Developing Writers Across the Primary and Secondary Years Honglin Chen,Debra Myhill,Helen Lewis,2020-03-09 Writing development and pedagogy is a high priority area particularly with standardised testing showing declines in writing across time and through the years of schooling However to date there are relatively few texts for teachers and teacher educators which detail how best to enable the children to become confident autonomous and agentic writers of the future Developing Writers Across the Primary and Secondary Years provides cumulative insights into how writing develops and how it can be taught across years of compulsory schooling This edited collection is a timely and original contribution addressing a significant literacy need for teachers of writing across three key stages of writing development covering early 4 7 years old primary 7 12 years old and secondary years 12 16 years old in Anglophone countries Each section addresses two broader themes becoming a writer with a child oriented focus and writing pedagogy with a teacher oriented focus Together the book brings to bear rigorous research and deep professional understanding of the writing classroom It offers a novel approach conceiving of writing development as a dynamic and multidimensional concept Such an integrated interdisciplinary understanding enables pedagogical thinking and development to address more holistically the complex act of writing

Soul Friends: Finding Healing with Animals Kate Nicoll,2005 This book follows the psychological process leading to the adoption of an animal companion and alerts adopters to potential unconscious needs patterns of behavior and elements of

rescuing that hugely impacts dog adoptions in today's world. This insightful exploration encourages readers to complete self-examination prior to adoption that is more meaningful than current applications and potentially avoids fallout from unsuccessful adoptions. Psychological elements that impact the meeting of the perfect dog are often misunderstood and seemingly disregarded by potential adopters. Nicoll explores her personal history, her first experience with pet loss, and rescue fantasies as potent narratives that may lead to irresponsible relationships with our animal companions. Current trends toward positive reinforcement in dog training explore psychological theories of cognitive and behavioral approaches in everyday interactions with animals. Nicoll encourages readers to delve deep into the psychological underpinnings of the human-animal bond to enhance the relationship and find meaning in our life with dogs. The work of companionship is highlighted as a potential opportunity for deep self-reflection and healing while playing, learning, and living life with our animal friends. Guidelines for seeking healing with our soul friends will potentially decrease unsuccessful adoptions and promote a sense of reverence for the healing lick.

Rogue Rascal: A Vegas Best Friend's Little Sister Romantic Comedy (The Rourkes Series, Book 9) Kylie Gilmore, 2020-03-17. What happens in Vegas follows me home, and it's my best friend's little sister, Jack. I'm the good time guy, so when my best friend asked me to be in charge of his bachelor party, you'd better believe we're heading to Vegas. After our wild night, I wake up in a strange hotel room wearing a gold band on my finger. Worse, there's a bridal veil on the nightstand. Then I relax. Ha ha. Very funny guys. I'm the king of pranks, and my friends are getting me back. But then my bride appears, and the real nightmare begins. It's Riley, my best friend's little sister, looking all grown up and gulp, married. To me. My best friend forbade me even looking at her on account of my rep for one-nighters. This has to end right away. Only somehow I get more and more tangled up in her life, trying to do damage control, and a funny thing happens on the way to ending this marriage. I'm having second thoughts. This romantic comedy stands alone with a swoonworthy happily ever after. No cliffhangers.
