at the end of Book 4 Overall I rate this book 5 out of 5 stars As always Aviva Vaughn's story is filled with colorful characters a little Jane Austen inspiration good food and wonderful music Amanda H California USA 5 star review These quotes are just some of the reasons why I've utterly come to love Aviva her unpredictability descriptions and words are utterly brilliantly used and described to the best they can be Personally I do love an Author who plants the seeds of the images they want you as a reader to imagine and continue to feed it and watch it grow Not many authors can continue to pull it off with each book either and she is definitely one of them Her hair was just as lustrous as always rendered more raven by the darkness of the room As if a perfect Windsor knot assured one of some measure of success He laughed as he skimmed the surface of the water exhilarated by the swift weightlessness of the movement Kiera 5 star review In no time I was completely engrossed in the tale of Soren's next chapter in life Although most of the characters are different this story was much like the others taking you on a geographical cultural and gastronomic adventure with a side of steamy sex this time in a surf town in Costa Rica Kim 5 star review I have loved this series so much devouring every word and I was so conflicted seeing Angela and Kieran together and loving how great they were together but feeling so bad for Soren at the same time I wasn't really sure how Ms Vaughn was going to approach this story what direction she'd take so my mind was reeling with the possibilities I did have high expectations because Soren really needed something good to happen to him to make up for so much heartache I loved what Ms Vaughn did with this story and it was every bit as good as I had hoped it would be Even though I knew Ms Vaughn wouldn't make it easy for Soren and would make him work for his happiness I also love how much more of Soren we get to see Even after 4 other books there was still quite substantial character growth and development Angela 5 star review Aviva Vaughn writes a lot like the classics Jane Austen especially She loves her slow burn and realistic writing I personally do as well It is believable and gripping I often feel as if I am sitting right there in the same room as the characters or on the beaches of Costa Rica I can taste the foods and smell the saltwater on the air Her story lines are just as realistic and this is ever present in the story of Soren Liz USA 5 star review It hooked me in from the very beginning and I didn't want to put it down until I had read the final page I love how no matter what the scene is the author is so descriptive that you feel like you are right there with the characters This is a wonderfully written story that I would highly recommend reading Laura USA 5 star review I have been so looking forward to reading the next instalment in this series I have truly fallen in love with the characters in the story and the author Her writing completely absorbs me into the amazing world that she had created Her beautiful descriptions of the settings for the stories are a huge plus for these books her attention to detail is amazing I've tried not to have a favourite book in this series because I have loved them all so far but I think this one may just take the top spot I absolutely loved it and I really cannot recommend the book and the series enough Katie 5 star review FROM THE AUTHOR Dearest Reader I wrote BECKONED for many reasons but first and foremost I wrote it to feature the kind of people I know diverse smart complicated men and women My heroines are strong and educated and my heroes are polite and

respectful As an avid reader I wanted to see characters that looked like me and my friends and reflect the world I want to see I also wanted to write a beautiful book I consider BECKONED to be a modern story told in an old fashion way with lots of metaphors and beautiful phrases and where the sex is explicit but also elegant So if you are a Word Nerd like me then you will love BECKONED If you choose to embark on this journey with me you and your taste buds will get to visit London Barcelona Bath Los Angeles Honolulu Costa Rica New Zealand and Copenhagen It will be a fun and delicious ride There are even recipes in some of the books as well as soundtracks to give you a multi sensory experience BECKONED is a single story in six parts and should be read in order The intimacy is steamy but it is sloooooow burn and is distributed throughout the books because of how the couples relationships change and deepen Birthing BECKONED has truly been a labor of love and I hope you enjoy reading it as much as I enjoyed writing it BUCKLE UP and enjoy the journey Wishing you love and romance Aviva

Strength Through Peace Judith Eve Lipton, David P. Barash, 2018-09-10 Costa Rica is the only full fledged and totally independent country to be entirely demilitarized Its military was abolished in 1948 with the keys to the armory handed to the Department of Education Socially Costa Rica is a success story Although 94th in the world for GDP it is in the top 10 on various measurements of health and well being Citizens enjoy high standards of living that include universal access to healthcare education and pensions In addition the country practices sustainable resource management such as reforestation and the development of solar and wind power and it expects to be carbon neutral by 2020 Hunting is illegal 25% of the landmass is parks and reserves The government supports universal health care especially maternal and child health Costa Rica even has a Blue Zone an area where people live extraordinarily long healthy lives To some extent Costa Rica is simply lucky it was largely inaccessible and it had virtually no precious minerals therefore it was mostly spared the ravages of predatory colonialism The Costa Rican people made very good social decisions ranging from an avowed commitment to social democracy at the national level to local land distribution to develop stable middle class farmers But Costa Rica s neighbors have not enjoyed nearly as much peace and prosperity It is unlikely that Costa Rica s demilitarization and its remarkable social success are coincidental clearly something special is going on Through good luck good leadership and good decisions Costa Rica has become arguably the sanest and most progressive country on earth This book examines how and why Costa Rica is safe and independent without any military at all and what the rest of us can learn from its success *The city guide for Jacó (Costa Rica)* YouGuide Ltd,
