Worlds Ending. Ending Worlds Jenny Stümer, Michael Dunn, 2023-12-04 The notion of apocalypse is an age old concept which has gained renewed interest in popular and scholarly discourse The book highlights the versatile explications of apocalypse today demonstrating that apocalyptic transformations the various encounters with anthropogenic climate change nuclear violence polarized politics colonial assault and capitalist extractivism navigate a range of interdisciplinary views on the present moment Moving from old worlds to new worlds from world ending experiences to apocalyptic imaginaries and finally from authoritarianism to activism and advocacy the contributions begin to map the emerging field of Apocalyptic and Post Apocalyptic Studies Foregrounding the myriad ways in which collective imaginations of apocalypse underpin ethical political and sometimes individual experience the authors provide key points of reference for understanding old and new predicaments that are transforming our many worlds Collier's Encyclopedia ,1987 Love and its Critics Michael Bryson, Arpi Movsesian, 2017-07-10 This book is a history of love and the challenge love offers to the laws and customs of its times and places as told through poetry from the Song of Songs to John Milton's Paradise Lost It is also an account of the critical reception afforded to such literature and the ways in which criticism has attempted to stifle this challenge Bryson and Movsesian argue that the poetry they explore celebrates and reinvents the love the troubadour poets of the eleventh and twelfth centuries called fin amor love as an end in itself mutual and freely chosen even in the face of social religious or political retribution Neither eros nor agape neither exclusively of the body nor solely of the spirit this love is a middle path Alongside this tradition has grown a critical movement that employs a hermeneutics of suspicion in Paul Ricoeur's phrase to claim that passionate love poetry is not what it seems and should be properly understood as worship of God subordination to Empire or an entanglement with the structures of language itself in short the very things it resists The book engages with some of the seminal literature of the Western canon including the Bible the poetry of Ovid and works by English authors such as William Shakespeare and John Donne and with criticism that stretches from the earliest readings of the Song of Songs to contemporary academic literature Lively and enjoyable in its style it attempts to restore a sense of pleasure to the reading of poetry and to puncture critical insistence that literature must be outwitted It will be of value to professional graduate and advanced undergraduate scholars of literature and to the educated general reader interested in treatments of love in poetry throughout history **Saturday Review of Literature** ,1926 *Current List of Medical Literature* ,1958 Includes section Recent book acquisitions varies Recent United States publications formerly published separately by the U S Army Medical Library *Hearst's Magazine* ,1913 Catalog of Copyright Entries ,1939 A Modern Greek and English Lexikon John Lowndes, 1837 *Before Mandela's Rainbow* Edward Joffe, 2013-10-25 FUNNIER THAN ADRIAN MOLE AND FAR SEXIER Does not skirt round the vast injustice of apartheid SUPERB MEMOIR Joffe is a man sui generis Impish at times but always interesting Memorable and well written AN INTIMATE FUNNY AND PROFOUND PERSONAL HISTORY Reading this funny

clever sometimes vicious portrayal of growing up in Johannesburg in the 1930s 40s and 50s I found myself reminded of Blakes line To see a world in a grain of sand This is because Joffe in writing a detailed and often very amusing account of his personal adventures and misadventures captures also the texture of the broader environment the brutal decades of racist horror of his native land Joffe relates events with the engaging rhythm of all great story tellers there are villains like sadistic teachers and fatuous fathers in law there are lost adolescents in pursuit of sex and meaning there are coming of age crises and triumphs and an almost Dickensian host of memorable often quirky family members and friends Read it and you will see what I mean Read it and youll laugh frequently Read it and youll better understand the last 80 years of South African history
 BRILLIANT MEMOIR Fascinating portrait of life in pre Mandela South Africa packed with very fine vignettes A page turning account of adolescence and the pains of growing up Source Amazon customer reviews The Lyceum Magazine Ralph Albert Parlette,1916 *The Lyceumite and Talent* ,1912 Whitaker's Cumulative Book List ,1948 **The New Age Magazine** ,1913 *A new dictionary of the portuguese and english languages* D.
