After all the crazy things that I've done in my life, how is it that I am still alive? Was it coincidence that led me to meet the companion of my dreams? Or how did I ever fall into this job? The answer is simple: Meet the Field Agents of Fates Rescue. Kyle, Tiffany, Winston, Allan, and thousands of other employees are those who are in charge of manipulating the fates of mankind. The company, Fates Rescue, is the largest corporation in the world, employing those in the afterlife, that is, those of the dead who choose to work. Twenty-seven years is all it takes with the company to secure their ticket to the final destination of heaven, or that is what we are led to believe.
