

Puerto Rico And The Puerto Ricans

Jorge Duany

Puerto Rico And The Puerto Ricans:

The Puerto Ricans in America Ronald J. Larsen, 1973 A brief history of Puerto Rico Puerto Rican immigration to the mainland and the individual contributions of Puerto Ricans to American life and culture **Puerto Rico** Jorge Duany, 2017 Acquired by the United States from Spain in 1898 Puerto Rico has a peculiar status among Latin American and Caribbean countries As a Commonwealth the island enjoys limited autonomy over local matters but the U S has dominated it militarily politically and economically for much of its recent history Though they are U S citizens Puerto Ricans do not have their own voting representatives in Congress and cannot vote in presidential elections although they are able to participate in the primaries The island's status is a topic of perennial debate both within and beyond its shores In recent months its colossal public debt has sparked an economic crisis that has catapulted it onto the national stage and intensified the exodus to the U S bringing to the fore many of the unresolved remnants of its colonial history Puerto Rico What Everyone Needs to Know R provides a succinct authoritative introduction to the Island's rich history culture politics and economy The book begins with a historical overview of Puerto Rico during the Spanish colonial period 1493 1898 It then focuses on the first five decades of the U S colonial regime particularly its efforts to control local political and economic institutions as well as to Americanize the Island's culture and language Jorge Duany delves into the demographic economic political and cultural features of contemporary Puerto Rico the inner workings of the Commonwealth government and the island's relationship to the United States Lastly the book explores the massive population displacement that has characterized Puerto Rico since the mid 20th century Despite their ongoing colonial dilemma Jorge Duany argues that Puerto Ricans display a strong national identity as a Spanish speaking Afro Hispanic Caribbean nation While a popular tourist destination few beyond its shores are familiar with its complex history and diverse culture Duany takes on the task of educating readers on the most important facets of the unique troubled but much beloved isla del encanto *The Puerto Rican Nation on the Move* Jorge Duany, 2003-10-15 Puerto Ricans maintain a vibrant identity that bridges two very different places the island of Puerto Rico and the U S mainland Whether they live on the island in the States or divide time between the two most imagine Puerto Rico as a separate nation and view themselves primarily as Puerto Rican At the same time Puerto Ricans have been U S citizens since 1917 and Puerto Rico has been a U S commonwealth since 1952 Jorge Duany uses previously untapped primary sources to bring new insights to questions of Puerto Rican identity nationalism and migration Drawing a distinction between political and cultural nationalism Duany argues that the Puerto Rican nation must be understood as a new kind of translocal entity with deep cultural continuities He documents a strong sharing of culture between island and mainland with diasporic communities tightly linked to island life by a steady circular migration Duany explores the Puerto Rican sense of nationhood by looking at cultural representations produced by Puerto Ricans and considering how others American anthropologists photographers and museum curators for example have represented the nation His sources of information include ethnographic fieldwork

archival research interviews surveys censuses newspaper articles personal documents and literary texts Puerto Rico and the Puerto Ricans Clifford A. Hauberg,1975 **Puerto Ricans in the United States** María E. Pérez y González,2000-08-30 Puerto Ricans in the United States begins by presenting Puerto Rico the land the people and the culture The island s invasion by U S forces in 1898 set the stage for our intertwined relationship to the present day P rez y Gonz lez brings to life important historical events leading to immigration to the United States particularly to the large northeastern cities such as New York The narrative highlights Puerto Ricans adjustment and adaptation in this country through the media institutions language and culture A wealth of information is given on socioeconomic status including demographics employment education opportunities and poverty and public assistance The discussions on the struggles of this group for affordable housing issues of women and children particular obstacles to obtaining appropriate health care including the epidemic of AIDS and race relations are especially insightful The final chapter on Puerto Ricans impact on U S society highlights their positive contributions in a wide range of fields **Islands of Resistance** Mario Murillo,2011-01-04 While 1998 marked the 100th anniversary of the United States invasion and takeover of Puerto Rico it wasn t until 1999 that the island s political movements reappeared on the radar screen of the American people That year two major developments occurred that transformed the relationship between Puerto Rico and Washington D C the limited clemency granted by then President Clinton to eleven Puerto Rican Nationalists and the death of Puerto Rican civilian security guard David Sanes killed by missile fragments from U S naval bombing tests on the island municipality of Vieques How does Vieques fit into the political future of Puerto Rico While anti Navy protesters are careful not to mix the island s political status options with their battle against the Navy it is important to understand the role Washington has played in shaping Puerto Rico s current reality and how it has allowed the Navy to use Vieques as a bombing range for 60 years It also helps one begin to predict what is the future of Puerto Rico Is it to be a colony Fifty first state of the United States Sovereign nation In *Islands of Resistance* Mario A Murillo approaches these questions by examining how Puerto Rican politics have been shaped as much by 100 years of U S economic military and cultural domination of the territory as by the enduring grassroots resistance of the Puerto Rican people *Islands of Resistance* puts the contemporary situation in Puerto Rico into an historic context that will help people understand what is at stake in Vieques not only for Viequenses but for Puerto Ricans both on the island and in the diaspora War Against All Puerto Ricans Nelson A Denis,2015-04-07 The powerful untold story of the 1950 revolution in Puerto Rico and the long history of U S intervention on the island that the New York Times says could not be more timely In 1950 after over fifty years of military occupation and colonial rule the Nationalist Party of Puerto Rico staged an unsuccessful armed insurrection against the United States Violence swept through the island assassins were sent to kill President Harry Truman gunfights roared in eight towns police stations and post offices were burned down In order to suppress this uprising the US Army deployed thousands of troops and bombarded two towns marking the first time in history that the US government

bombed its own citizens Nelson A Denis tells this powerful story through the controversial life of Pedro Albizu Campos who served as the president of the Nationalist Party A lawyer chemical engineer and the first Puerto Rican to graduate from Harvard Law School Albizu Campos was imprisoned for twenty five years and died under mysterious circumstances By tracing his life and death Denis shows how the journey of Albizu Campos is part of a larger story of Puerto Rico and US colonialism Through oral histories personal interviews eyewitness accounts congressional testimony and recently declassified FBI files War Against All Puerto Ricans tells the story of a forgotten revolution and its context in Puerto Rico s history from the US invasion in 1898 to the modern day struggle for self determination Denis provides an unflinching account of the gunfights prison riots political intrigue FBI and CIA covert activity and mass hysteria that accompanied this tumultuous period in Puerto Rican history

Puerto Rican Diaspora Carmen Whalen,Víctor Vázquez-Hernández,2005-08-05 Puerto Ricans have a long history of migrating to and building communities in various parts of the United States in search of a better life From their arrival in Hawai i in 1900 to the post World War II era during which communities flourished throughout the Midwest and New England the Puerto Rican diaspora has been growing steadily In fact the 2000 census shows that almost as many Puerto Ricans live in the United States as in Puerto Rico itself The contributors to this volume provide an overview of the Puerto Rican experience in America delving into particular aspects of colonization and citizenship migration and community building Each chapter bridges the historical past with contemporary issues Throughout the text personal narratives and photographs bring these histories to life while grappling with underlying causes and critical issues such as racism and employment that shape Puerto Rican life in America

The Puerto Ricans Kal Wagenheim,Olga Jiménez de Wagenheim,Luis Martínez-Fernández,2023-01-15 50th anniversary edition 1973 2023 This expanded edition covers 500 years of Puerto Rico s history providing a kaleidoscopic view of the island s past It begins with a preface by the editors celebrating the 50th anniversary of the book s first printing and includes new sections on the debt crisis and the end of the bankruptcy procedure in 2022 the COVID pandemic and its consequences the hurricanes from Maria to Fiona and their aftermath The 2022 elections and the upcoming plebiscite

None of the Above Frances Negrón-Muntaner,2007-04-16 This volume sets out current debates about Puerto Rico The title simultaneously refers to the results of a non binding 1998 plebiscite held in San Juan to determine Puerto Rico s political status the ambiguities that have historically characterized its political agency and the complexities of its ethnic national and cultural identifications

Puerto Rico in the American Century César J. Ayala,Rafael Bernabe,2009-06-23 Offering a comprehensive overview of Puerto Rico s history and evolution since the installation of U S rule Cesar Ayala and Rafael Bernabe connect the island s economic political cultural and social past Puerto Rico in the American Century explores Puerto Ricans in the diaspora as well as the island residents who experience an unusual and daily conundrum they consider themselves a distinct people but are part of the American political system they have U S citizenship but are not represented in the U S Congress and they live on land that is neither independent nor part of

the United States Highlighting both well known and forgotten figures from Puerto Rican history Ayala and Bernabe discuss a wide range of topics including literary and cultural debates and social and labor struggles that previous histories have neglected Although the island s political economy remains dependent on the United States the authors also discuss Puerto Rico s situation in light of world economies Ayala and Bernabe argue that the inability of Puerto Rico to shake its colonial legacy reveals the limits of free market capitalism a break from which would require a renewal of the long tradition of labor and social activism in Puerto Rico in connection with similar currents in the United States **Puerto Rico** Jorge

Duany,2024 In the second edition of Puerto Rico What Everyone Needs to Know R Jorge Duany provides a compendium to the island s rich history culture politics economy and diaspora Written in an accessible question and answer format Duany covers the history of the island as well as the demographic economic political and cultural features of contemporary Puerto Rico He examines the inner workings of the Commonwealth government and the island s relationship to the United States New material examines the multiple issues affecting Puerto Rico in the last decade including a prolonged recession the devastating impact of two hurricanes and the largest migrant wave ever recorded from Puerto Rico **From Colonia to**

Community Virginia Sánchez Korrol,1994 First published in 1983 this book remains the only full length study documenting the historical development of the Puerto Rican community in the United States Expanded to bring it up to the present Virginia S nchez Korrol s work traces the growth of the early Puerto Rican settlements colonias into the unique vibrant and well defined community of today *Patterns of Political Participation of Puerto Ricans in New York City* Rosa Estades,1978

The "Puerto Rican Problem" in Postwar New York City Edgardo Meléndez,2022-11-11 The Puerto Rican Problem in Postwar New York City presents the first comprehensive examination of the emergence evolution and consequences of the Puerto Rican problem campaign and narrative in New York City from 1945 to 1960 This notion originated in an intense public campaign that arose in reaction to the entry of Puerto Rican migrants to the city after 1945 The problem narrative influenced their incorporation in New York City and other regions of the United States where they settled The anti Puerto Rican campaign led to the formulation of public policies by the governments of Puerto Rico and New York City seeking to ease their incorporation in the city Notions intrinsic to this narrative later entered American academia like the culture of poverty and American popular culture e g West Side Story which reproduced many of the stereotypes associated with Puerto Ricans at that time and shaped the way in which Puerto Ricans were studied and perceived by Americans Colonial Subjects Ramon Grosfoguel,2003-10-30 Colonial Subjects is the first book to use a combination of world system and postcolonial approaches to compare Puerto Rican migration with Caribbean migration to both the United States and Western Europe Ram n Grosfoguel provides an alternative reading of the world system approach to Puerto Rico s history political economy and urbanization processes He offers a comprehensive and well reasoned framework for understanding the position of Puerto Rico in the Caribbean the position of Puerto Ricans in the United States and the position of colonial migrants compared to

noncolonial migrants in the world system The History of Puerto Rico from Spanish Discovery to American Occupation R. A. Van Middeldyk, 2005-03-05 The latest permanent possession of the United States is also the oldest in point of European occupation Both Puerto Rican and American Thomas Arkham, 2014-09-29 Abraham Rodriguez speaks for many Puerto Ricans when he writes Of course I m Puerto Rican I am also American I m both Puerto Rican Americans have created a rich culture that spans two places and two identities Many travel back and forth between the island of Puerto Rico and the U S mainland Discover what it means to be a Puerto Rican American Learn more about the history art and culture of Puerto Rico Read the stories of important Puerto Rican Americans who have made the United States stronger **Why Should Puerto Rico Become the 51st State?** Guillermo González Román M.D., 2021-01-14 With this book Why Should Puerto Rico Become the 51st State Dr Gonz lez attempts to answer two basic questions 1 Why has Puerto Rico been a colony for the past 527 years 2 How could Puerto Rico stop being a colony Colonialism refers to populations whose government s sovereignty resides in another country without fair and equal representation in that government Puerto Rico is a territory that belongs to the USA since 1898 with the signature of the Treaty of Peace between Spain and the USA after the Spanish American War The original book published in 2007 The Governor s Suits was a response to a book written by an ex president of the Supreme Court of Puerto Rico The Trials of the Oldest Colony of the World by Jos Tr as Monje After years of asserting that Puerto Rico was a self governing country he declared that PR is a colony He did not understand why Puerto Ricans have accepted colonialism In his book Dr Gonz lez explained that the experiences of colonialism have been endured because the experiences as a colony for all these years have branded the Puerto Ricans and shaped their personalities to accept and endure colonialism with stoicism With a near future discussion coming to Congress about the status of the relations between Puerto Rico and the USA Dr Gonz lez feels responsibility to create awareness that PR is a colony and since 2012 in a popular vote 54% of Puerto Ricans voted to discontinue the mutually consented colonialism up to then *The Emigration Dialectic* Manuel Maldonado-Denis, 1980 Puerto Rico and the US A study that explores the economic and political consequences of Puerto Rican emigration to the US 168 pp Bibliography 1980
