Pursuing Postdependency Politics Southsouth Relations In The Caribbean

Denis Martin, Fred Constant

Pursuing Postdependency Politics Southsouth Relations In The Caribbean:

Dependency and Socialism in the Modern Caribbean Euclid A. Rose, 2002-01-01 Was the Anglophone Caribbean condemned by its colonial history to permanent conditions of dependency and by Cold War geopolitical realities to international interventionism In *Dependency and Socialism in the Modern Caribbean* Euclid Rose focuses upon the efforts made by the English speaking Caribbean through case studies that compare and contrast the political economies of Guyana Jamaica and Grenada to break out of the legacy of colonial dependency and underdevelopment through the implementation of a Caribbean brand of socialism The work considers the Caribbean s adoption of Fabian style socialism as an alternative to capitalist development and how these socialist policies were impacted by differences in infrastructure capacity economic and social resources and political agendas It highlights the pivotal role of race and class and the hitherto little studied impact of religion on the region s political economy Moreover the study calculates the impact of the global economy upon Caribbean socio economic conditions and the ideological geopolitical and strategic implications of the Cold War and the Caribbean s socialist alignment on the nature character and intensity of British and American interventionism in the region A must read for political economists in search of a greater understanding of the postcolonial political economy of the Caribbean and Latin America

Latin America And The Caribbean In The International System G. Pope Atkins, 2018-02-06 The fourth edition of this widely praised text has been thoroughly revised to reflect the evolving characteristics of the current international system that have had a dramatic effect on every aspect of international relations of Latin America and the Caribbean The original purpose of this book is unchanged It continues to provide a topically current and analytically integrated survey of the region s role in the world Still organized around the idea of Latin America and the Caribbean as a separate subsystem within the global international system the discussion gives special emphasis to complex interstate and transnational structures and processes Within this framework Atkins analyzes the foreign policies of the Latin American states themselves and those of the United States and other countries toward Latin America and the Caribbean He also looks closely at the nature and role of transnational actors in the region such as the multinational corporations the Holy See Protestant Churches transnational political parties international labor nongovernmental organizations and others He gives special attention to Latin American participation in international institutions at all levels

Contending with Destiny Denis Benn, Kenneth Hall, 2000 At the beginning of the 21st Century the Caribbean faces a number of fundamental challenges which will require creative responses from the countries in the region *Contending with Destiny The Caribbean in the 21st Century* reflects the views of some of the leading minds in the region on possible approaches for responding to these challenges The book captures the rich array of ideas practical proposals presented by three Caribbean prime ministers scholars policymakers in both the public and private sectors the NGO community and representatives of regional institutions All but one of the papers featured in this publication were presented at the Conference on the Caribbean in the 21st Century organised by the University of the West Indies in

cooperation with the CARICOM Secretariat and the Caribbean Development Bank in September 1999 **General History of the Caribbean** Brereton, Bridget, Martínez-Vergne, Teresita, Römer, René A., Silvestrini, Blanca G., UNESCO, 2004-12-31 The major objective of this publication is to provide an account and interpretation of the historical development of the region from around 1930 to the end of the century Within its compass are the turbulent thirties including the Cuban Revolution of 1933 and the labour protests in the British Caribbean of 1934 the strategic position occupied by the region during the Second World War the development of proletarian movements and trade unions and their links with political parties decolonization political evolution in the French and Dutch Caribbean and the turn to the left made in the 1970s by a number of Anglophone Caribbean countries notably Grenada Also examined are the Castro Revolution and its aftermath to the 1990s ethnicity and race consciousness and their effects in uniting or dividing communities and nations international relations and regional co operation changes in social and demographic structures including the role and status of women education migration and urbanization and the beliefs and cultural experiences which underpin Caribbean identity The final chapter provides an overall survey of changes in the quality of life in the Caribbean during the twentieth century Encyclopedia of the Inter-American System G. Pope Atkins, 1997-03-18 A reference guide to all the elements of the Inter American System from its formal beginning in 1889 to the present as it developed into a major multipurpose regional inter governmental organization IGO The most notable elements in the current Inter American System are the Organization of American States OAS the Inter American Development Bank IDB and the Inter American Treaty of Reciprocal Assistance Rio Treaty Regime Today all 35 sovereign American states are members of the OAS This book makes clear reference to the system s interrelationships with other IGOs and states outside the Western Hemisphere Unique in its scope and approach to the subject this work is intended to provide the reader with access to information on general as well as specific subjects It is compiled with an interdisciplinary approach and addressed to a variety of readers from students and scholars to professionals and government officials With some 250 entries cross referenced and thoroughly indexed this encyclopedia refers to membership and observers in the various organizational elements policy orientations of the state members treaties conventions protocols declarations and resolutions concluded over the years concepts and doctrines underlying American regional organization multinational principles and policies in major categories of activity and cases of conflict and other situations undertaken by the system including places events issues and individuals notable for their contributions

Democracy and Development R.C. Bhardwaj, K. Vijayakrishnan, 2018-10-26 Published in 1998 The question of whether democracy and development are allies or adversaries has long been debated and with the triumph of the democratic spirit worldwide the relationship between democracy and development has once again come to attract much attention globally The collapse of the Soviet Union and the developments in Eastern Europe led to considerable rethinking in political circles on the efficacy of the economic policies pursued in those countries and the long term viability of political systems prevalent there

Elsewhere several newly industrialized countries are striving to consolidate their gains though there are differing perceptions of whether their politics conform to the classical framework of democracy or not In a remarkable turn around some other countries have initiated measures for economic reforms and structural adjustment setting aside their earlier approaches towards economic management In short the last decades of this millennium have witnessed meaningful efforts worldwide on forging a new partnership between democracy and development In February 1996 the Commonwealth Parliamentary Association jointly organized a conference entitled Parliamentary Democracy and Development Allies or Adversaries with the Wilton Park an international agency of the British Commonwealth and Foreign Office in Wilton House West Sussex United Kingdom The week long conference brought together parliamentarians diplomats administrators political scientists economists and specialists from all over the world The participants shared their views and experiences on diverse aspects of the main theme This publication presents an essentially parliamentary perspective on the correlation between democracy and development based on the discussions at the Wilton Park conference and in the light of current thinking on the subject matter

General History of the Caribbean UNESCO Volume 5 NA NA,2019-06-12 Volume 5 provides an account and interpretation of the historical development of the region from around 1930 to the end of the twentieth century Its wide ranging study of the economic political religious social and cultural history of this period brings the series to the authorial present Highlights include the turbulent thirties decolonization the turn to the left made in the 1970s by anglophone Caribbean countries the Castro Revolution and changes in social and demographic structures including ethnicity and race consciousness and the role and status of women

International Bibliography of the Social Sciences ,1994 The IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge of the social sciences

Handbook of Latin American Studies Dolores Moyano Martin,P. Sue Mundell,1997-12-01 Beginning with volume 41 1979 the University of Texas Press became the publisher of the Handbook of Latin American Studies the most comprehensive annual bibliography in the field Compiled by the Hispanic Division of the Library of Congress and annotated by a corps of more than 130 specialists in various disciplines the Handbook alternates from year to year between social sciences and humanities The Handbook annotates works on Mexico Central America the Caribbean and the Guianas Spanish South America and Brazil as well as materials covering Latin America as a whole Most of the subsections are preceded by introductory essays that serve as biannual evaluations of the literature and research underway in specialized areas The Handbook of Latin American Studies is the oldest continuing reference work in the field Dolores Moyano Martin of the Library of Congress Hispanic Division has been the editor since 1977 and P Sue Mundell has been assistant editor since 1994 The subject categories for Volume 55 are as follows Anthropology including Archaeology and Ethnology Economics Electronic Resources for the Social Sciences Geography Government and Politics International Relations Sociology

Pursuing Postdependency Politics H. Michael

Erisman,1992 This work seeks to examine in both theoretical and practical terms the generally unexplored waters of post dependency politics Erisman argues that the option of South South relations can be a viable way for a developing country to move beyond dependency by acquiring either enough bargaining power to exert some control over the terms of its dependent North South relations or the manoeuvring space necessary to minimise its exposure to any single foreign source of influence Although focusing on the South South initiatives of the West Indies CARICOM states he sheds light as well on the evolving role of small states in general in the contemporary international system *European Review of Latin American and Caribbean Studies* ,2005 *The Slave Societies of the Caribbean* ,1997 The Caribbean in the Twentieth Century Bridget Brereton,Teresita Martínez Vergne,René A. Römer,Blanca G. Silvestrini,2004 The major objective of this publication is to provide an account and interpretation of the historical development of the region from around 1930 to the end of the century Within its compass are the turbulent thirties including the Cuban Revolution of 1933 and the labour protests in the British Caribbean of 1934 the strategic position occupied by the region during the Second World War the development of proletarian movements and trade unions and their links with political parties decolonization political evolution in the French and Dutch Caribbean and the turn to the left made in the 1970s by a number of Anglophone Caribbean countries notably Grenada Also examined are the Castro Revolution and its aftermath to the 1990s ethnicity and race consciousness and their effects in uniting or dividing communities and nations international relations and regional co operation changes in social and demographic structures including the role and status of women education migration and urbanization and the beliefs and cultural experiences which underpin Caribbean identity The final chapter provides an overall survey of changes in the quality of life in the Caribbean during the twentieth century Handbook Of Research On The International Relations Of Latin America And The Caribbean G. Pope Atkins,2018-02-12 The study of Latin American and Caribbean international relations has a long evolution both within the development of international relations as a general academic undertaking and in terms of the particular characteristics that distinguish the approaches taken by scholars in the field This handbook provides a thorough multidisciplinary reference guide to the literature on the various elements of the international relations of Latin America and the Caribbean Citing over 1600 sources that date from the nineteenth century to the present with emphasis on recent decades the volume s analytic essays trace the evolution of research in terms of concepts issues and themes The Handbook is a companion volume to Atkins Latin America and the Caribbean in the International System Fourth Edition but also serves as an invaluable stand alone reference volume for students scholars researchers journalists and practitioners both official and private The Parliamentarian ,1993 Handbook of Latin American Studies ,2000 Contains scholarly evaluations of books and book chapters as well as conference papers and articles published worldwide in the field of Latin American studies Covers social sciences and the humanities in alternate years **Les Démocraties Antillaises en Crise** Denis Martin,Fred Constant,1996-01-01 Lorsqu ils deviennent ind pendants dans les ann es 1960 les principaux Etats des

The Trouble in Suriname, 1975-1993 Edward M. Dew, 1994-11-30
Written by the leading political expert on Suriname this thrilling tale describes ethnically inspired guerilla warfare terrible human rights violations military coups painful redemocratization processes and economic implosion Although part of the American family of nations in the Western Hemisphere there is almost nothing written about Suriname as a modern country There are some ethnographies some histories of ex slave rebellions and passing references to the atrocities of colonial plantation systems After that the dark clouds of obscurity close over a fascinating if beleaguered close American cousin one whose history as an independent nation has much to say to the strife ridden trouble spots of the 1990s Bosnia Sri Lanka Liberia and Nicaragua
