## **Radical Christianity Living Your Life For The Ultimate Cause Jesus Christ:**

**Stomping Out Depression** Neil T. Anderson, Dave Park, 2001-12-04 Once depression was thought only to be an adult problem But research clearly indicates that depression has become common among modern teens and pre teens Often teens struggling with depression don't believe that anyone can relate to their circumstances or understand what they are going through But Jesus knows what it's like to feel rejected unloved and let down by the people we love And the Bible tells us that a close walk with Christ will give us a sound mind Now the Breaker Youth Edition shows teens how Jesus can change the way they think and the way they live

**Surviving Adolescence** Jim Burns, 1997 Discusses a variety of common problems that teenagers face and gives advice on how to cope with them from a Christian point of view

**Rules for Radical Christians** Nelson R Foster, 2019-10-04 This book is a brutal expose of religion's failure to keep and preserve our Godly American culture and the unconventional answer to restore the cultural soul that is rightfully ours to maintain It exposes the history and spiritual influences behind the decline and the process Christians can follow to reverse that decline Liberals may claim that they are godless Atheists but the truth is they are following the doctrines of Lucifer and following a game plan taught by followers of Lucifer We are losing a spiritual battle by fighting with the tools of the flesh logic reason emotion science and the law We are bound to lose We

need to learn the rules and methods that have been proven to work spiritually against a ruthless spiritual opponent Liberals know full well that they are fighting for the soul of our nation We need to realize that the soul they are fighting for is the complete corruption and loss of the Godly soul our founding fathers tried to establish for our nation It not only presents the problem but also provides the solution to our problem and the promise that the problem of ungodliness in our culture can be reversed Godliness can be restored We are also fighting for the soul of our nation It is NOT the same soul that the Liberals are trying to preserve They have corrupted our nation by deception We can restore the national soul they corrupted with the truth *Jump! Exploring Our Spiritual Existence* Brent D. Bailey, 2023-01-11

*Jump! Exploring Our Spiritual Existence* will speak truth to the hearts of those guided by the Holy Spirit but it will also be a fascinating read for anyone in search of a deeper discussion of spiritual influences This book builds upon the vital foundation of experiencing a personal relationship with God and examines barriers that can distract from this relationship It explores the spiritual forces of this world by observing the personality traits of God versus Satan Better recognizing these personalities will equip the reader to see their power in his or her own life This book will deepen your relationship with the triune God and help develop your discernment of spiritual influences If you are an out of the box thinker you will enjoy the expansive spiritual thoughts grounded in Scripture

*Ethics* Dietrich Bonhoeffer, 2009 Called by Karl Barth the brilliant *Ethics* of Dietrich Bonhoeffer this book is finally being recognized as Bonhoeffer's magnum opus and one of the most important works of Christian ethics of the last century Presented here in a new translation and a striking new arrangement it is based on intensive study of the original manuscripts and includes copious historical notes and commentary Written in the midst of the conspiracy to overthrow the Hitler regime it is nonetheless chiefly concerned with ethics for the postwar time of reconstruction and peace Focused on Christ the God who became human and the vision of a world reconciled with God the *Ethics* shuns abstraction seeks the will of God in concrete historical reality and calls the church to be a transforming community in the world with a new responsibility in public life

**The Kingdom of God Is among You** Gordon D. Fee, Cherith Fee Nordling, 2025-03-17 In this exciting volume a renowned New Testament scholar provides his lectures on New Testament theology and provides us a window on his approach on a variety of issues He describes the task as follows New Testament theology is the art of giving coherence to the collective witness of the twenty seven New Testament documents as they attest to the Christian faith while not sacrificing the historical particularity of any one text or author within the canon and to do this as clearly as possible and with as much consistency and unity as possible New Testament theology deals with all the New Testament We must resist the tendency to find a canon within the canon or to neglect some lesser figures in the New Testament canon New Testament theology is first of all a descriptive task i.e. we must first try to describe what is there But given our stance toward Scripture what we describe also becomes prescriptive or normative We must never forget that the writings of the New Testament are ad hoc documents written in each and every case to speak to a specific need Thus rather than careful systematic

presentations of theology such as in a book or a lecture the earliest Christian theology is worked out in the marketplace as it were Therefore we must be careful not to force the New Testament writers to answer all of our questions nor even to use our logic or thought forms excerpted from chapter 1

**Rediscovering Christian Realism** James E. Hassell, 2022-10-07 What if there were more helpful ways to deal with the increasing polarization and division within our society What if we could finally overcome the warring between fundamentalists and liberals In *Rediscovering Christian Realism* James Hassell highlights some time tested and proven methods for Christians both to develop and utilize consecrated common sense Christian realism is not so much of a program as it is both a way of accepting our sinful humanity and highlighting the Spirit led way of Jesus Hassell therefore describes ways to temper our idealism without giving into cynicism outlining what he calls The Balanced Approach The Balanced Approach comes from a synthesis of the best work of past Christian realists such as Reinhold and Richard Niebuhr Emil Brunner Paul Tillich John C Bennet and others Hassell has researched and described their insights especially for contemporary application in the real world events of the twenty first century This book is designed especially for those Christians who may find themselves stuck in how to live out their faith more boldly both in the church fellowship and in the public square

Akin, 2014-06-01 Edited by David Platt Daniel L Akin and Tony Merida this new commentary series projected to be 48 volumes takes a Christ centered approach to expositing each book of the Bible Rather than a verse by verse approach the authors have crafted chapters that explain and apply key passages in their assigned Bible books Readers will learn to see Christ in all aspects of Scripture and they will be encouraged by the devotional nature of each exposition *Exalting Jesus in Mark* is written by Daniel L Akin

**The 10 Greatest Struggles of Your Life** Colin S. Smith, 2006-02-01 Many Christians often do not connect their current life struggles to a failure to obey one or all of the Ten Commandments Pastor Colin Smith author of *Unlock the Bible in 30 Days* and the *Unlocking the Bible Story* series here presents a powerful argument that these ancient commands are not only relevant to modern life but also help us gain a better understanding of how to overcome and prevent many of the battles we face

our lives and to return to biblical Christianity To be Fishers of Men we must leave judgment on the doorstep Instead of following legalistic rules we re charged by Jesus to reach out to those around us about our faith and meet them where they are just like our Lord did Radically Real reminds believers of the high price our Savior paid for us out of His great love gives guidance in keeping our swords sharp by staying in the Word and being the fire that burns brightly with the light of Christ in a dark world in need of the Gospel s message Christianity isn t a cold lifeless ruthless set of rules that believers must endure in order to get to Heaven To be a child of God is to have access to a vibrant exciting and fulfilling life if only we leave the middle of the road and make the choice to stand with our transforming Lord [Come and Die: Dying to Self and Living for Christ, A Book on Christian Discipleship](#) Joshua West,2021-10-12 In today s Church we see the world beginning to filter in as people bend to the pressures of this life But in the Scriptures Jesus calls us to do something radical to come and die As we die to our flesh we will live with the eternal reward found only in Him But what does that kind of death look like In Come and Die Pastor Joshua West explores the Scriptures and extrapolates verses to show just what Christ means when He tells His followers to take up your cross and follow Me Are you brave enough to accept His call or will you continue to live this shallow empty life that holds no eternal meaning or reward
