or abuse them that in His heart there is a place for them too Perhaps the most important part of ministering to those feeling like there is no spiritual home for them in the church is to demonstrate that while the church struggles to exemplify the love of Christ Christ Himself is still real and is still alive and loves each and every one with a deep and abiding love It is my hope that those who either read these scripts or see them performed will come to realize that Christ is calling us all and we have only to say Yes
