in the vicinity The resulting fragrance tempted the Emperor to sip this refreshing brew And soon everybody in China was steeping the leaves of the Camellia in hot water and drinking the resulting infusion down It was only later that the proper preparation of tea in the form of drying the leaves fermentation oxidization and other tea preparation methods before it was packaged and sold to the consumers became known globally down the ages The Camellia sinensis plant is normally used for the preparation of green tea The tea available in the market is normally found in 3 forms black tea green tea and oolong tea All these teas are made through different phases of drying and intensity of the fermentation process About 3 billion kgs of tea are consumed all over the world annually of which the major tea drinkers are the Chinese Japanese Indians which come up to 43% of the world population of tea drinkers In ancient Eastern medicine tea has been used as a relaxant and healing drink According to the Chinese drinking lots of tea meant that you would not suffer from stomach problems headaches nervous tension and any other disease of which you could think For the last 4000 years tea has been an important ingredient used to cure people in alternative medicines in the East

Everyday Life in the German Book Trade Pamela E.

Selwyn,2000-11-15 In his popular book The Germans 1982 Stanford historian Gordon Craig remarked When German intellectuals at the end of the eighteenth century talked of living in a Frederician age they were sometimes referring not to the monarch in Sans Souci but to his namesake the Berlin bookseller Friedrich Nicolai Such was the importance attributed to Nicolai s role in the intellectual life of his age by his own contemporaries While long neglected by students of the period who tended to accept the caricature of him as a philistine who failed to recognize Goethe s genius Nicolai has experienced a resurgence of interest among scholars reexploring the German Enlightenment and the literary marketplace of the eighteenth century This book drawing upon Nicolai s large unpublished correspondence rounds out the picture we have of Nicolai already as author and critic by focusing on his roles as bookseller and publisher and as an Aufk rer in the book trade
