## **Pure Unlimited Love:**

Pure Unlimited Love Stephen G. Post, 2025-11-04 A scientific and spiritual exploration of how the healing power of love can transform mind body and spirit in individuals and communities even in times of chaos Dr Post's goal through his life's work is to achieve cultural transformation through a blend of the highest levels of scientific research spiritual philosophical reflection and effective practice Through more than forty years of research he has created a framework readers can use to foster pure unlimited love and find inner peace regardless of what's going on around them The framework consists of seven paths for generating inner peace which include giving generously healing with kindness following your calling raising kind children knowing the divine cherishing nature and honoring the spirit of freedom Pure love manifests when the happiness security and well being of another person is as real or meaningful to us as our own Pure love is without manipulation or self interest It is all inclusive It is wise and effective It is enduring and constant rather than turning on and off like a flickering bulb It is bright rather than dull When given from the heart pure love is unlimited and is comprised of compassion helping forgiveness mirth respect celebration listening loyalty creativity and carefrontation Dr Post's work invites readers to embrace pure unlimited love and help create a better world I'm pleased to see that noted author Dr Stephen G Post is addressing themes such as consciousness and interconnectedness in his new book about Seven Paths to Inner Peace It is my hope that this book will contribute to the flourishing of humanity from the foreword by His Holiness The Dalai Lama Is Ultimate Reality Unlimited Love? Stephen G. Post, 2014-05-12 This book draws from previously unpublished letters and interviews with physicists theologians and Sir John's close associates and family to present Sir John's ideas on pure unlimited love Post who was in dialogue with Sir John for fifteen years on this topic and who had founded the Institute for Research on Unlimited Love [www.unlimitedloveinstitute.com](http://www.unlimitedloveinstitute.com) addresses how John Templeton arrived at his philosophy as a youth growing up in Tennessee Post also shares how classical Presbyterian ideas came to synergize in his mind with the more Eastern influences of American transcendentalism and the Unity School of Christianity and ponders if Sir John truly believed that science and spirituality might fully converge on the same view of Ultimate Reality with their very different ways of knowing Is Ultimate Reality Unlimited Love presents Sir John's hope for spiritual progress with the eventual convergence of ultimate reality and unlimited love Unlimited Love Stephen G. Post, 2003-05 What if we could prove that love heals mental illness and is vital to successful therapeutic outcomes in all areas of health care What if we could prove that people who live more for others than for self have greater psychological well being Professor Stephen G Post who heads the Institute for Research on Unlimited Love is developing a new positive scientific program that integrates practice with high level empirical research and religious ethical ideas in order to explore these questions The goal is to understand how our complex brains unique imaginations communicative abilities reasoning powers moral sense and spiritual promptings give rise to the remarkable practice of unselfish love for our neighbors or for those we do not even know In Unlimited Love Post examines the question of

what we mean by unlimited love his focus is not on falling into love which is altogether natural easy and delusional Rather he focuses on the difficult learned ascent that begins with insight into the need for tolerance of ubiquitous imperfection and matures into unselfish concern gratitude and compassion He considers social scientific and evolutionary perspectives on human altruistic motivations and he analyzes these perspectives in a wide interdisciplinary context at the interface of science ethics and religion Teilhard de Chardin commented that the scientific understanding of the power of unselfish love would be as significant in human history as the discovery of fire In *Unlimited Love* Stephen Post presents an argument for the creation of a new interdisciplinary field for the study of love and unlimited love engaging great minds and hoping to shape the human future away from endless acrimony hatred and violence *Pure Unlimited Love*, 2008 Basic reality seems to be that the more you try to be like God by radiating unlimited love the more you become flooded by waves of love from others and from God Sir John summarizes with the statement How wonderful it would be if we could begin to say whenever we meet or depart God loves you and I do too This in fact is the essence of pure unlimited love a concept we can understand and can begin to practice in our daily lives This thoughtful book can serve as an inspiration as well as a step by step guide on how to put this into practice

**Visions of Agapé** Craig A. Boyd, 2017-03-02 This book brings together philosophical and theological perspectives on agapistic love The aim of the text is to illuminate the nature of unlimited love by distinct and integrative approaches to the intersection of the divine and the human Various scientific approaches to human forms of love seem to shed light on our nature as social beings But to what extent are the natural desires for affection sexual love and friendship augmented revised perfected or replaced by the gift of grace In other words we can ask how is it that agap modifies or shapes the natural loves Diverse theological and moral traditions address the question in quite startling contrast Thomists follow the dictum that Grace does not destroy nature but perfects it Lutherans draw a sharp contrast between law and Gospel while Wesleyans see charity as the sanctifying power of the Holy Spirit Some feminist theorists see the idea of self giving love as contrary to genuine self fulfilment while the neo Kantians see love as a duty to others and some Kierkegaardians see the command to love as an unusual manifestation of divine command ethics These diverse approaches in light of contemporary research in the natural and social sciences can provide fertile ground for the exploration of the intersection of human and divine love To date there is no text available that brings scholars from various theological and philosophical backgrounds together to engage in interdisciplinary dialogue on this important and much neglected aspect of research into the human and divine loves This book offers a significant attempt to remedy the situation

**Godly Love** Matthew T. Lee, Amos Yong, 2012-03-01 *Godly Love Impediments and Possibilities* examines the theory of Godly Love understood as including a vertical axis denoting the love of God and a horizontal axis involving the love of others is at the core of a new field of research that studies how divine love influences the love of others and vice versa It is a multidisciplinary research program into the benevolent expressions of the Great Commandment of the Christian tradition

involving the theological and social sciences Theological and social scientific essays that ask why there is not more Godly Love in this world and what might be done to change the situation This book focuses on the problems confronting challenging prohibiting and perhaps even resisting the concrete expression of Godly Love in the world utilizing a range of theological and especially social scientific methodologies Overcome Depression with Ease (includes Brahma Kumaris Murli Extracts with Explanations) Brahma Kumari Pari, This book is based on the knowledge of the Brahma Kumaris Use the knowledge and practices in this book to remain depression free and to remove bodily defects which are the cause for your depression Even if you do not suffer from depression you can use the knowledge in this book to get over your depressive moods and stay happy Anyone can use this book as a guide to become depression free *The Passionate Jesus* The Rev. Peter Wallace, 2012-10-24 Sometimes what we already know about Jesus gets in the way of our really knowing him Many depictions of Jesus show him as a character who coolly and calmly floats above the grit and grime of human existence He doesn't hurt he doesn't fear he doesn't laugh and most tragically he doesn't love very passionately He seems not to feel at all But a closer look at the Bible reveals something surprisingly different In this eye opening spiritual study Peter Wallace examines Jesus's actions as well as his teachings to uncover a passionate figure who was involved present connected honest and direct with others Through Wallace's deeply personal insights and compelling examples you will be encouraged to model this passionate Jesus by building personal authenticity in every area of your own life particularly in your self acceptance and self expression your relationships with others and above all your relationship with God Sir John's Vision Paul Davies, George R. Ellis, Keith Ward, 2018-08-13 In 2017 the year marking the 105th anniversary of the birth of Sir John Templeton a group of scientists scholars and advisors who knew him personally gathered in Lyford Cay in the Bahamas Their purpose to discuss how the Foundation that bears his name could best extend his philanthropic vision into the twenty first century This volume is a result of that meeting a collection of thirteen essays written by experts in fields that most fascinated Sir John The contributors assess the Foundation's fidelity to its founder's intent chart promising avenues for future grantmaking and champion Sir John's contrarian mission of unlocking life's deepest mysteries The members of the John Templeton Foundation are the custodians of Sir John's vision bold in its aspiration humble in its approach charged with using the tools of science to advance the frontiers of the spirit May the essays collected here serve as inspiration as we carry that vision forward The Secrets of Ni Reverend Ananda Joy, 2012-08-30 How would your life be if nothing threatened opposed or had power over you and your highest good How would you feel if you knew that this moment is absolutely perfect in every way and you are absolutely perfect in every way You are infinitely expanding ecstatic love this truth within you cannot be threatened it is your permanent constant Truth This book provides a simple and practical path that reveals where you are blocking your inner divine Presence from immersing your present moment awareness Through correcting and disappearing all the blocks within your own mind your natural divine radiance and boundless joy will bless and transform every aspect of

*Possibilities for Over One Hundredfold More Spiritual Information* Sir John Templeton, 2000-08-15 Sir John Templeton challenges the reader to apply the same energy that has been devoted to scientific inquiry to the pursuit of spiritual information The world is at a state of unprecedented technical expertise but why has our knowledge and faith in our own spirituality stalled and become obsolete in recent times *Possibilities for Over One Hundredfold More Spiritual Information* seeks to address this question It points out that our spiritual knowledge would also have the capacity to increase dramatically if we were to open our minds to the endless possibilities that await us in terms of our spiritual lives These include altruistic love for all people new knowledge of the Divine and a greater sense of our place in the universe In order for us as human beings to take advantage of all of the spiritual gifts that we have been given we need to be open and receptive to our individual spiritual natures and to open ourselves to the limitless spiritual possibilities available to us The book acknowledges the ancient scriptures and thinkers who have guided us for centuries Vastly expanded research and the use of scientific method would only enhance our understanding of the wisdom contained within these wise teachings The benefits of extending our spiritual knowledge might in fact exceed the benefits we have realized thus far from scientific and medical advances *Possibilities* seeks to reawaken our desire for spiritual knowledge pushed aside so long ago in our quest for scientific knowledge When these fields work together the world will reap greater rewards that we can ever imagine

**Healing the Inner Family** Maria Jesus MarinLopez, 2016-08-08 The one thing we all have in common we have a mother and a father Ultimately the relationship we have with them from the moment of conception will have an important influence

in the person we become and in our perception of the world around us We will focus here on exploring the unhealthy or wounded interactions with our parents how this can block you from being your true self and can deprive you from the energy and opportunities to fulfill your highest potential Working on the relational triangle of Mother Father Child as a way to find Inner Freedom and Fulfillment can heal these core wounds We will cover the internalized mother and father voices However It s not so much about changing or blaming your parents for what has gone wrong in your life but about bringing into awareness their wounds that have become your wounds Only then you can find your true self and live in freedom

When Texas Prison Scams Religion Michael G. Maness,2023-05-22 When Texas Prison Scams Religion exposes corruption in the Texas Department of Criminal Justice especially in the abuse of religion In many ways this book is a literature review of 1 800 plus works that defends freedom of conscience in prison while exposing the unconstitutionality of the seminary program that buys faith with favor from prisoners The state veritably ordains the prisoner a Field Minister that represents the offices of the Governor TDCJ Director and wardens throughout the prison Therein TDCJ lies about neutrality in a program all about Christian missions and lies again in falsely certifying elementary Bible students as counselors Why is the director sponsoring psychopaths counseling psychopaths In fact TDCJ pays 314 million a year to UTMB for psychiatric care and receives not a single report of the care given and worse for UTMB generates no reports itself The underbelly TDCJ s executive culture of cover up is exposed TDCJ has hired the lowest qualified of the applicant pool many times in the last 25 years and regularly destroys statistics on violence TDCJ Dir Collier led the prison to model Louisiana Warden Burl Cain the most scandal ridden in penal history according to a host of published news stories for 20 years Therein Collier led TDCJ to favor the smallest segment of religious society within Evangelical Dominionism Texas has no business endorsing the truth of any religion over another We close with a proposal that utilizes the 400 000 000 hours of officer contact over ten years as a definitive influence in contrast to a commissioner that spends less than 10 minutes on each decision Maness has been lobbying Austin for 15 years to definitively access staff for his 100 000 Mothers 1% Certainty Parole Texas Constitutional Amendment which would revolutionize prison culture and save Texans millions of the dollars
