Zachariah Chandler (Illustrations) Detroit Post,Tribune,2015-11-12 It is stated elsewhere that this work is written By The Detroit Post and Tribune Unusual as this form of announcement is on the title pages of books there certainly may be an authorial as well as an editorial impersonality in this case the phrase succinctly expresses the fact namely that the volume represents the joint labors of the staff of The Post and Tribune alike in the collection and the treatment of its material While its preparation has been almost wholly a matter of original research such use as was necessary has been made of historical data contained in The Centennial History of Bedford N H published in 1851 in Horace Greeley s American Conflict and in Henry Wilson s History of the Rise and Fall of the Slave Power Needed information has been furnished by those intimately connected with Mr Chandler but the work has not been submitted to their revision and they are not responsible for the form of the narrative nor for the personal estimate it embodies This book presents a sketch of the life and the public services of a remarkable man It has been written from the standpoint of political sympathy and with the hope of deepening the wholesome influences so powerfully exerted upon public sentiment in his lifetime by Zachariah Chandler The aim has been to make it accurate in statement and to see that its chapters should fairly draw in outline at least the picture of the career of a genuine leader of men Zachariah Chandler HardPress,Pierson Arthur T (Arthur Ta 1837-1911,2013-12 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches
