Radical Tories The Conservative Tradition In Canada:

Radical Tories Charles Taylor,1982 **Canadian Conservative Political Thought** Lee Trepanier,Richard Avramenko,2023-03-24 This book corrects an imbalance in Canadian political literature through offering a conservative account of Canadian political thought Across 15 chronologically organized chapters and with a mixture of established and rising scholars the book offers an investigation of the defining features and characteristics of Canadian conservative political thought asking what have Canadian conservative political thinkers and practitioners learned from other traditions and in turn what have they contributed to our understanding of conservative political thought today Rather than its culmination Canadian Conservative Political Thought will be the beginning of conservative political thought s recovery and will spark debates and future research The book will be a great resource for courses on Canadian politics history political philosophy and conservatism Canadian Studies and political theory *Conservatism in Canada* James Farney,David Rayside,2013-12-11 With the electoral success of the Harper Conservatives federally and of a number of conservative parties provincially the topic of Canadian conservatism is more important to our understanding of Canadian party politics than ever before This timely volume presents the first comprehensive examination of Canadian conservatism in a generation a period during which its nature has changed substantially *Conservatism in Canada* explores the ideological character of contemporary Canadian conservatism its support in the electorate its impact on public policies such as immigration and foreign policy and its articulation at both federal and provincial levels The essays include comparisons with other countries including the United States the United Kingdom and Australia as well as specific examinations of conservatism in Ontario Alberta and Quebec Featuring contributions by both established and new scholars in the fields of political science and public policy this volume makes a significant contribution to our understanding of the changing nature of Canadian conservatism and its broader implications for the future of this country *Freedom, Equality, Community* James Bickerton,Stephen Brooks,Alain-G. Gagnon,2006-02-20 Accounts of the work of six significant figures in Canadian political thought are used to examine key intellectual debates including the national unity issue and Canada s relationship with the United States James Bickerton Stephen Brooks and Alain Gagnon analyse the work and influence of George Grant Harold Innis Charles Taylor and Pierre Trudeau as well as two writers crucial to French Canadian nationalism Andr Laurendeau and Marcel Rioux The authors look at the ways these individuals understood freedom equality and community and consider the impact they have had on Canadian political life **Unguarded Border** Donald W. Maxwell,2023-05-12 The United States is accustomed to accepting waves of migrants who are fleeing oppressive conditions and political persecution in their home countries But in the 1960s and 1970s the flow of migration reversed as over fifty thousand Americans fled across the border to Canada to resist military service during the Vietnam War or to escape their homeland s hawkish society *Unguarded Border* tells their stories and in the process describes a migrant experience that does not fit the usual paradigms Rather than treating these American

refugees as unwelcome foreigners Canada embraced them refusing to extradite draft resisters or military deserters and not even requiring passports for the border crossing And instead of forming close knit migrant communities most of these migrants sought to integrate themselves within Canadian society Historian Donald W Maxwell explores how these Americans in exile forged cosmopolitan identities coming to regard themselves as global citizens a status complicated by the Canadian government's attempts to claim them and the U S government's eventual efforts to reclaim them Unguarded Border offers a new perspective on a movement that permanently changed perceptions of compulsory military service migration and national identity

Building Sanctuary Jessica Squires, 2013-09-20 Canada enjoys a reputation as a peaceable kingdom and a refuge from militarism Yet Canadians during the Vietnam War era met American war resisters not with open arms but with political obstacles and public resistance and the border remained closed to what were then called draft dodgers and deserters Between 1965 and 1973 a small but active cadre of Canadian antiwar groups and peace activists launched campaigns to open the border Jessica Squires tells their story often in their own words Interviews and government documents reveal that although these groups ultimately met with success in the process shaping Canadian identity and Canada's relationship with the United States they had to overcome state surveillance and resistance from police politicians and bureaucrats Building Sanctuary not only brings to light overlooked links between the anti draft movement and Canadian immigration policy it challenges cherished notions about Canadian identity and Canada in the 1960s

Encyclopedia of Government and Politics Mary Hawkesworth, Maurice Kogan, 2013-11-07 This is a brand new edition of the critically acclaimed Encyclopedia of Government and Politics which has been fully revised and updated to provide a systematic account of politics and political studies at the beginning of the new millennium Providing a penetrating analysis of government and politics at a global regional and nation state level the Encyclopedia assesses both traditional and contemporary approaches and projects the paths of future research The articles provide a degree of critical analysis far beyond a simple descriptive outline of the subject Internationally respected contributors have been carefully selected to present contending approaches to related topics both to clarify the political implications of the various methodologies and to enrich the portrayal of political life With its expanded revised and updated coverage Encyclopedia of Government and Politics is more than ever an indispensable tool for students teachers professional analysts and policy makers

Encyclopedia of Government and Politics M. E. Hawkesworth, Maurice Kogan, 2004 This is a brand new edition of the critically acclaimed Encyclopedia of Government and Politics which has been fully revised and updated to provide a systematic account of politics and political studies at the beginning of the new millennium Providing a penetrating analysis of government and politics at a global regional and nation state level the Encyclopedia assesses both traditional and contemporary approaches and projects the paths of future research The articles provide a degree of critical analysis far beyond a simple descriptive outline of the subject Internationally respected contributors have been carefully selected to present contending approaches to related

topics both to clarify the political implications of the various methodologies and to enrich the portrayal of political life With its expanded revised and updated coverage Encyclopedia of Government and Politics is more than ever an indispensable tool for students teachers professional analysts and policy makers *Off Course* Duncan M. Taylor, 1994 *Off Course* Restoring the balance between Canadian society and the environment *Dundurn Vietnam War Library Bundle* Michael Maclear, George Fetherling, Fred Gaffen, 2013-10-21 The Vietnam War was a regional conflict that turned into an epic confrontation between ideologies leaving deep scars on the psyches of nations that fought and long lasting physical damage to Vietnam itself The three books in this bundle cover different aspects of the war and the region from Michael Maclear's personal memories as an embedded journalist in North Vietnam to George Fetherling's observations of the state of Southeast Asia today to military historian Fred Gaffen's analysis of the experiences of soldiers travelling to faraway lands to fight in their countries wars Includes *Cross Border Warriors* *Guerrilla Nation Indochina Now and Then* **John A** Richard J. Gwyn, 2009-03-18 The first full scale biography of Canada's first prime minister in half a century by one of our best known and most highly regarded political writers The first volume of Richard Gwyn's definitive biography of John A Macdonald follows his life from his birth in Scotland in 1815 to his emigration with his family to Kingston Ontario to his days as a young rising lawyer to his tragedy ridden first marriage to the birth of his political ambitions to his commitment to the all but impossible challenge of achieving Confederation to his presiding with his second wife Agnes over the first Canada Day of the new Dominion in 1867 Colourful intensely human and with a full measure of human frailties Macdonald was beyond question Canada's most important prime minister This volume describes how Macdonald developed Canada's first true national political party encompassing French and English and occupying the centre of the political spectrum To perpetuate this party Macdonald made systematic use of patronage to recruit talent and to bond supporters a system of politics that continues to this day Gwyn judges that Macdonald if operating on a small stage possessed political skills of manipulation and deception as well as an extraordinary grasp of human nature of the same calibre as the greats of his time such as Disraeli and Lincoln Confederation is the centerpiece here and Gwyn's commentary on Macdonald's pivotal role is original and provocative But his most striking analysis is that the greatest accomplishment of nineteenth century Canadians was not Confederation but rather to decide not to become Americans Macdonald saw Confederation as a means to an end its purpose being to serve as a loud and clear demonstration of the existence of a national will to survive The two threats Macdonald had to contend with were those of annexation by the United States perhaps by force perhaps by osmosis and equally that Britain just might let that annexation happen to avoid a conflict with the continent's new and unbeatable power Gwyn describes Macdonald as Canada's first anti American And in pages brimming with anecdote insight detail and originality he has created an indelible portrait of the irreplaceable man the man who made us Macdonald hadn't so much created a nation as manipulated and seduced and connived and bullied it into existence against the wishes of most of its own citizens Now that Confederation was

done Macdonald would have to do it all over again having conjured up a child nation he would have to nurture it through adolescence towards adulthood How he did this is however another story He never made the least attempt to hide his vice unlike say his contemporary William Gladstone with his sallies across London to save prostitutes or Mackenzie King with his crystal ball gazing Not only was Macdonald entirely unashamed of his behaviour he often actually drew attention to it as in his famous response to a heckler who accused him of being drunk at a public meeting Yes but the people would prefer John A drunk to George Brown sober There was no hypocrisy in Macdonald's make up nor any fear from John A Macdonald John A.: 1815-1867 Richard J. Gwyn, 2007 But it wasn't easy The wily Macdonald faced constant crises throughout these years from Louis Riel's two rebellions through to the Pacific Scandal that almost undid his government and his quest to find the spine of the nation the railroad that would link east to west Gwyn paints a superb portrait of Canada and its leaders through these formative years and also delves deep to show us Macdonald the man as he marries for the second time deals with the birth of a disabled child and the assassination of his close friend Darcy McGee and wrestles with whether Riel should hang

pub desc v 2 **The Myth of the North American City** Michael Goldberg, John Mercer, 2011-11-01 The continuing tendency to continentalize Canadian issues has been particularly marked in the area of urban studies where United States based research findings methodologies and attitudes have held sway In this book Goldberg and Mercer demonstrate that the label North American City as widely used is inappropriate and misleading in discussion of the distinctive Canadian urban environment Examining such elements of the cultural context as mass values social and demographic structures the economy and political institutions they reveal salient differences between Canada and the United States One of the most important of the many contextual differences is the strong collective sense in Canada which accepts more public intervention in social and economic matters in contrast to the American commitment to individualism Canadians consequently expect a livable central city which is compact and well served by public transit and which has a fiscally sound local government To demonstrate these issues the discussion includes a detailed cross national empirical analysis of over 300 North American metropolitan areas along some three dozen dimensions including density transportation household change and structure income and fiscal disparities and economic structure Since much urban planning in Canada is based upon the continentalist assumption this volume should generate a reassessment of policy and encourage the development of a research base to suit the distinctiveness of the Canadian experience With growing pressures to take a North American view of Canadian policies it is vitally important that the differences delineated in this book are understood not just for their urban policy implications but for broader purposes as well

Continental Divide Seymour Martin Lipset, 2013-10-11 Seymour Martin Lipset's highly acclaimed work explores the distinctive character of American and Canadian values and institutions Lipset draws material from a number of sources historical accounts critical interpretations of art aggregate statistics and survey data as well as studies of law religion and government Drawing a vivid portrait of the two countries Continental Divide represents some of

the best comparative social and political research available *Prejudice and Pride* Damien-Claude Bélanger,2011-01-01 As a country with enormous economic military and cultural power the United States can seem an overwhelming neighbour one that demands consideration by politicians thinkers and cultural figures *Prejudice and Pride* examines and compares how English and French Canadian intellectuals viewed American society from 1891 to 1945 Based on over five hundred texts drawn largely from the era s periodical literature the study reveals that English and French Canadian intellectuals shared common preoccupations with the United States though the English tended to emphasize political issues and the French cultural issues Damien Claude Belanger s in depth analysis of anti American sentiment during this era divides Canadian thinkers less along language lines and more according to their political stance as right wing left wing or centrist Significantly the era s discourse regarding American life and the Canadian American relationship was less an expression of nationalism or a reaction to US policy than it was about the expression of wider attitudes concerning modernity **Indochina Now and Then** George Fetherling,2012-03-03 Follow George Fetherling as he travels through Vietnam Laos and Cambodia looking for any remaining traces of the Indochina that was In *Indochina Now and Then* George Fetherling recounts multiple journeys through Vietnam Laos and Cambodia keeping an eye peeled and an ear cocked for whatever faint traces of French rule might remain While doing so he searches diligently in village markets curio shops and rubbish bins not to mention bookstalls along the Seine in Paris for early picture postcards of Southeast Asia the sort that native Frenchmen and Frenchwomen sent home to Europe The book is illustrated with 60 such images most of them taken before the First World War They evoke vanished ways of life in these exotic lands of charm and cruelty that have survived the wars and turmoil of the late 20th century to emerge smiling enigmatically as the friendly face of free market socialism In its prose and pictures *Indochina Now and Then* is a travel narrative that will leave an indelible impression in the reader s imagination **Lament for a Nation** George Grant,2005-11-11 Canadians have relatively few binding national myths but one of the most pervasive and enduring is the conviction that the country is doomed In 1965 George Grant passionately defended Canadian identity by asking fundamental questions about the meaning and future of Canada s political existence In *Lament for a Nation* he argued that Canada immense and underpopulated defined in part by the border history and culture it shares with the United States and torn by conflicting loyalties to Britain Quebec and America had ceased to exist as a sovereign state *Lament for a Nation* became the seminal work in Canadian political thought and Grant became known as the father of Canadian nationalism This edition includes a major introduction by Andrew Potter that explores Grant s arguments in the context of changes in ethnic diversity free trade globalization post modernism and 9 11 Potter discusses the shifting uses of the terms liberal and conservative and closes with a look at the current state of Canadian nationalism **Lament for a Nation** George Parkin Grant,Andrew Potter,2005 In his 1970 introduction to *Lament for a Nation* Professor George Grant modestly expressed doubt whether his study had an enduring importance beyond the particular circumstances occasioning its appearance **Most Dangerous**

Branch Robert Martin,2005-03 One of those rare books with the potential to revive a dying society National Post

Political Visions & Illusions David T. Koyzis,2019-05-07 In this freshly updated comprehensive study political scientist David Koyzis surveys the key political ideologies of our era unpacking the worldview issues inherent to each and pointing out essential strengths and weaknesses Writing with broad international perspective Koyzis is a sensible guide for Christians working in the public square culture watchers and all students of modern political thought

Radical Tories The Conservative Tradition In Canada Introduction

In the digital age, access to information has become easier than ever before. The ability to download Radical Tories The Conservative Tradition In Canada has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Radical Tories The Conservative Tradition In Canada has opened up a world of possibilities. Downloading Radical Tories The Conservative Tradition In Canada provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Radical Tories The Conservative Tradition In Canada has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Radical Tories The Conservative Tradition In Canada. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Radical Tories The Conservative Tradition In Canada. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When

downloading Radical Tories The Conservative Tradition In Canada, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Radical Tories The Conservative Tradition In Canada has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Radical Tories The Conservative Tradition In Canada Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Radical Tories The Conservative Tradition In Canada is one of the best book in our library for free trial. We provide copy of Radical Tories The Conservative Tradition In Canada in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Radical Tories The Conservative Tradition In Canada. Where to download Radical Tories The Conservative Tradition In Canada online for free?
