Shaping the Wolf Within Your Dog Nathan B. Childs, 2004 Shaping the Wolf Within Your Dog is a comparison study of wolf and dog behavior It is also a comprehensive guide for living in harmony with dogs We know dogs are genetically related to the wolf and both exhibit identical instincts behaviors temperaments and dispositions and both abide to the law of nature that contends for any animal grouping to survive there

must be social order and communication between its members Knowing this we should learn all we can about wolf behavior and incorporate that knowledge with our dogs By learning how pack animals establish social order and communicate with one another we can use this information to shape our dogs natural instincts without having to use food bribes or violence When we communicate in our dogs language we will be able to communicate our leadership The outcome will be predictable for we will be using the same methods of an alpha wolf when he establishes and maintains social order with a pack of wolves We will be shaping the same wolf instincts that are intact and engaged in each of our dogs Shaping the Wolf Within Your Dog illuminates The natural behavior of canines The language of canines How alphas lead their packs How alphas discipline and show affection The hierarchy of the wolf social order The natural friendliness loyalty and devotion of pack members How to pick the best pup from a litter How to establish social order with pups Basic obedience and off lead obedience Family protection training
