*Radical Hospitality* David Rupprecht, Ruth Rupprecht, 1983      The Art of Hospitality Implementation Guide Yvonne Gentile, Debi Nixon, 2020-05-19 Engaging worship and intentional follow up processes are important but what compels guests to return to our churches is the warmth of our welcome and hospitality that goes beyond their expectations The Art of Hospitality a new comprehensive program developed by hospitality experts from the United Methodist Church of the Resurrection promises to guide a local church in exactly what the program's title implies the artform of creating radical hospitality that infiltrates the heart and culture of the entire church Complete with techniques and strategic planning throughout The Art of Hospitality will effectively change how you do church leaving guests surprised delighted and eager to return The Implementation Guide contains step by step implementation strategies for leadership and teams tasked with developing and leading hospitality ministry Additional components purchased separately include The Art of Hospitality A Practical Guide for a Ministry of Radical Welcome Book Loaded with key principles and methods honed by hospitality experts Debi Nixon and Yvonne Gentile in their work at The Church of the Resurrection this guide is designed to engage staff across all ministry areas in creating a common language around the ministry of welcome The Art of Hospitality Implementation DVD A supplemental DVD to accompany Implementation with visual training in all areas of hospitality The Art of Hospitality Companion Book Three chapter book for the congregation as a whole or small groups to coincide with a sermon series in order to prepare the hearts and minds of the people in the pews This compelling and practical program has been created by two hospitality leaders with credentials to claim their expertise Debi Nixon is the Executive Director of ShareChurch and Yvonne Gentile is the Senior Director of Guest Connections at The United Methodist Church of the Resurrection the largest United Methodist Church in the United States with more than 22 000 members and 13 000 average weekly attendees across its campuses      **Five Practices - Radical Hospitality** Robert Schnase, 2008-08-01 Focus on the Five Practices A Congregation Wide Initiative Based on the book Five Practices of a Fruitful Congregation by Bishop Robert Schnase Imagine a congregation wide focus on these practices that includes a five week sermon series five weeks with every household reading daily devotions and sharing prayers on these practices five weeks of leadership teams and small groups stimulated to take new initiatives five weeks of conversation and commitment focused on the mission of the church These are the practices that lead to excellence and fruitfulness and they can change your church Imagine Five Practices Radical Hospitality is a planning workbook for use in group study It helps lead the group to develop a plan to implement Radical Hospitality in your congregation FREE TEACHING GUIDE Click here to download the free Teaching Guide for Radical Hospitality      Radical Hospitality: Benedict's Way of Love Lonni Collins Pratt, 2011-06-01 For readers of The Benedict Option here is another invaluable collection of Benedictine wisdom to live by Today's culture is increasingly hostile and suspicious toward anyone who appears to be different especially when tragedy strikes Our instinct is to bolt our doors and protect the ones we love But

deep within the heart of Benedictine spirituality lies a remedy to hatred fear and suspicion hospitality At once deeply comforting and sharply challenging true Benedictine hospitality requires that we welcome the stranger not only into our homes but into our hearts With warmth and humor drawing from the monastic tradition and sharing personal anecdotes from their own lives Pratt and Homan encourage us to embrace not only the literal stranger but the stranger within and the stranger in those we love      **No Longer Strangers** Wendy J. Taylor, Margaret Kimball Cross, 2011-10-17 It started simply The pastor would stand outside her church and greet the workers as they came in from the fields She spoke to them in Spanish and they responded And soon a bridge was forged This is the true story of a rural community in Northern California who awakened to the migrant farm workers in their community and chose to embrace them Led by one extraordinary woman who was bolstered by her deep and abiding faith the community offered radical hospitality to the strangers in their midst And in doing so they discovered an important truth that our common humanity binds us all      *The Art of Hospitality Revised Edition* Yvonne Gentile, Debi Nixon, 2024-08-06 Create a culture of radical hospitality that surprises and delights guests beyond their expectations Engaging worship and intentional follow up processes are important but what compels guests to return to our churches is the warmth of our welcome and hospitality that goes beyond their expectations In *The Art of Hospitality* Yvonne Gentile and Debi Nixon guide you and your church creating radical hospitality that infiltrates the heart and culture of the entire congregation Complete with key principles and proven techniques and strategies this compelling and practical program will transform the way you do church leaving guests surprised delighted and eager to return This Revised Edition includes new insights and strategies for effective hospitality and welcome in all aspects of your digital and in person ministry This book is for pastors and other leaders in the church Choose the Companion Book for everyone else in the congregation      **Receiving God's Love** Robert Schnase, 2014-07-15 Since the publication of *Five Practices of Fruitful Congregations* these five practices have helped hundreds of congregations understand their mission renew ministries and stretch toward fruitfulness and excellence for the purpose of Christ Now each of the five practices has been broken out into 4 week small group studies that provide an honest practical and winsome guide to the spiritual journey In *Receiving God's Love* The Practice of Radical Hospitality we learn that our personal walk with Christ begins with an extraordinary receptivity to the grace of God Within the congregation hospitality focuses on inviting and making room for newcomers In our personal walk in distinctive ways we first invite God into our hearts and make space for God in our lives We receive God's love and then offer it to others      Radical Hospitality: From Thought to Action Richard Kearney, Melissa Fitzpatrick, 2021-03-02

**Radical Hospitality for a Prophetic Church** Amanda D. Quantz, 2020 Anchored in Scripture and Tradition *Radical Hospitality for a Prophetic Church* conveys Amanda D Quantz's firsthand experiences as a chaplain working with emerging ministries that meet people where they are Building on the biblical concept that all wisdom was present in the mind of God before creation Quantz argues that this wisdom has filtered into the world's varied religious traditions so that Christians

have much to gain approaching others from different religious or spiritual creeds and learning about their faith traditions and values Whether seekers are experimenting with open Communion church without walls or ancient but little known Christian practices this book is a resource for those who feel stuck in outdated ideas about what it means to be a church

*Radical Hospitality for a Prophetic Church* Amanda D. Quantz, 2019-11-13 Anchored in Scripture and Tradition *Radical Hospitality for a Prophetic Church* conveys Amanda D Quantz's firsthand experiences as a chaplain working with emerging ministries that meet people where they are Building on the biblical concept that all wisdom was present in the mind of God before creation Quantz argues that this wisdom has filtered into the world's varied religious traditions so that Christians have much to gain approaching others from different religious or spiritual creeds and learning about their faith traditions and values Whether seekers are experimenting with open Communion church without walls or ancient but little known Christian practices this book is a resource for those who feel stuck in outdated ideas about what it means to be a church

*Radical Hospitality* Nour Halabi, 2022-12-09 *Radical Hospitality* American Policy Media and Immigration re imagines the ethical relationship of host societies towards newcomers by applying the concept of hospitality to two specific realms that impact the lives of immigrants in the United States policy and media The book calls attention to the moral responsibility of the host in welcoming a stranger It sets the stage for the analysis with a historical background of the first host guest diads of American hospitality arguing that the early history of American hospitality was marked by the degeneration of the host guest relationship into one of host hostage normalizing a racial discrimination that continues to plague immigration hospitality to this day Author Nour Halabi presents a historical policy and media discourse analysis of immigration regulation and media coverage during three periods of US history the 1880s and the Chinese Exclusion Act the 1920s and the National Origins Act and the 2000s and the Muslim travel ban In so doing it demonstrates how U S immigration hospitality from its peaks in the post Independence period to its nadir in the Muslim travel ban has fallen short of true hospitality in spite of the nation's oft touted identity as a nation of immigrants At the same time the book calls attention to how a discourse of hospitality although fraught may allow a radical reimagining of belonging and authority that unsettles settler colonial assumptions of belonging and welcome a restorative outlook to immigration policy and its media coverage in society **Radical Hospitality** Lloyd

Lee Wilson, 2014-04-05 1-3 *John* Carrie Sinclair Wolcott, 2014-08-28 As the old adage goes you have to ask the right questions before you can get the right answers And that's exactly what the Not Your Average Bible Study series helps you do Rather than spoon feeding you with individual facts this study of 1-3 John coaches you on how to think through the text as a whole Tested and proven in Bible Study Magazine it's perfect for group and individual studies alike What does it mean to love in deed and truth For John following Jesus means fearlessly loving all those whom Jesus served In three short letters John challenges the church to reach out to those in the margins and embody radical hospitality just like Jesus Each section of the guide begins with a concise introduction providing context for the biblical passage Next you'll consider questions designed to

prompt your own in depth study You ll also find specific prayer suggestions along with ideas for further research Experience the joy of discovering biblical insights for yourself then apply these lessons to your everyday life This is not your average Bible study

*Radical Hospitality* Sarah Virginia Ford,2006

*Religious Ethics and Migration* Ilup Ahn,2013-11-12 What does it mean to provide justice for undocumented workers who have been living among us without proper legal documentation How can we do justice to the undocumented migrants who have been doing the low skilled low paid jobs unwanted by citizens Why should we even try to do justice for people who violate the laws of the society Religious Ethics and Migration Doing Justice to Undocumented Workers addresses these questions from a distinctive religious ethical perspective the Christian theology of forgiveness and radical hospitality In answering these questions the author employs in depth interdisciplinary dialogues with other relevant disciplines such as immigration history global economics political science legal philosophy and social theory He argues that the political appropriation of a Christian theology of forgiveness and the radical hospitality modeled after it are the most practical and justifiable solutions to the current immigration crisis in North America Critical and interdisciplinary in its approach this book offers a unique comprehensive and balanced perspective regarding the urgent immigration crisis

**Hospitalities** Merle A. Williams,2020-12-23 This collection of imaginative essays traces notions of hospitality across a sequence of theoretical permutations not only as an urgent challenge for our conflicted present but also as foundational for ethics and resonant within the play of language The plural form of the title highlights the inter implication of hospitality with its exclusive others holding suspicious rejection in tension with the receptiveness that transforms socio cultural relations Geographically the collection traverses the globe from Australia and Africa to Britain Europe and the United States weaving exchanges from south to north as well as south to south and thoughtfully remapping our world Temporally the chapters range from the primordial hospitality offered by the earth through the Middle Ages to contemporary detention centres and the crisis of homelessness Thematically hospitality embraces sites of dwelling and the land humans and animals in their complex embodiment spectres and the dead dolls and art objects This text openly welcomes the reader to participate in shaping fresh critical discourses of the hospitable whether in literary and linguistic studies art and architecture philosophy or politics

Kurtz D Min,2014-10-07 MICHAELS MUSINGS consists of blog entries written by Pastor Michael Kurtz over the course of nearly five and one half years Each blog provides a daily reading on a wide variety of topics ranging from social issues to sabbath time and worship service themes to family experiences Following each web log are provided suggested scripture readings a reflection statement to consider and a prayer to offer all related to the theme and content of the daily writing

**A Postcolonial Self** Hee An Choi,2015-09-01 A theologically informed look at the postcolonial self that forms as Korean immigrants confront life in the United States Theologian Choi Hee An explores how

Korean immigrants create a new postcolonial identity in response to life in the United States A Postcolonial Self begins with a discussion of a Korean ethnic self Woori or we and how it differs from Western norms Choi then looks at the independent self the theological debates over this concept and the impact of racism sexism classism and postcolonialism on the formation of this self She concludes with a look at how Korean immigrants especially immigrant women cope with the transition to US culture including prejudice and discrimination and the role the Korean immigrant church plays in this Choi posits that an emergent postcolonial self can be characterized as I and We with Others In Korean immigrant theology and church an extension of this can be characterized as radical hospitality a concept that challenges both immigrants and American society to consider a new mutuality

*The Four Ways Forward* Susan Windley-Daoust, 2022-09-19 An increasingly post Christian world is forcing parishes to re envision how they make disciples of all nations Mt 28 19 Pastors and lay leadership must pivot to building mission first parishes equipped to proclaim the Gospel to those who have not heard it while the number of practicing Catholics falls with increasing speed Parish leaders are hungry for programs and resources to help address these challenges Yet no single model or program can suit every parish and leaders are bogged down with options many of which offer no clear goals or methods In *The Four Ways Forward* Susan Windley Daoust theologian and diocesan director of missionary discipleship provides a road map to pastors and parish staff to make sense of it all To become an apostolic parish there are four effective models to choose from each built on a distinct necessary insight and method in the art of conversion Radical hospitality and proclamation The practice of spiritual multiplication Organizational mission re focus Highlighting divine signs and wonders in our midst Every fruitful joyful evangelizing parish should embrace the insights and methods of at least three of the four models This book not only describes each model giving examples of how it is being used in parishes today but offers a practical blueprint toward crafting a response to the post Christian world including notes on spiritual roadblocks that can get in the way
