Sun of Many Colors Jacob Snow, 2014-07-01 This is not a book about Religion Using the real birthday of Jesus kinda plus fractals and other patterns found in nature I have created several new zodiac charts to help locate and describe the evil ones among us I gave these charts such names as Heaven to Hell Child Teen Adult Leaping Lizards and my favorite The Wheel of Good Evil With certain specific patterns I was able to locate such horrible people as The Professional Victims People of Rage

and The Laughing Idiots A Health Chart is included that might help you feel better and look younger for years longer It uses the separation of white light through a prism or the power of 3 to let you know who on the zodiac wheel might help in restoring you back to life If hell is other people then heaven can be other people too Names were giving to all 12 zodiac zones on the wheel and most of the evil subzones too These names describe the basic essence of those individuals who were born inside those zones Some of the names giving include **2000 Chacahoula** , **Worldshift Happens!** Carolyn North,2020-12-16 Worldshift Happens is about having the courage to change when it is time to change Our world is at a turning point now How then shall we face our fears and open our minds and hearts to new ways of thinking and being What might our lives look like when we do This book explores some new ways of framing reality looking aging and death straight in the eye and telling the fictional story of a family of survivors of the Great Shift in the year 2125 They live hard and they live well they have had to learn from the mistakes of their forebears have survived despite great hardship and they know how to turn adversity into an adventure They live a life that might be called utopian Buddhist teacher Joanna Macy says This is a rare brave and most original book I am honored you have shared it with me I applaud the idea of conveying possible future scenarios in story form rather than dull expository projections **The Bookseller, Newsdealer and Stationer** ,1913
