

PURITAN PROMENADE

Puritan Promenade

Moorland Foundation

Puritan Promenade:

Puritan Promenade Martha Bacon, 1964 Sketches of New England women of the 18th and 19th centuries whose nonconformist ideas distinguished them in their times Includes Phillis Wheatley Lydia Huntley Sigourney Catharine Esther Beecher and Delia Bacon *Puritan promenade* Martha Oliver-Smith, 1964 **The Odyssey of Phillis Wheatley** David Waldstreicher, 2023-03-07 A New York Times notable book of 2023 A finalist for the Los Angeles Times Book Prize for biography Winner of the 2024 George Washington Prize An erudite enlightening new biography Waldstreicher's interpretations equal Wheatley's own intentional verse making it a joy to follow along as he unpacks her words and their arrangement Tiya Miles *The Atlantic* Thoroughly researched beautifully rendered and cogently argued *The Odyssey of Phillis Wheatley* is historical biography at its best Kerri Greenidge *The New York Times Book Review* Editors Choice A paradigm shattering biography of Phillis Wheatley whose extraordinary poetry set African American literature at the heart of the American Revolution Admired by George Washington ridiculed by Thomas Jefferson published in London and read far and wide Phillis Wheatley led one of the most extraordinary American lives Seized in West Africa and forced into slavery as a child she was sold to a merchant family in Boston where she became a noted poet at a young age Mastering the Bible Greek and Latin translations and the works of Pope and Milton she composed elegies for local elites celebrated political events praised warriors and used her verse to variously lampoon question and assert the injustice of her enslaved condition Can I then but pray Others may never feel tyrannic sway By doing so she added her voice to a vibrant multisided conversation about race slavery and discontent with British rule before and after her emancipation her verses shook up racial etiquette and used familiar forms to create bold new meanings She demonstrated a complex but crucial fact of the times that the American Revolution both strengthened and limited Black slavery In this new biography the historian David Waldstreicher offers the fullest account to date of Wheatley's life and works correcting myths reconstructing intimate friendships and deepening our understanding of her verse and the revolutionary era Throughout *The Odyssey of Phillis Wheatley* he demonstrates the continued vitality and resonance of a woman who wrote in a founding gesture of American literature Thy Power O Liberty makes strong the weak And wond'rous instinct Ethiopians speak **The Trials of Phillis Wheatley** Henry Louis Gates, Jr., 2010-10 In 1773 the slave Phillis Wheatley literally wrote her way to freedom The first person of African descent to publish a book of poems in English she was emancipated by her owners in recognition of her literary achievement For a time Wheatley was the most famous black woman in the West But Thomas Jefferson unlike his contemporaries Ben Franklin and George Washington refused to acknowledge her gifts as a writer a repudiation that eventually inspired generations of black writers to build an extraordinary body of literature in their efforts to prove him wrong In *The Trials of Phillis Wheatley* Henry Louis Gates Jr explores the pivotal roles that Wheatley and Jefferson played in shaping the black literary tradition Writing with all the lyricism and critical skill that place him at the forefront of American letters Gates brings

to life the characters debates and controversy that surrounded Wheatley in her day and ours *The Collected Works of Phillis Wheatley* Phillis Wheatley,1988 Contains the complete works of the first African American to publish a book of poetry

Contested Will James Shapiro,2010-04-06 In this remarkable book Shakespeare scholar James Shapiro author of *Shakespeare in a Divided America* explains when and why so many people began to question whether Shakespeare wrote his plays For more than two hundred years after William Shakespeare s death no one doubted that he had written his plays Since then however dozens of candidates have been proposed for the authorship of what is generally agreed to be the finest body of work by a writer in the English language In this remarkable book Shakespeare scholar James Shapiro explains when and why so many people began to question whether Shakespeare wrote his plays Among the doubters have been such writers and thinkers as Sigmund Freud Henry James Mark Twain and Helen Keller It is a fascinating story replete with forgeries deception false claimants ciphers and codes conspiracy theories and a stunning failure to grasp the power of the imagination As *Contested Will* makes clear much more than proper attribution of Shakespeare s plays is at stake in this authorship controversy Underlying the arguments over whether Christopher Marlowe Francis Bacon or the Earl of Oxford wrote Shakespeare s plays are fundamental questions about literary genius specifically about the relationship of life and art Are the plays and poems of Shakespeare a sort of hidden autobiography Do Hamlet Macbeth and the other great plays somehow reveal who wrote them Shapiro is the first Shakespeare scholar to examine the authorship controversy and its history in this way explaining what it means why it matters and how it has persisted despite abundant evidence that William Shakespeare of Stratford wrote the plays attributed to him This is a brilliant historical investigation that will delight anyone interested in Shakespeare and the literary imagination *Yale* Brooks Mather Kelley,1974-01-01 This lively history of Yale traces the development of the college from its founding in 1701 by a small group of Puritan clergymen intent on preserving the purity of the faith in Connecticut to its survival in the eighteenth century as a center for intellectual life to its expansion in the nineteenth and twentieth centuries as a major international university For tasting one of the well springs of a peculiarly American version of higher learning *Yale A History* is clearly to be recommended to readers anywhere It will be read with profit as well as enjoyment *Times Higher Education Supplement* Kelley sustains his theme well and reconstructs the institutional development of Yale with considerable skill and empathy A very informative book *Journal of American History* Useful both for those primarily interested in Yale as an institution and for students of the history of higher education generally *The Historian* A readable accurate synthesis of Yale s internal history fully comparable to the best single volume treatments of other major universities *Times Literary Supplement* **Notable American Women, 1607-1950** Radcliffe College,1971 Vol 1 A F Vol 2 G O Vol 3 P Z modern period **Black American Writers** NA NA,2015-12-25 **Phillis Wheatley and the Romantics** John C. Shields,2010-07-27 Phillis Wheatley was the first African American to publish a book Born in Gambia in 1753 she came to America aboard a slave ship the *Phillis* From an early age Wheatley exhibited a profound

gift for verse publishing her first poem in 1767 Her tribute to a famed pastor On the Death of the Rev Mr George Whitefield followed in 1770 catapulting her into the international spotlight and publication of her 1773 Poems on Various Subjects Religious and Moral in London created her an international star Despite the attention she received at the time history has not been kind to Wheatley Her work has long been neglected or denigrated by literary critics and historians John C Shields a scholar of early American literature has tried to help change this perception and Wheatley has begun to take her place among the elite of American writers In Phillis Wheatley and the Romantic Age Shields contends that Wheatley was not only a brilliant writer but one whose work made a significant impression on renowned Europeans of the Romantic age such as Samuel Taylor Coleridge who borrowed liberally from her works particularly in his famous distinction between fancy and imagination Shields shows how certain Wheatley texts particularly her Long Poem consisting of On Recollection Thoughts on the Works of Providence and On Imagination helped shape the face of Romanticism in the late eighteenth and nineteenth centuries Phillis Wheatley and the Romantic Age helps demolish the long held notion that literary culture flowed in only one direction from Europe to the Americas Thanks to Wheatley s influence Shields argues the New World was influencing European literary masters far sooner than has been generally understood *Epic in American Culture* Christopher N. Phillips,2012-05 This book investigates the concept of what it means to be epic and its form in American life literature and art from the country s early days **The Trickster Comes West** Babacar M'baye,2010-02-11 In the past scholars have looked at narratives of the African diaspora only to discover how these memoirs poems and fictions related to the West The Trickster Comes West Pan African Influence in Early Black Diasporan Narratives explores relationships among African American Afro Caribbean and Afro British narratives of slavery and of New World and British oppression and what African influences brought to these diasporic expressions Using an interdisciplinary method that combines history literary theory cultural studies anthropology folklore and philosophy the book examines the work of Pan African trickster icons such as Leuk Rabbit Golo Monkey Bouki Hyena Mbe Tortoise and Anancy Spider on the resistance strategies of early black writers who were exposing the evils of slavery racism sexism economic exploitation and other forms of oppression Works discussed in this book include Phillis Wheatley s Poems on Various Subjects Religious and Moral 1773 Quobna Ottobah Cugoano s Thoughts and Sentiments on the Evil of Slavery 1787 Olaudah Equiano s The Interesting Narrative of the Life of Olaudah Equiano 1795 Elizabeth Hart Thwaites s History of Methodism 1804 Anne Hart Gilbert s History of Methodism 1804 and Mary Prince s The History of Mary Prince A West Indian Slave Related By Herself 1831 Analyzing these writings in the context of the black Atlantic struggle for freedom The Trickster Comes West relocates the beginnings of Pan Africanism and suggests the strong influence of its theories of communal resistance racial solidarity and economic development on pioneering black narratives

Books on Early American History and Culture, 1961-1970 Raymond D. Irwin,2007-02-28 Each entry within this guide outlines scholarly books authors editors and publishers that exhibit the most useful information for research Following

each detailed citation is a brief summary of the book Each book listed covers a wide variety of subjects in American history including Native Americans slavery gender and migration to rural life agriculture politics government and communication This volume is part of a series of annotated bibliographies on early American history and culture Extensive indexes thematic chapters and book summaries will assist any researcher in an easy manner Aside from outlining fantastic scholarly books this book includes chapters on general early American history historiography and public history to name a few This is the only comprehensive guide to early American history and culture for this period and it indicates which books from the 1960s have been most influential in the journal literature of the past twenty five years **Greasepaint Puritan** Maya Cantu,2024-01-16

Greasepaint Puritan reclaims the life and work of Bradford Ropes author of the bawdy 1932 novel 42nd Street on which the classic film and its stage adaptation are based Ropes s long forgotten novels inspired by his own experiences as a performer offer rare glimpses into backstage Broadway and the lives of gay men in show business Descended from Mayflower Pilgrims Ropes rebelled against the Proper Bostonian life in a career that touched upon the Jazz Age American vaudeville and theater censorship Greasepaint Puritan restores Bradford Ropes s life and legacy as they live on in the Hollywood and Broadway incarnations of 42nd Street recovering the forgotten melody of the man who first envisioned its colorful characters *The*
