

# Counterpublics

- Marked off from “any general or dominant public” (84)
- “A counterpublic maintains at some level, conscious or not, an awareness of its subordinate status” (86)
- Like general publics, it is addressed to strangers, but not just any strangers—counterpublics are addressed to people “marked by their participation in this kind of discourse; ordinary people are presumed to not want to be mistaken for the kind of person who would participate in this kind of talk or be present in this kind of scene” (86)

## **Publics And Counterpublics:**

**Publics and Counterpublics** Michael Warner, 2021-07-06 Publics and Counterpublics revolves around a central question What is a public The idea of a public is a cultural form a kind of practical fiction present in the modern world in a way that is very different from other or earlier societies Like the idea of rights or nations or markets it can now seem universal But it has not always been so Publics exist only by virtue of their imagining They are a kind of fiction that has taken on life and very potent life at that Publics have some regular properties as a form with powerful implications for the way our social world takes shape but much of modern life involves struggles over the nature of publics and their interrelation There are ambiguities even contradictions in the idea of a public As it is extended to new contexts and media new politics and rhetorics its meaning can be seen to change in ways that we have scarcely begun to appreciate By combining historical analysis theoretical reflection and extended case studies Publics and Counterpublics shows how the idea of a public works as a formal device in modern culture and traces its implications for contemporary life Michael Warner offers a revisionist account at the junction of two intellectual traditions with which he has been associated public sphere theory and queer theory To public sphere theory this book brings a new emphasis on cultural forms and a new focus on the dynamics of counterpublics To queer theory it brings a new way of seeing how queer culture among other examples is shaped by the counterpublic environment

*Worlding Postcolonial Sexualities* Kanika Batra, 2021-08-01 *Worlding Postcolonial Sexualities* demonstrates how late twentieth century postcolonial print cultures initiated a public discourse on sexual activism and contends that postcolonial feminist and queer archives offer alternative histories of sexual precarity vulnerability and resistance The book's comparative focus on India Jamaica and South Africa extends the valences of postcolonial feminist and queer studies towards a historical examination of South South interactions in the theory and praxis of sexual rights Analyzing the circumstances of production and the contents of English language and intermittently bilingual magazines and newsletters published between the late 1970s and the late 1990s these sources offer a way to examine the convergences and divergences between postcolonial feminist gay and lesbian activism It charts a set of concerns common to feminist gay and lesbian activist literature retrogressive colonial era legislation impacting the status of women and sexual minorities a marked increase in sexual violence piecemeal reproductive freedoms and sexual choice under neoliberalism the emergence and management of the HIV AIDS crisis precariousness of lesbian and transgender concerns within feminist and LGBTQ movements and Non Governmental Organizations as major actors articulating sexual rights as human rights This methodologically innovative work is based on archival historical research analyses of national and international policy documents close readings of activist publications and conversations with activists and founding editors This is an important intervention in the field of gender and sexuality studies and is the winner of the 2020 Feminist Futures Subversive Histories prize in partnership with the NWSA The book is key reading for scholars and students in gender sexuality comparative

literature and postcolonial studies Chapter 3 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

**LGBTQs, Media and Culture in Europe** Alexander Dhoest, Lukasz Szulc, Bart Eeckhout, 2016-11-10 Media matter particularly to social minorities like lesbian gay bisexual transgender and queer people Rather than one homogenised idea of the global gay what we find today is a range of historically and culturally specific expressions of gender and sexuality which are reflected and explored across an ever increasing range of media outlets This collection zooms in on a number of facets of this kaleidoscope each chapter discussing the intersection of a particular European context and a particular medium with its affordances and limitations While traditional mass media form the starting point of this book the primary focus is on digital media such as blogs social media and online dating sites All contributions are based on recent original empirical research using a plethora of qualitative methods to offer a holistic view on the ways media matter to particular LGBTQ individuals and communities Together the chapters cover the diversity of European countries and regions of LGBTQ communities and of the contemporary media ecology Resisting the urge to extrapolate they argue for specificity contextualisation and a provincialized understanding of the connections between media culture gender and sexuality Organic Public Engagement

Adam S. Lerner, Pat J. Gehrke, 2017-10-03 This book advances organic public engagement methods based on ecological thinking The authors draw on rich multi disciplinary literature in ecological thinking as well as research from public engagement with science events held over the past several years across the United States Through this combination of ecology theory and case studies this book provides both the conceptual foundations and the proven practical applications of public engagement grounded in ecological thinking It offers engagement scholars an effective and efficient means of carrying out their missions while simultaneously building a more ecologically valid method for studying actually existing publics

*Counterpublics and the State* Robert Asen, Daniel C. Brouwer, 2001-09-27 In the form of demonstrations social movements guerrilla warfare and internet hacktivism political dissidents or counterpublics challenge the state and assert themselves upon the public stage At stake in such engagements are profound issues of political and economic redistribution individual and collective rights political legitimacy social stability and identity This book explores encounters between marginalized people and states to better understand the contours of social controversy and social transformation borne from conflict

Readings in Rhetorical Fieldwork Samantha Senda-Cook, Aaron Hess, Michael Middleton, Danielle Endres, 2018-09-05 Readings in Rhetorical Fieldwork compiles foundational articles highlighting the development of fieldwork in rhetorical criticism Presenting a wide variety of approaches the volume begins with a section establishing the starting points for the development of fieldwork in rhetorical criticism and then examines five topics Space Public Memory Publics and Counterpublics Advocacy and Activism and Science Technology and Medicine Within these sections readers evaluate a full spectrum of methods from interviews to oral histories to participant observation This volume is invaluable for advanced

undergraduate and graduate students of rhetorical criticism rhetorical fieldwork and qualitative methods looking for a comprehensive overview of the development of rhetorical fieldwork

**Protest Publics** Nina Belyaeva, Victor Albert, Dmitry G. Zaytsev, 2019-05-10 This book examines the waves of protest that broke out in the 2010s as the collective actions of self organized publics Drawing on theories of publics counter publics and developing an analytical framework that allows the comparison of different country cases this volume explores the transformation from spontaneous demonstrations driven by civic outrage against injustice to more institutionalized forms of protest Presenting comparative research and case studies on e g the Portuguese Generation in Trouble the Arab Spring in Northern Africa or Occupy Wall Street in the USA the authors explore how protest publics emerge and evolve in very different ways from creating many small citizen groups focused on particular projects to more articulated political agendas for both state and society These protest publics have provoked and legitimized concrete socio political changes altering the balance of power in specific political spaces and in some cases generating profound moments of instability that can lead both to revolutions and to peaceful transformations of political institutions The authors argue that this recent wave of protests is driven by a new type of social actor self organized publics In some cases these protest publics can lead to democratic reform and redistributive policies while in others they can produce destabilization ethnic and nationalist populism and authoritarianism This book will help readers to better understand how seemingly spontaneous public events and protests evolve into meaningful well structured collective action and come to shape political processes in diverse regions of the globe

**Negotiating in/visibility** Amelia Bonea, Irina Nastasa-Matei, 2025-08-05 This volume brings together scholars from different disciplinary backgrounds to discuss how women contributed to the making pedagogy institutionalisation and communication of scientific knowledge in the twentieth century and to reflect on the theoretical and methodological challenges of documenting such hidden contributions Featuring examples from China former Czechoslovakia Greece Hungary India Japan Romania the United Kingdom and the United States the contributors discuss women s engagement with science across different institutional and non institutional sites ranging from the laboratory and the school to the clinic the home and the media The volume moves beyond the professional scientist model to enlarge our understanding of women s participation in twentieth century science and document the complex combination of factors that rendered such contributions in visible to contemporaries and future generations

**The Routledge Companion to Actor-Network Theory** Anders Blok, Ignacio Farias, Celia Roberts, 2019-06-17 This companion explores ANT as an intellectual practice tracking its movements and engagements with a wide range of other academic and activist projects Showcasing the work of a diverse set of second generation ANT scholars from around the world it highlights the exciting depth and breadth of contemporary ANT and its future possibilities The companion has 38 chapters each answering a key question about ANT and its capacities Early chapters explore ANT as an intellectual practice and highlight ANT s dialogues with other fields and key theorists Others open critical provocative discussions of its limitations Later

sections explore how ANT has been developed in a range of social scientific fields and how it has been used to explore a wide range of scales and sites Chapters in the final section discuss ANT's involvement in real world endeavours such as disability and environmental activism and even running a Chilean hospital Each chapter contains an overview of relevant work and introduces original examples and ideas from the authors recent research The chapters orient readers in rich complex fields and can be read in any order or combination Throughout the volume authors mobilise ANT to explore and account for a range of exciting case studies from wheelchair activism to parliamentary decision making from racial profiling to energy consumption monitoring from queer sex to Korean cities A comprehensive introduction by the editors explores the significance of ANT more broadly and provides an overview of the volume The Routledge Companion to Actor Network Theory will be an inspiring and lively companion to academics and advanced undergraduates and postgraduates from across many disciplines across the social sciences including Sociology Geography Politics and Urban Studies Environmental Studies and STS and anyone wishing to engage with ANT to understand what it has already been used to do and to imagine what it might do in the future

*What Democracy Looks Like* Christina R. Foust, Amy Pason, Kate Zittlow Rogness, 2017-05-16 A compelling and timely collection that combines two distinct but related theories in rhetoric and communication studies

Cruising and Queer Counterpublics Jennifer Elizabeth Moon, 2006

*Feminist Media History* M. DiCenzo, 2010-11-24 Highlighting the contributions of feminist media history to media studies and related disciplines this book focuses on feminist periodicals emerging from or reacting to the Edwardian suffrage campaign and situates them in the context of current debates about the public sphere social movements and media history

*The Spectre of Promiscuity* Christian Klesse, 2016-03-03 Wide ranging research suggests that partners in gay male and bisexual relationships do not necessarily expect monogamy or see it as an important issue Although the frequency of gay male and bisexual non monogamous partnerships tends to be widely acknowledged in social science literature these relationships have rarely been explored in more detail By providing rich empirical data thoughtful analysis and theoretical debate this book makes a significant contribution to the sociological literature on sexual and intimate relationships More specifically it explores the diversity of gay male and bisexual relationship practices in the context of heteronormative citizenship and intra social movement conflict and highlights the complexity of power relations that circumscribe queer people's relationships and sexual lives Written in an accessible and engaging manner The Spectre of Promiscuity provides important insights for further studies on sexual culture discourse citizenship politics and ethics

*The SAGE Handbook of Rhetorical Studies* Andrea A. Lunsford, Kirt H. Wilson, Rosa A. Eberly, 2008-10-29 The SAGE Handbook of Rhetorical Studies surveys the latest advances in rhetorical scholarship synthesizing theories and practices across major areas of study in the field and pointing the way for future studies Edited by Andrea A Lunsford and Associate Editors Kirt H Wilson and Rosa A Eberly the Handbook aims to introduce a new generation of students to rhetorical study and provide a deeply informed and ready resource for scholars currently

working in the field Key Features Brings together scholars from across the disciplines of Speech Communication English and Writing Studies While rhetoric is by definition interdisciplinary self identified scholars in the field are most often institutionally separated from one another This Handbook bridges this divide by providing a refreshing range of transdisciplinary views on the nature status definition and scope of rhetoric today Offers a thorough going overview of rhetorical studies today Organized in four sections Historical Studies in Rhetoric Rhetoric Across the Disciplines Rhetoric and Pedagogy and Rhetoric and Public Discourse the volume provides a single resource for engaging rhetorical studies Underscores the importance of rhetoric to education across a wide range of disciplines as well as to effective participation in public arenas Thus the volume connects rhetoric s long teaching tradition to an activist agenda for informed civic engagement Addresses methodological and theoretical difficulties and offers means of negotiating them Provides one of the first introductions to rhetorical studies across cultures and to the related debates concerning comparative and contrastive rhetorics

Like Wildfire Sean Patrick O'Rourke, Lesli K. Pace, 2020-06-02 The sit ins of the American civil rights movement were extraordinary acts of dissent in an age marked by protest By sitting in at whites only lunch counters libraries beaches swimming pools skating rinks and churches young African Americans and their allies put their lives on the line fully aware that their actions would almost inevitably incite hateful violent responses from entrenched and increasingly desperate white segregationists And yet they did so in great numbers most estimates suggest that in 1960 alone more than seventy thousand young people participated in sit ins across the American South and more than three thousand were arrested The simplicity and purity of the act of sitting in coupled with the dignity and grace exhibited by participants lent to the sit in movement s sanctity and peaceful power In Like Wildfire editors Sean Patrick O'Rourke and Lesli K Pace seek to clarify and analyze the power of civil rights sit ins as rhetorical acts persuasive campaigns designed to alter perceptions of apartheid social structures and to change the attitudes laws and policies that supported those structures These cohesive essays from leading scholars offer a new appraisal of the origins growth and legacy of the sit ins which has gone largely ignored in scholarly literature The authors examine different forms of sitting in and the evolution of the rhetorical dynamics of sit in protests detailing the organizational strategies they employed and connecting them to later protests By focusing on the persuasive power of demanding space the contributors articulate the ways in which the protestors battle for basic civil rights shaped social practices laws and the national dialogue O'Rourke and Pace maintain that the legacies of the civil rights sit ins have been many complicated and at times undervalued

**Freedom of Speech and the Function of Rhetoric in the United States** Michael Donnelly, 2016-11-30 This book is about Freedom of Speech and public discourse in the United States Freedom of Speech is a major component of the cultural context in which we live think work and write generally revered as the foundation of true democracy But the issue has a great deal more to do with social norms rooted in a web of cultural assumptions about the function of rhetoric in social organization generally and in a democratic society specifically The

dominant liberal notion of free speech in the United States assumed to be self evidently true is in fact a particular historical and cultural formation rooted in Enlightenment philosophies and dependent on a collection of false narratives about the founding of the country the role of speech and media in its development and the relationship between capitalism and democracy Most importantly this notion of freedom of speech relies on a warped sense of the function of rhetoric in democratic social organization By privileging individual expression at the expense of democratic deliberation the liberal notion of free speech functions largely to suppress rather than promote meaningful public discussion and debate and works to sustain unequal relations of power The presumed democratization of the public sphere via the Internet raises more questions than it answers who has access and who doesn't who commands attention and why and what sorts of effects such expression actually has We need to think a great deal more carefully about the values subsumed and ignored in an uncritical attachment to a particular version of the public sphere This book seeks to illuminate the ways in which cultural framing diminishes the complexity of free speech and sublimates a range of value choices A more fully democratic society requires a more critical view of freedom of speech

### **Tactics and Emancipation in the Age of Authoritarian Neoliberalism**

Nicholas Kiersey, William W. Sokoloff, 2023-04-11 This book calls for new attention to non traditional forms of emancipatory tactics and welcomes to the fold all manner of everyday expressions of anti authoritarianism Capitalism has taken the mask off Elites feel less obliged to pursue strategies of popular legitimization The traditional institutions of representative democracies are thus hollowing out and stand before us corrupted and broken In this milieu the prospects for a democratic entering of the state are seen as increasingly fantastical and the Left is advised instead to adopt a more tactical posture These expressions can run the gamut from the more obviously theatrical antics of The Yes Men to those of black bloc and other direct action militant groups already well known from their interventions in the cities of Berkeley and Charlottesville This volume addresses this problem via the concept of tactics The point is less to prescribe an ideal range of tactics but rather to consider a broader range of resistances from the struggles of indigenous peoples to those who seek refuge from gender or citizenship based discrimination to those who seek to defend black lives from militarized policing Tactics and Emancipation in the Age of Authoritarian Neoliberalism will be a beneficial read for students and scholars of Critical Political Science International Relations and International Political Economy The chapters in this book were originally published as a special issue of New Political Science

### **Young People and the Future of News** Lynn Schofield Clark, Regina

Marchi, 2017-09-21 Young People and the Future of News traces the practices that are evolving as young people come to see news increasingly as something shared via social networks and social media rather than produced and circulated solely by professional news organizations The book introduces the concept of connective journalism clarifying the role of creating and sharing stories online as a key precursor to collective and connective political action At the center of the story are high school students from low income minority and immigrant communities who often feel underserved or misrepresented by

mainstream media but express a strong interest in politics and their communities Drawing on in depth field work in three major urban areas over the course of ten years *Young People and the Future of News* sheds light on how young people share news that they think others should know about express solidarity and bring into being new publics and counter publics

**Political Adaptation in Canadian Theatre** Kailin Wright, 2020-09-23 In Canada adaptation is a national mode of survival but it is also a way to create radical change Throughout history Canadians have been inheritors and adaptors of political systems stories and customs from the old world and the new More than updating popular narratives adaptation informs understandings of culture race gender and sexuality as well as individual experiences In *Political Adaptation in Canadian Theatre* Kailin Wright investigates adaptations that retell popular stories with a political purpose and examines how they acknowledge diverse realities and transform our past *Political Adaptation in Canadian Theatre* explores adaptations of Canadian history Shakespeare Greek mythologies and Indigenous history by playwrights who identify as English Canadian African Canadian French Canadian Kuna Rappahannock and Delaware from the Six Nations Along with new considerations of the activist potential of popular Canadian theatre this book outlines eight strategies that adaptors employ to challenge conceptions of what it means to be Indigenous Black queer or female Recent cancellations of theatre productions whose creators borrowed elements from minority cultures demonstrate the need for a distinction between political adaptation and cultural appropriation Wright builds on Linda Hutcheon's definition of adaptation as repetition with difference and applies identification theory to illustrate how political adaptation at once underlines and undermines its canonical source An exciting intervention in adaptation studies *Political Adaptation in Canadian Theatre* unsettles the dynamics of popular and political theatre and rethinks the ways performance can contribute to how one country defines itself

**American Counter/Publics** Ulla Haselstein, Frank Kelleter, Alexander Starre, Birte Wege, 2020-01-29 The public sphere an idea with deep roots in the European enlightenment has always been a contested concept in American culture and society American intellectuals artists politicians and activists have stressed the non unitary diversified and oppositional dynamics of all things public From the early days of the American republic competing interest groups and commercial mass media first newspapers novels and the theater then radio television and the internet have worked to pluralize public speech and public action and ultimately the notion of publicness itself This essay collection explores the public sphere in North America as a multi agential commercially embattled highly mediated and ultimately trans nationalized aggregate of publics and counterpublics The contributors present innovative theoretical and historical assessments of American counter publics across an array of fields including social activism political communication literary discourse and contemporary mass media
