**Conrad Russell**

## **Puritan Revolution And The English Civil War:**

The Puritan Revolution and the English Civil War Stuart E. Prall, 2002 A combination of an account of the dominant political religious social economic and military issues of the Civil War and the Commonwealth and Protectorate that followed It argues that the revolution was both a political constitutional and religious conflict *Puritan Crisis* Francis J. Bremer, 1989 **Oliver Cromwell and the Puritan Revolution** Maurice Ashley, 1958 The author shows clearly what he believes to have been Cromwell's real achievement in the broad sweep of 17th century history **Reflections on the Puritan Revolution** A.L. Rowse, 2023-04-17 Reflections on the Puritan Revolution 1986 examines the damage done by the Puritans during the English Civil War and the enormous artistic losses England suffered from their activities The Puritans smashed stained glass monuments sculpture brasses in cathedrals and churches they destroyed organs dispersed the choirs and the music They sold the King's art collections pictures statues plate gems and jewels abroad and broke up the Coronation regalia They closed down the theatres and ended Caroline poetry The greatest composer and most promising scientist of the age were among the many lives lost and this all besides the ruin of palaces castles and mansions Puritan Iconoclasm During the English Civil War Julie Spraggon, 2003 Julie Spraggon offers a detailed analysis of Puritan iconoclasm in England during the 1640s which led to a resurgence of image breaking a century after the break with Rome She examines parliamentary legislation its enforcement the parallel action undertaken by the army to rid the land of superstition *The English Civil War* Martyn Bennett, 2009-11-02 The English Civil War was a series of armed conflicts and political upheavals which spanned the British Isles in the mid seventeenth century It was fought on a wide range of religious political and racial issues and succeeded in dividing the traditional loyalties of class friendship and family ties within all four kingdoms This unprecedented period of disruption resulted in far reaching political revolution the re evaluation of political representation and social structure and ultimately laid the foundations of the British constitution we know today In *The English Civil War* Martyn Bennett introduces the reader to the main debates surrounding the Civil War from the St Giles riots in Edinburgh in 1637 to the restoration of Charles II in May 1660 Complete with biographies of the key personalities and descriptions of events battles and military institutions Bennett covers the run up to the conflict the wars themselves and the aftermath This comprehensive A Z companion to the history of the civil wars provides all the facts and figures that an armchair general would ever need *Atlas of the English Civil War* P.R Newman, 2005-06-20 The English Civil War is a subject which continues to excite enormous interest throughout the world This atlas consists of over fifty maps illustrating all the major and many of the minor bloody campaigns and battles of the War including the campaigns of Montrose the battle of Edgehill and Langport Providing a complete introductory history to the turbulent period it also includes maps giving essential background information detailed accompanying explanations a useful context to events **Reflections on the Puritan Revolution** Alfred Leslie Rowse, 2023 Reflections on the Puritan Revolution 1986 examines the damage done by the Puritans during the

English Civil War and the enormous artistic losses England suffered from their activities The Puritans smashed stained glass monuments sculpture brasses in cathedrals and churches they destroyed organs dispersed the choirs and the music They sold the King s art collections pictures statues plate gems and jewels abroad and broke up the Coronation regalia They closed down the theatres and ended Caroline poetry The greatest composer and most promising scientist of the age were among the many lives lost and this all besides the ruin of palaces castles and mansions *The English Civil War* Peter

Gaunt,2014-05-09 Sir God hath taken away your eldest son by a cannon shot It brake his leg We were necessitated to have it cut off whereof he died In one of the most famous and moving letters of the Civil War Oliver Cromwell told his brother in law that on 2 July 1644 Parliament had won an emphatic victory over a Royalist army commanded by King Charles I s nephew Prince Rupert on rolling moorland west of York But that battle Marston Moor had also slain his own nephew the recipient s firstborn In this vividly narrated history of the deadly conflict that engulfed the nation during the 1640s Peter Gaunt shows that with the exception of World War I the death rate was higher than any other contest in which Britain has participated Numerous towns and villages were garrisoned attacked damaged or wrecked The landscape was profoundly altered Yet amidst all the blood and killing the fighting was also a catalyst for profound social change and innovation Charting major battles raids and engagements the author uses rich contemporary accounts to explore the life changing experience of war for those involved whether musketeers at Cheriton dragoons at Edgehill or Cromwell s disciplined Ironsides at Naseby 1645

**A Brief History of the English Civil Wars** John Miller,2013-02-07 Miller provides a clear and comprehensible narrative a coherent and accurate synthesis intended as a guide for students and the general reader to an extremely complex period in British history His aim is to help readers avoid getting lost in a maze of detail and rather to maintain a grasp of the big picture Although the English Civil War is usually seen in England at least as a conflict between two sides it involved the Scots the Irish and the army and the people of England especially London At some points events occurred and perspectives changed with such disorienting rapidity that even those who lived through these events were confused as to where they stood in relation to one another As the 1640s wore on events unfolded in ways which the participants had not expected and in many cases did not want Hindsight might suggest that everything led logically to the trial and execution of the king but these were in fact highly improbable outcomes Since the 1980s a three kingdoms approach has become almost compulsory but Miller s focus is unashamedly on England Events in Scotland and Ireland are covered only insofar as they had an impact on events in England **The English Civil War** John Adamson,2008-12-16 John Adamson provides a new synthesis of current

research on the political crisis that engulfed England in the 1640s Drawing on new archival findings and challenging current orthodoxies these essays by leading historians offer a variety of original perspectives locating English events firmly within a three kingdoms context *The British Gentry, the Southern Planter, and the Northern Family Farmer* James L.

Huston,2015-05-04 JAMES L HUSTON is professor of history at Oklahoma State University and the author of *The Panic of*

1857 and the Coming of the Civil War Securing the Fruits of Labor The American Concept of Wealth Distribution 1765 1900 Calculating the Value of the Union Slavery Property Rights and the Economic Origins of the Civil War and Stephen A Douglas and the Dilemmas of Democratic Equality Routledge Library Editions: English Civil War Various Authors,2022-08-12 Originally published between 1910 and 1991 the volumes in this set cover a relatively big subject especially in the UK and in the area of Early Modern History They Provide coherent introductions to a complex period with maps in certain volumes adding lucidity Include broad coverage of social political and judicial history Cover lesser known battles right through from 1639 to 1660 Include letters from private collections between Charles I and Royalist commanders and exiles **Royalists and Royalism during the English Civil Wars** Jason McElligott,David L. Smith,2007-09-06 Much ink has been spent on accounts of the English Civil Wars of the mid seventeenth century yet royalism has been largely neglected This volume of essays by leading scholars in the field seeks to fill that significant gap in our understanding by focusing on those who took up arms for the king The royalists described were not reactionary absolutist extremists but pragmatic moderate men who were not so different in temperament or background from the vast majority of those who decided to side with or were forced by circumstances to side with Parliament and its army The essays force us to think beyond the simplistic dichotomy between royalist absolutists and constitutionalists and suggest instead that allegiances were much more fluid and contingent than has hitherto been recognized This is a major contribution to the political and intellectual history of the Civil Wars and of early modern England more generally Historical Dictionary of the Puritans Charles Pastoor,Galen K. Johnson,2007-06-12 Members of the Church of England until the mid 16th century the Puritans thought the Church had become too political and needed to be purified While many Puritans believed the Church was capable of reform a large number decided that separating from the Church was their only remaining course of action Thus the mass migration of Puritans known as Pilgrims to America took place Although Puritanism died in England around 1689 and in America in 1758 Puritan beliefs such as self reliance frugality industry and energy remain standards of the American ideal The Historical Dictionary of Puritans tells the story of Puritanism from its origins until its eventual demise This is done through a chronology an introduction a bibliography and several hundred cross referenced dictionary entries on important people places and events **The A to Z of the British and Irish Civil Wars 1637-1660** Martyn Bennett,2010-04-06 Through a concise historical chronology and comprehensive overview users of The A to Z of the British and Irish Civil Wars 1637 1660 will find an insightful explanation of the people places and events that indelibly shape the United Kingdom s seventeenth century history Th *The Origins of the English Civil War* Conrad Russell,1973-05-17 This volume in the Problems in Focus series provides a concise summary of arguments about the causes of the English Civil War and of the present state of historical research in this field The nine contributors experts in the subject they write on cover such issues as whether there was any economic clash between the two sides in the Civil War whether they represented two conflicting cultures whether the issues involved were European or purely English

whether there is any connection between Puritanism and revolution and what was involved in the fear of Popery In many areas this integrated collection of original studies breaks new ground and brings the student up to date with current research much of it published here for the first time It concentrates on central themes of debate for which clarification is most useful to students Though primarily intended for historians its treatment of social and cultural factors makes it useful to interdisciplinary studies and to students of literature and society in the seventeenth century *The A to Z of the Puritans* Charles Pastoor, Galen K. Johnson, 2009-09-28 Members of the Church of England until the mid 16th century the Puritans thought the Church had become too political and needed to be purified While many Puritans believed the Church was capable of reform a large number decided that separating from the Church was their only remaining course of action Thus the mass migration of Puritans known as Pilgrims to America took place Although Puritanism died in England around 1689 and in America in 1758 Puritan beliefs such as self reliance frugality industry and energy remain standards of the American ideal The A to Z of Puritans tells the story of Puritanism from its origins until its eventual demise This is done through a chronology an introduction a bibliography and several hundred cross referenced dictionary entries on important people places and events **Religious Instruction for Soldiers in the First English Civil War, 1642-1646** Antti

Taipale, 2025-07-14 This monograph examines religion in the first English Civil War as a tool for war both in instructing soldiers and portraying the enemy It argues that thus far the remarkable differences between the teaching of Parliamentary and Royalist ministers to their respective armies have gone largely unnoticed Relying on the methodologies of intellectual history combined with a comparative approach it offers a new interpretation of soldiers religious radicalism and highlights differences between the armies spiritual edification Hence it contributes significantly to the history of the Wars of the Three Kingdoms and to the study of political radicalisation leading up to the regicide of Charles I Moreover it offers a detailed study of the ways in which religion was used as a tool for war in the early modern period The role of religion has often been at the centre of historiography of the Wars of the Three Kingdoms 1639 1653 This prominence has culminated in the stereotypical character of a godly Puritan soldier especially in relation to the New Model Army However while there have been debates about the role and importance of religion for the conduct and success of the armies the theme of soldiers religious instruction as a tool of advice and indoctrination has received less attention The main aim of this book is thus to rectify this lack in the historiographical mainstream and to set out a new significant interpretation of the religious character of the Civil War Poetry and Allegiance in the English Civil Wars Nicholas McDowell, 2008-11-20 This book explores the things which united rather than divided poets during the English Civil Wars focusing less on conflicts between Cavaliers and Roundheads than on the friendships and shared literary enthusiasms of men of various political allegiance Includes new readings of the early verse of John Milton and Andrew Marvell

When somebody should go to the book stores, search creation by shop, shelf by shelf, it is in point of fact problematic. This is why we offer the book compilations in this website. It will certainly ease you to look guide **Puritan Revolution And The English Civil War** as you such as.

By searching the title, publisher, or authors of guide you really want, you can discover them rapidly. In the house, workplace, or perhaps in your method can be all best area within net connections.
