On a glorious fall day in 2012 while sitting in a garden graced by a statue of Mother Mary Gina Lake heard Mother Mary address her You are my beloved child This began an ongoing relationship and communication with Mother Mary This free ebook Ten Teachings for One World is a message from Mother Mary to all her beloved children on earth The teachings are intended to bring us into closer contact with the peace and love that is our divine nature which has the ability to transform our hearts and our world Mother Mary s gentle wisdom will inspire and assist you in awakening to the magnificent being that you are Fifty percent of the profits from this book go to feeding the hungry *Being Happy (Even When You Don't Get What You Want)* Gina Lake,2014-02-28 We expect that getting what we want will finally make us happy but what we find is that it mostly just leads to wanting more or wanting something different Our desires toss us to and fro until we tire of this and begin to question the value of following our desires Being Happy Even When You Don t Get What You Want will help you understand desire and its purpose in your life It will also help you discriminate between your Heart s desires and the ego s and to relate to the ego s desires in a way that reduces suffering and increases joy By pointing out the myths about desire that keep us tied to our ego s desires and the suffering they cause Being Happy Even When You Don t Get What You Want will help you be happy regardless of your desires and whether you are attaining them So it is also about spiritual freedom or liberation which comes from following the Heart our deepest desires instead of the ego s desires It is about becoming a lover of life rather than a desirer A review from Neale Donald Walsch author of Conversations with God Conversations with God says that happiness is not getting what you want it is wanting what you get Others have made the same observation and in fact this thought seems to be as old as time Still it is good to hear it again to visit it once more to connect with the wisdom yet one more time And few books do as good a job as quickly of reconnecting us with that wisdom than this one by Gina Lake This book had a lasting impact on me I highly recommend it It offers a simple accessible articulate and interesting take on the very human experience of desire and gives us the tools to make clear choices about how we want to live our lives An excellent read This book was formerly titled Anatomy of Desire **The Extraterrestrial Vision** Gina Lake,2011-11-27 Have you ever wondered if Earth has been visited and is being visited by beings from elsewhere In The Extraterrestrial Vision you ll find out The origins of the human race What role extraterrestrials have played in Earth s history Who the Greys Orions Zetas Lyrans Pleiadians and Sirians are What Walk ins and Star People are and their involvement with Earth Why the abductions are occurring How extraterrestrials will make first contact with us How to discriminate between the positive and the negative extraterrestrials What we can do to combat evil on Earth What lies ahead What fourth density will be like The Extraterrestrial Vision was first published in 1993 *Beliefs, Emotions, and the Creation of Reality* Gina Lake,2014-05-29 Beliefs are very powerful shapers of reality They can create a heaven on earth or a hell We have the power to be happy because we have the ability to choose what we believe However until we realize that we have this power our beliefs are likely to make us unhappy because the beliefs or conditioning we were given and the beliefs we have acquired along the way

largely misrepresent reality If we are not aware of what we believe and not aware that we have a choice about what we believe then our life will be shaped by those mistaken and limiting beliefs and we will be a passive recipient of the results of those beliefs rather than a conscious co creator of our life Beliefs Emotions and the Creation of Reality explores the exciting arena of creation how beliefs determine our internal reality and consequently our external reality how beliefs that stem from the ego and our conditioning distort our perception of ourselves others and reality and specific ways to move beyond these distorted perceptions to a clearer perception of reality and therefore greater happiness and fulfillment This book was dictated to Gina Lake by Jesus It is one in a trilogy of books by Jesus which includes Love and Surrender and Choice and Will The books in the trilogy can be read in any order They are also available in a single volume called The Jesus Trilogy

Choice and Will Gina Lake,2013-11-25 Choice and Will explores the complex mysterious and important question of who or what chooses The question is complex because there is more than one answer It is mysterious because our nature is mysterious and because the answer may not be what you think The question is important because our choices shape our reality and determine our experience of it Choice and Will invites you to look deeply into the workings of your mind and heart and discover who you are what you really want and where you are going The result of that investigation is bound to be greater mastery of your choices and consequently of your reality This book was dictated by Jesus to Gina Lake using her intuitive senses It is one in a trilogy of books by Jesus which includes Love and Surrender and Beliefs Emotions and the Creation of Reality The books in the trilogy can be read in any order They are also available in a single volume called The Jesus Trilogy **Back To The Truth** Dennis Waite,2010-05-11 A systematic treatment of Advaita which demystifies it differentiating between approaches and teachers enabling you to decide which approach is most suitable for you
