Punishment And Rehabilitation:

Incarceration Erin L. McCoy, Jeff Burlingame, 2019-07-15 For as long as prisons have existed people have asked what role they should play in our society Should they be solely dedicated to punishing those who have broken the law or do they also have a role to play in the rehabilitation of criminals so they can contribute more productively when they return to society This book looks at prison conditions and the American criminal justice system to help readers gain a deeper understanding of how prisoners are treated while weighing what some argue are necessary changes to today's prisons Sidebars a glossary and full color photographs aid students in more fully comprehending the many sides of this ongoing debate

Reaffirming Rehabilitation Francis T. Cullen, Karen E Gilbert, 2012-12-31 Reaffirming Rehabilitation 2nd Edition brings fresh insights to one of the core works of criminal justice literature This groundbreaking work analyzes the rehabilitative ideal within the American correctional system and discusses its relationship to and conflict with political ideologies Many researchers and policymakers rejected the value of rehabilitation after Robert Martinson's proclamation that nothing works Cullen and Gilbert's book helped stem the tide of negativism that engulfed the U S correctional system in the years that followed the popularization of the nothing works doctrine Now Cullen traces the social impact on U S corrections policy This new edition is appropriate as a textbook in corrections courses and as recommended reading in related courses It also serves as a resource for researchers and policymakers working in the field of corrections The first edition continues to be used in corrections courses even though it is out of print This new edition makes the book readily available along with rich new content in the introduction and concluding chapter Introduces a new generation to the ongoing clash of political agendas and research based corrections policies Supports critical thinking about the role of rehabilitation in our society
