## **Public Policy And Social Issues Jewish Sources And Perspectives:**

*Public Policy and Social Issues* Marshall J. Breger, 2003-12-30 Designing public policies to meet the needs of a diverse society is challenging and the variety of necessary perspectives are often clouded by competing ideas about social responsibility personal freedom religious beliefs and governmental intervention Here prominent Jewish scholars and commentators address various social issues and public policies from a Jewish perspective using Jewish sources and documents to elucidate responses and propose solutions that are in keeping with Jewish law as set out by the major documents of the Jewish faith Abortion stem cell research welfare reform euthanasia genetic engineering and other hot button issues are topics of primary concern to politicians lawmakers religious leaders and ordinary citizens alike Designing public policies to meet the needs of a diverse society is challenging and the variety of necessary perspectives are often clouded by competing ideas about social responsibility personal freedom religious beliefs and governmental intervention Here prominent Jewish scholars and commentators address various social issues and public policies from a Jewish perspective using Jewish sources and documents to elucidate responses and propose solutions that are in keeping with Jewish law as set out by the major documents of the Jewish faith Their conclusions about ways to consider issues of public concern and private consideration and their adherence to conservative politics may surprise readers What emerges is the notion that Jewish thought can contribute to the American political discourse and is available to anyone looking for answers to today's toughest questions Creating a public policy to address social issues that is both responsible and morally guided can be a difficult proposition for lawmakers Making personal decisions about these same issues can be even more difficult as people struggle for guidance Addressing many of the issues that are hotly debated in the media and in the corridors of our government conservative reform and orthodox commentators carefully outline an approach for lawmakers and individuals This approach incorporates Jewish law into a public policy philosophy that is both conservative leaning and politically available Taken as a whole the essays underscore that Jewish tradition mostly albeit not invariably leads one to the politically conservative side of the aisle

**Public Policy and Social Issues** Marshall J. Breger, 2003 *A Code of Jewish Ethics:*

*Volume 1* Rabbi Joseph Telushkin, 2009-02-04 *A Code of Jewish Ethics Volume 1* You Shall Be Holy is the initial volume of the first major code of Jewish ethics to be written in the English language It is a monumental work on the vital topic of personal character and integrity by one of the premier Jewish scholars and thinkers of our time With the stated purpose of restoring ethics to its central role in Judaism Rabbi Joseph Telushkin offers hundreds of examples from the Torah the Talmud rabbinic commentaries and contemporary stories to illustrate how ethical teachings can affect our daily behavior The subjects dealt with are ones we all encounter They include judging other people fairly knowing when forgiveness is obligatory optional or forbidden balancing humility and self esteem avoiding speech that shames others restraining our impulses of envy hatred and revenge valuing truth but knowing when lying is permitted understanding why God is the ultimate basis of morality and

appreciating the great benefits of Torah study Telushkin has arranged the book in the traditional style of Jewish codes with topical chapters and numbered paragraphs Statements of law are almost invariably followed by anecdotes illustrating how these principles have been or can be practiced in daily life The book can be read straight through to provide a solid grounding in Jewish values consulted as a reference when facing ethical dilemmas or studied in a group Vast in scope this volume distills more than three thousand years of Jewish laws and suggestions on how to improve one's character and become more honest decent and just It is a landmark work of scholarship that is sure to influence the lives of Jews for generations to come rich with questions to ponder and discuss but primarily a book to live by

**Economic Morality and Jewish Law** Aaron Levine, 2012-08-16 Economic Morality and Jewish Law compares the way in which welfare economics and Jewish law determine the propriety of an economic action whether by a private citizen or the government Issues explored include negative externalities price controls the lemons problem the living wage and short selling

**A Code of Jewish Ethics: You shall be holy** Joseph Telushkin, 2006 Presents the first major code of Jewish ethics to be written in English offering examples from the Torah the Talmud rabbinic commentaries and modern stories to show how ethical teachings can influence daily behavior

**Spiritual Perspectives on Globalization (2nd Edition)** Ira Rifkin, 2013-03-21 What is globalization anyway What are spiritually minded people on all sides of the issue doing and saying about it The economic and cultural dynamic of globalization is transforming the world at an unprecedented pace But what exactly is it What are its origins What is its impact on our spiritual lives This lucid introduction surveys the religious landscape explaining in clear and nonjudgmental language the beliefs that motivate spiritual leaders activists theologians academics and others involved on all sides of the issue Included are the points of view of Bah'is Buddhists Earth based and tribal religions Hindus Jews Muslims Protestants Roman Catholics Unlike other books on this controversial issue this easy to read introduction won't tell you what to think it gives you the information you need to reach your own conclusions As important as economics may be it is not as the great religions stress the full measure of humanity There is also connection to self to others to the ingrained values that have sustained cultures for generations and millennia and to the belief in transcendence that gives it all meaning In the end what unnerves people most about globalization including many in the West who may fairly be said to be on the winning side economically that is of the process so far is the threat it poses to that which is most precious to a life of satisfaction our sense of meaning from the Conclusion

**Encyclopedia of World Poverty** Mehmet Odekon, 2006 Provides extensive and current information as well as insight into the contemporary debate on poverty and contains over 800 original articles written by more than 125 renowned scholars

**Jonathan Sacks: Universalizing Particularity** Hava Tirosh-Samuelson, Aaron W. Hughes, 2013-08-30 This volume features the thought and writings of Jonathan Sacks one of today's leading Jewish public thinkers It brings together an intellectual portrait four of his most original and influential philosophical essays and an interview with him This volume showcases the work of Sacks a philosopher who seeks to confront and offer solutions to the

numerous problems besetting Judaism and its confrontation with modernity In addition the reader will also encounter an important social philosopher and proponent of interfaith dialogue who articulates how it is possible to cultivate a culture of civility based on the twin notions of the dignity of difference and the ethic of responsibility Jonathan Sacks has been Chief Rabbi of the United Hebrew Congregations of the Commonwealth from September 1991 to September 2013 and a member of the House of Lords since 2009

**Judaism and Justice** Sidney Schwarz,2008 The first state of the art comprehensive resource to encompass the wide breadth of the rapidly growing field of Judaism and health For Jews religion and medicine and science are not inherently in conflict even within the Torah observant community but rather can be friendly partners in the pursuit of wholesome ends such as truth healing and the advancement of humankind from the Introduction This authoritative volume part professional handbook part scholarly resource and part source of practical information for laypeople melds the seemingly disparate elements of Judaism and health into a truly multidisciplinary collective enhancing the work within each area and creating new possibilities for synergy across disciplines It is ideal for medical and healthcare providers rabbis educators academic scholars healthcare researchers and caregivers congregational leaders and laypeople with an interest in the most recent and most exciting developments in this new important field

**Narratives and Jewish Bioethics** J. Crane,2013-03-19 Narratives and Jewish Bioethics searches for answers to the critical question of what roles ancient narratives play in creating modern norms by Jewish bioethicists utilizing the Jewish textual tradition

Battleground: Religion Daniel L. Smith-Christopher,2008-12-30 Is there a controversial issue in the contemporary world that does not involve religion Whether it s a debate over the beginning of life or on sexuality and family life or on the stewardship of humans over the environment almost all of the most contentious matters that impact today s society involve people s deeply held religious beliefs Battleground Religion helps clarify these complex topics by examining how various religious beliefs and practices impact current political social and cultural debates Each of the approximately 100 entries examines a hot button issue from war and peace to the culture wars and discusses in a balanced and objective way the points of view on these topics from all parts of the religious spectrum Students will come away from Battleground Religion with a better understanding of the issues that they will be encountering for years to come Each entry includes a bibliography or resources for further information

**The Land Is Full** Alon Tal,2016-08-09 During the past sixty eight years Israel s population has increased from one to eight million people Such exponential growth has produced acute environmental and social crises in this tiny country Alon Tal one of Israel s foremost environmentalists considers the ramifications of the extraordinary demographic shift from burgeoning pollution and dwindling natural resources to overburdened infrastructure and overcrowding Based on extensive fieldwork and interviews the book examines the origins of Israel s population policies and how they must change to support a sustainable future

*Indigenous Knowledge and Mental Health* David Danto,Masood Zangeneh,2022-01-04 This book brings together Indigenous and allied experts addressing mental health

among Indigenous peoples across the traditional territories commonly known as the Americas e g Canada US Caribbean Islands Mexico Bolivia Venezuela Ecuador and Brazil Asia e g China Korea Japan Taiwan and Indonesia Africa e g South Africa Central and West Africa and Oceania New Guinea and Australia to exchange knowledge perspectives and methods for mental health research and service delivery Around the world Indigenous peoples have experienced marginalization rapid culture change and absorption into a global economy with little regard for their needs or autonomy This cultural discontinuity has been linked to high rates of depression substance abuse suicide and violence in many communities with the most dramatic impact on youth Nevertheless Indigenous knowledge tradition and practice have remained central to wellbeing resilience and mental health in these populations Such is the focus of this book **Europe's Welfare Traditions**

**Since 1500, Volume 1** Thomas McStay Adams, 2023-01-26 Tracing the interwoven traditions of modern welfare states in Europe over five centuries Thomas McStay Adams explores social welfare from Portugal France and Italy to Britain Belgium and Germany He shows that the provision of assistance to those in need has faced recognizably similar challenges from the 16th century through to the present how to allocate aid equitably and with dignity how to give support without undermining autonomy and motivation and how to balance private and public spheres of action and responsibility Across two authoritative volumes Adams reveals how social welfare administrators critics and improvers have engaged in a constant exchange of models and experience locally and across Europe The narrative begins with the founding of the Casa da Misericordia of Lisbon in 1498 a model replicated throughout Portugal and its empire and ends with the relaunch of a social agenda for the European Union at the meeting of the Council of Europe in Lisbon in 2000 Volume 1 which focuses on the period from 1500 to 1700 discusses the concepts of welfare and tradition It looks at how 16th century humanists joined with merchants and lawyers to renew traditional charity in distinctly modern forms and how the discipline of religious reform affected the exercise of political authority and the promotion of economic productivity Volume 2 examines 18th century bienfaisance which secularized a Christian humanist notion of beneficence producing new and sharply contested assertions of social citizenship It goes on to consider how national struggles to establish comprehensive welfare states since the second half of the 19th century built on the power of the vote as politicians pushed by activists and advised by experts appealed to a growing class of industrial workers Lastly it looks at how 20th century welfare states addressed aspirations for social citizenship while the institutional framework for European economic cooperation came to fruition **The Activist WPA**

Linda Adler-Kassner, 2008-04-10 One wonders if there is any academic field that doesn't suffer from the way it is portrayed by the media by politicians by pundits and other publics How well scholars in a discipline articulate their own definition can influence not only issues of image but the very success of the discipline in serving students and its other constituencies The Activist WPA is an effort to address this range of issues for the field of English composition in the age of the Spellings Commission and the No Child Left Behind Act Drawing on recent developments in framing theory and the resurgent

traditions of progressive organizers Linda Adler Kassner calls upon composition teachers and administrators to develop strategic programs of collective action that do justice to composition's best principles Adler Kassner argues that the story of college composition can be changed only when writing scholars bring the wonders down to articulate a theory framework that is pragmatic and intelligible to those outside the field and then create messages that reference that framework In The Activist WPA she makes a case for developing a more integrated vision of outreach English education and writing program administration

**There Shall Be No Needy** Rabbi Jill Jacobs, 2010-04-01 How can a Jewish approach to social justice offer positive change for America Ancient texts offer significant wisdom about human nature economic cycles the causes of inequality and our obligations to each other These insights can inform our own approaches to current issues challenge our assumptions and force us to consider alternative approaches The conversation between our texts and our lives can enrich our experience of both from the Introduction Confront the most pressing issues of twenty first century America in this fascinating book which brings together classical Jewish sources contemporary policy debate and real life stories Rabbi Jill Jacobs a leading young voice in the social justice arena makes a powerful argument for participation in the American public square from a deeply Jewish perspective while deepening our understanding of the relationship between Judaism and such current social issues as Poverty and the Poor Collection and Allocation of Tzedakah Workers Employers and Unions Housing the Homeless The Provision of Health Care Environmental Sustainability Crime Punishment and Rehabilitation By creating a dialogue between traditional texts and current realities Jacobs presents a template for engagement in public life from a Jewish perspective and challenges us to renew our obligations to each other
