**with Steve Martin** Robert E. Kapsis, 2014-09-02 Conversations with Steve Martin presents a collection of interviews and profiles that focus on Martin as a writer artist and original thinker over the course of more than four decades in show business While those less familiar with his full body of work may think of Martin as primarily the wild and crazy guy with an arrow through his head this book makes the case that he is in fact one of our nation's most accomplished and varied artists It shows the full range of Martin's creative work tracing the source of his comic imagination from his early standup days starting in the mid to late 1960s through the films he has written and starred in and emphasizing his more recent creative

outpourings as playwright essayist novelist memoirist songwriter composer musician and art critic Standup is the hardest material in the world to write for someone else it's like trying to condense 10 years of experience into 20 minutes of new material Martin says But commenting on his fiction writing he says I think you have to be able to find as a writer that state where you don't know what you're going to say or what the character is going to say or who the characters are That's the biggest thrill of all When you start to trust that subconscious thing and you don't censor yourself just remember you can always throw it away that's when the good stuff comes out The selected materials consist not only of pieces focused primarily on Martin's writings but also broader profiles and conversations that help explain Martin's development as a writer within the larger context of his many other accomplishments talents and performance skills Heroes and Hierophants Marcus D'Ambrose,2010-07-22 Heroes And Hierophants is the culmination of a year of innovative writing from three of today's hottest underground authors The plan was simple each week one of them would propose a topic and they would each have a week to write about it Then the next week another would give a topic and so forth for the whole of the year From this simple high concept beginning Marcus D Ambrose Douglas Palermo and Noel Rogers took the project into directions entirely unprecedented From serious god knowledge to rape jokes the fearless trio push the envelope lift the skirt of reality and explore the boundaries of the written word What is already described as a bold and visionary experiment in 21st century literature The Milville Times and perhaps the first look at a new integral method for the evolution of the species into cosmic awareness The Dobbs Ferry Clarion is finally ready for download into your consciousness Are you ready for it **Since 1964** Peter Schjeldahl,1978 **The New Adventures of Ellery Queen** Ellery Queen,2015-07-28 The classic mystery novella The Lamp of God is paired with eight short stories in this collection featuring the prince of American detective fiction Kirkus Reviews Is it possible for a man to lift himself off the ground by his shoelaces and fly away Can a water buffalo transform itself into a little boy What is science to make of a dead man climbing out of his coffin escaping his tomb and breaking into song Such incidents seem impossible but stranger things have happened at the home of old Sylvester Mayhew When Ellery Queen the world famous amateur detective is called to Mayhew's ramshackle old mansion he expects to be investigating an ordinary hoax Instead he finds murder The novella The Lamp of God is vintage Ellery Queen puzzling atmospheric and utterly delightful Paired with eight short stories including Man Bites Dog and Long Shot it is simply irresistible **Dark Candle** R.J. Hore,2025-01-06 A party at the home of a respectable socialite sets in motion a sequence of events which lead a group of reluctant companions on a quest for King Arthur's tomb Martin Owen is a mild mannered accountant ignored and disrespected even by his own family But an experiment in hypnotic regression awakens a mysterious long dormant spirit from the time of Arthur Intrigued the party's guests are drawn in further slowly forming an impromptu team on the trail of buried Roman treasure and the forbidden secrets of Camelot Each interrogation of the sleeping spirit leaves it encroaching further and further upon Martin's life until we are unsure who is controlling who Meanwhile the
