embarrassment sometimes both Her diary vividly evokes the wartime milieu as experienced in 10 Downing Street and describes the great political battles that lay behind the warfare on the Western Front in which Asquith would himself lose his eldest son The writing teems with character sketches including Lloyd George a natural adventurer who may make or mar himself any day Churchill Winston s vanity is septic and Kitchenier a man brutal by nature and by pose Never previously published this candid witty and worldly diary gives us a unique insider s view of the centre of power and an introduction by Michael Brock in addition to explanatory footnotes and appendices written with his wife Eleanor provide the context and background information we need to appreciate them to the full

J. Arthur Rank and the British Film Industry Geoffrey Macnab,2013-01-11 Presiding over the golden era of the British Film Industry from the mid to late 1940s J Arthur Rank financed movies such as Oliver Twist The Red Shoes Brief Encounter Caesar and Cleopatra and Black Narcissus Never before and never since has the industry risen to such heights J Arthur Rank charts every aspect of the robust film culture that Rank helped to create Having started out with relatively little knowledge of the cinema Rank s sponsorship was to bring about astounding progress within the industry and

by establishing an organization comparable in size to any of the major Hollywood studios Rank briefly managed to reconcile and consolidate the competing demands of art and business an achievement very much absent from today's diminished and fragmented film industry Macnab goes on to explain the eventual collapse of the Rank experiment amidst the economic and political maelstrom of post war Britain highlighting the problems still facing the industry today By meshing archival research with interviews with Rank's contemporaries and members of his family this definitive study firmly restores Rank to his rightful place at the hub of British film history

Serious Minds Richard McLauchlan, 2022-10-06 The Times hailed Richard Burdon Haldane as one of the most powerful intellects British statesmanship had ever seen His brother John a great physiologist invented the first gas masks used in

World War One Their sister Elizabeth was among the first women to become a senior public servant Their mother Mary friend and advisor to top politicians and churchmen nurtured these exceptional minds Mary's grandchildren swapped her traditional roots for radical socialism but continued the brilliant family legacy Naomi Mitchison was a doyenne of Scottish literature one Nobel prizewinner called her brother the geneticist J B S Haldane the cleverest man I ever knew Like the Darwins and Keyneses this clan of thinkers lived in rapidly changing times and helped to remake the world around them Drawing on extensive family interviews and previously unseen private papers Serious Minds details scandal tragedy and achievement within a dynasty that shaped modern Britain from the welfare state education system and military to our understanding of energy the human body and the origins of life itself Margot at War Anne de Courcy, 2014-11-06 Margot Asquith was perhaps the most daring and unconventional Prime Minister's wife in British history Known for her wit style and habit of speaking her mind she transformed 10 Downing Street into a glittering social and intellectual salon Yet her last four years at Number 10 were a period of intense emotional and political turmoil in her private and public life In 1912 when Anne de Courcy's book opens rumblings of discontent and cries for social reform were encroaching on all sides from suffragettes striking workers and Irish nationalists Against this background of a government beset with troubles the Prime Minister fell desperately in love with his daughter's best friend Venetia Stanley to complicate matters so did his Private Secretary Margot's relationship with her husband was already bedevilled by her stepdaughter's jealous almost incestuous adoration of her father The outbreak of the First World War only heightened these swirling tensions within Downing Street Drawing on unpublished material from personal papers and diaries Anne de Courcy vividly recreates this extraordinary time when the Prime Minister's residence was run like an English country house with socialising taking precedence over politics love letters written in the cabinet room and gossip and state secrets exchanged over the bridge table By 1916 when Asquith was forced out of office everything had changed For the country as a whole for those in power for a whole stratum of society but especially for the Asquiths and their circle it was the end of an era Life inside Downing Street would never be the same again

The Fateful Year Mark Bostridge, 2014-01-02 The Fateful Year by Mark Bostridge is the story of England in 1914 War with Germany so often imagined and predicted finally broke out when people were least prepared for it Here among a crowded cast of unforgettable characters are suffragettes armed with axes destroying works of art schoolchildren going on strike in support of their teachers and celebrity aviators thrilling spectators by looping the loop A theatrical diva prepares to shock her audience while an English poet in the making sets out on a midsummer railway journey that will result in the creation of a poem that remains loved and widely known to this day With the coming of war England is beset by rumour and foreboding There is hysteria about German spies fears of invasion while patriotic women hand out white feathers to men who have failed to rush to their country's defence In the book's final pages a bomb falls from the air onto British soil for the first time and people live in expectation of air raids As 1914 fades out England is preparing itself for the prospect of a war of long

duration Mark Bostridge won the Gladstone Memorial Prize at Oxford University His first book Vera Brittain A Life was shortlisted for the Whitbread Biography Prize the NCR NonFiction Award and the Fawcett Prize His books also include the bestselling Letters from a Lost Generation Lives for Sale a collection of biographers tales Because You Died a selection of Vera Brittain s First World War poetry and prose and Florence Nightingale The Woman and her Legend which was named as a Wall Street Journal Best Book of 2008 and awarded the Elizabeth Longford Prize for Historical Biography The Fateful Year was shortlisted for the PEN Hessel Tiltman Prize for History 2015 **Enciclopedia Internacional de Pseudónimos**

Michael Peschke,2006 No detailed description available for A Bradds **Lloyd George** Richard Wilkinson,2018-01-30 David Lloyd George left a profound political legacy despite being described by the wife of his successor Herbert Asquith as a gambler without foresight He is of course best known as the Prime Minister who led Britain to victory in World War I but his contribution to domestic politics was similarly impressive As Chancellor of the Exchequer he introduced pensions and national insurance against sickness and unemployment while as Prime Minister he extended democracy by giving votes to women Yet Lloyd George was compromised by his flaws as a human being Vain cruel capricious and dishonest at times his notoriously corrupt nature threatened to damage the British political system Providing a unique new perspective on one of the most phenomenally talented but also one of the most phenomenally flawed of British Prime Ministers this book will be essential reading for anyone interested in modern British politics and history The British working class in postwar film

Philip Gillett,2019-01-04 An incidental pleasure of watching a film is what it tells us about the society in which it is made Using a sociological model The British working class in postwar film looks at how working class people were portrayed in British feature films in the decade after the Second World War Though some of the films examined are well known others have been forgotten and deserve reassessment Original statistical data is used to assess the popularity of the films with audiences With its interdisciplinary approach and the avoidance of jargon this book seeks to broaden the approach to film studies Students of media and cultural studies are introduced to the skills of other disciplines while sociologists and historians are encouraged to consider the value of film evidence in their own fields This work should appeal to all readers interested in social history and in how cinema and society works *From the Battlefield to the Big Screen* Melody Foreman,2022-11-04 Look closely behind the lives of the stars who appeared in a host of legendary war films and discover how memories of their real life experiences in the armed forces were haunted with heartbreak and yet filled with extraordinary heroism Just what did America s most decorated soldier Audie Murphy go through in battle which led him to star as himself in the classic war film To Hell and Back When the Japanese attacked Pearl Harbor in December 1941 Murphy joined the US Army aged just 17 He went on to fight at Anzio the Colmar Pocket and Nuremberg And for single handedly holding off an enemy attack he was awarded the Congressional Medal of Honor But Murphy s military and celebrity stardom did little to extinguish the pain of his private battle to fit in to a new post war world he perceived as disappointing shallow

and unfulfilling Tormented by PTSD Murphy was a man unable to escape from his past Only the great director and decorated wartime documentary maker John Huston gained Murphy s true respect When war broke out on 3 September 1939 a number of British stars including Laurence Olivier his future wife Vivien Leigh and David Niven were in the United States under contract to the Hollywood Studios Keen not to shirk their duties at home and against advice from the British Consul they made their way back to Blighty Olivier joined the Royal Navy s Fleet Air Arm as a pilot Then with Churchill s approval he directed and starred in powerful propaganda films including Shakespeare s Henry V In 1943 the beautiful Vivien Leigh ruined her health by enduring the brutalities of the North African climate to entertain the troops in the desert Meantime Dirk Bogarde was a British Army intelligence officer seconded to the pioneering RAF Medmenham where he studied aerial photographs and pinpointed enemy targets for Bomber Command As Lieutenant van den Bogaerde he was posted to France just after D Day He went on to star in many leading war films such as Appointment in London 1953 and King and Country 1964 Years later in 1991 Sir Dirk Bogarde was interviewed by the author of this book He had witnessed the horrors of Belsen in April 1945 and said it changed his attitude to life forever In this book the author honors the real life stories of some big screen idols who showed true grit behind the glamor
