 19 pandemic and Russia's War on Ukraine

**Encyclopedia of Bilingualism and Bilingual Education** Colin Baker,Sylvia Prys Jones,1998 This encyclopedia is divided into three sections individual bilingualism bilingualism in society and bilingual education It includes many pictures graphs maps and diagrams The book concludes with a comprehensive bibliography on bilingualism

**Muslims in the Western World** Daniel Stockemer,2022-05-23 This book provides an overview of the identity and sense of belonging of Muslims in the Western world By presenting case studies on European countries such as France the Netherlands and the UK as well as the USA and Canada it offers a comparative perspective on how Muslims feel toward and are integrated in their country of residence The respective contributions examine the sense of belonging and identity of Muslims and compare their levels of integration Furthermore they discuss the compatibility of their religious beliefs and values with the political and democratic order of their country of residence and make concrete policy recommendations The book is chiefly intended for scholars of political science and migration studies who are seeking a comparative perspective on the status quo of Muslims integration in the Western world

Transatlantic Trends in Democracy Promotion Rouba Al-Fattal Eeckelaert,2016-02-24 How did the EU US and Canada decide and implement their electoral assistance in the Palestinian Territories PT Why did the EU the US and Canada embark on assisting the elections in the PT and what factors influenced their electoral assistance What lessons can be learned for other countries approaching elections after a long period of conflict This book answers these questions and charts the process of electoral assistance with an in depth analysis of each transatlantic actor's electoral assistance in the PT It shows that despite the many institutional and operational differences between the EU the US and Canada the three actors do share common interests and influencing factors which often unify their response The book also reveals the limitations facing electoral assistance and the implications of this on the sustainability clarity consistency and responsiveness of the policy In this systematic comparative analysis of European American and Canadian efforts to assist elections and transform governance in conflict zones Rouba Al Fattal greatly advances the empirical knowledge of electoral assistance and provides the first steps needed to reform electoral assistance policy to cope with the challenges of the twenty first century

**Canadian Political Behaviour** Sylvia B. Bashevkin, 1985      Federalism, Democracy and Health Policy in Canada Queen's University (Kingston, Ont.). Institute of Intergovernmental Relations, 2001 An exploration of the ways in which federal and provincial governments relate to one another and to the citizenry in the making of health policy      National Identity and the Conflict at Oka Amelia Kalant, 2004-06 Through readings of literature canonical history texts studies of museum displays and media analysis this work explores the historical formation of myths of Canadian national identity and then how these myths were challenged and affirmed during the 1990 standoff at Oka It draws upon history literary criticism anthropology studies in nationalism and ethnicity and post colonial theory      *Politics, Canada* Paul W. Fox, 1970      **Urban Affairs** Caroline Andrew, Katherine A. Graham, Susan D. Phillips, 2002 Issues of urban policy are increasingly complex and important Whether considered from a social demographic or economic perspective Canada is overwhelmingly an urban nation and healthy prosperous cities are the key to its well being What then is our national policy toward urban affairs In Urban Affairs leading experts in a variety of disciplines explore this question Canada's last experience with national urban policy making was in the 1970s The authors focus on what has happened since exploring how both city regions and ideas about the urban policy making process have changed The authors also examine both the past and present roles of the federal government and what it can and should do in the future Contributors include Caroline Andrew Paul Born Tamarack Institute for Community Engagement Cambridge Kenneth Cameron FCIP Policy and Planning Greater Vancouver Regional District W Michael Fenn Ontario Deputy Minister of Municipal Affairs and Housing Pierre Filion University of Waterloo Katherine Graham Pierre Hamel Universit de Montr al Christopher Leo University of Winnipeg Barbara Levine World University Service of Canada Sherilyn MacGregor PhD Environmental Studies York University Warren Magnusson University of Victoria Beth Moore Milroy Ryerson University Merle Nicholds former Mayor of Kanata Evelyn Peters University of Saskatchewan Susan Phillips Valerie Preston York University Andrew Sancton University of Western Ontario Lisa Shaw Canadian Centre for Policy Alternatives Enid Slack Enid Slack Consulting Inc Sherri Torjman Caledon Institute of Social Policy Carolyn Whitzman doctoral candidate School of Geography and Geology McMaster University David Wolfe University of Toronto and Madeleine Wong University of Wisconsin
