Purepolitics The Foundations Of Our Nation:

PurePolitics Joe Urban, Trey Ragsdale, 2001 This book is a tremendous resource for students teachers and Americans in general Anyone that is interested in learning more about the foundation of the United States has to read this book I use this book as my reference for political knowledge and resource A MUST read Mayor Ray Martinez Fort Collins Colorado Trey and Joe who have already helped pioneer online political education with PurePolitics com now with The Foundations of Our Nation have successfully solidified themselves as political thought leaders Their book will always have a place on my desk at the Missouri capitol Representative Jason Crowell Cape Girardeau Missouri I have been a teacher for over fifteen years and this book is long overdue as a classroom resource I would recommend to other teachers to keep this book as a political education resource for the classroom Dolly Schultz Salt Lake City Utah I am a fifth year senior studying Political Science If I had this book as a freshman I would ve graduated last year This book would have saved me a lot of headaches I recommend this to any student studying our nations history Laqueusha Vivens Boston Massachusetts [A Pure Theory of Democracy](#) Antonio García-Trevijano, 2009 This is not a democracy Antonio Garc a Trevijano denounces in the first pages of this book To confront the great lie that Europe does have democratic regimes a lie rooted in people s confounding of the liberties they enjoy with the political freedom that they lack the author builds a realistic theory of democracy to end the false idea that corruption state crime and public immorality are democracy s undesirable products and not the natural and inevitable fruits of oligarchic regimes Thanks to a superb review of the events that mark the history of democracy the author reveals the obstacles that from the 17th century English revolution the United States War of Independence and the French Revolution opposed political freedom deviating old Europe s democratic possibilities toward the current parties state There exist important theories of the state and of constitution but none that can be called a theory of democracy Antonio Garc a Trevijano s original theory a modern synthesis of Rousseau s pure democracy and Montesquieu s political freedom responds to European need for a theory of democracy as a real alternative to the corrupted parties regime that was engendered by Western pragmatism during the Cold War **Space and Power** Paul Hirst, 2005-06-24 This scholarly account of the various ways in which space is configured by power and in which space becomes a resource for power combines insights from social theory politics history and geography [Foundation of Political Freedom in the Democracy of Nigeria](#) Victor-Don Sampson, 2015-05-30 Growth and Development of Multiple Political Party Systems in Nigeria In the present Nigeria there are so many active goal oriented political parties that have grown with the interest of the people at heart Political party system is the peoples best choice for supporting democratic government Thus the Nigerian political party system has been producing through electoral democracy fortunate presidential candidates transparent senators successful federal and state House of Assembly representatives active state governors and great chairman of local government area Our party system indeed understands common human aims and work toward the peoples political interest to better all sector of life in the nation The

Nigerian People Alliances and Growth of Political Organizations A popular goal driven measure of supporting democratic leadership in Nigeria is by creating alliances and nongovernmental organizations In this country alliances has been used in pursuing democratic peace in government while nongovernmental organizations are solely for provision of human welfare through divergent humanitarian services Obviously many alliances and political groups or organizations also have been formed with interest and aspiration for national political development because many of them have the belief that successful governance can be possible when there is true and effective electoral democracy Tax-exempt Foundations United States. Committee on Interstate and Foreign Commerce,1947 Foundations of Public Law Martin Loughlin,2012-09-27 Foundations of Public Law offers an account of the formation of the discipline of public law with a view to identifying its essential character explaining its particular modes of operation and specifying its unique task Building on the framework first outlined in The Idea of Public Law OUP 2003 the book conceives public law broadly as a type of law that comes into existence as a consequence of the secularization rationalization and positivization of the medieval idea of fundamental law Formed as a result of the changes that give birth to the modern state public law establishes the authority and legitimacy of modern governmental ordering Public law today is a universal phenomenon but its origins are European Part I of the book examines the conditions of its formation showing how much the concept borrowed from the refined debates of medieval jurists Part II then examines the nature of public law Drawing on a line of juristic inquiry that developed from the late sixteenth to the early nineteenth centuries extending from Bodin Althusius Lipsius Grotius Hobbes Spinoza Locke and Pufendorf to the later works of Montesquieu Rousseau Kant Fichte Smith and Hegel it presents an account of public law as a special type of political reason The remaining three Parts unpack the core elements of this concept state constitution and government By taking this broad approach to the subject Professor Loughlin shows how rather than being viewed as a limitation on power law is better conceived as a means by which public power is generated And by explaining the way that these core elements of state constitution and government were shaped respectively by the technological bourgeois and

disciplinary revolutions of the sixteenth century through to the nineteenth century he reveals a concept of public law of considerable ambiguity complexity and resilience 1980 National Science Foundation Authorization United States.

The Secret Lives of America's Most Dangerous Political Operatives R.J. Ford,2025-07-20 What happens when the guardians of democracy become its greatest threat In the shadowy corridors of 1950s Washington three men wielded power so absolute that presidents feared them senators courted them and ordinary citizens whispered their names in terror Joseph McCarthy J Edgar Hoover and Roy Cohn didn t just participate in politics they rewrote the rules entirely transforming gossip

into weapons and fear into currency This book is for readers who want to understand How modern political warfare truly began The shocking personal secrets behind America s most feared political figures Why today s political tactics feel eerily familiar The real cost of unchecked government power Inside you ll discover The systematic blackmail operation that controlled Washington for decades Secret files that could destroy presidents and Supreme Court justices How three deeply flawed men terrorized a nation while hiding their own scandals The direct connections between McCarthyism and today s political climate Why their techniques of manipulation are more dangerous now than ever Drawing from declassified FBI files congressional transcripts and previously untold stories this meticulously researched expos reveals how fear surveillance and character assassination became the foundation of modern American politics You ll see how their methods evolved from filing cabinets to social media algorithms and why understanding their legacy is crucial for protecting democracy today If you ve ever wondered how American politics became so toxic this book holds the answers you need to read right now **National Science Foundation.
