

The background of the book cover is a dramatic, low-key photograph. It shows a dark silhouette of a building, possibly a church or a government structure, against a sky filled with swirling, dark clouds. A bright, golden light source, likely the sun or moon, is partially obscured by the clouds on the left side, creating a strong backlighting effect. The overall mood is somber and intense.

## **Radical Islam Vs America:**

*Radical Islam in America* Chris Heffelfinger, 2011-04-30 The radicalization of Muslims and Islamic institutions in the United States Europe and across the Islamic world has fostered a new generation of Islamist activists many of them willing to use violence to achieve their aims In *Radical Islam in America* Chris Heffelfinger describes the development of the Islamist movement examines its efforts and influence in the West and suggests strategies to reduce or eliminate the threat of Islamist terrorism The book distinguishes Islamism the fundamentalist political movement based on Islamic identity and values from the Muslim faith and explores Islamists substantial inroads with Muslims and Muslim educational institutions in the West since the 1960s as well as the larger relationship between Islamist political activism and militancy Heffelfinger argues that the West has often mischaracterized jihadists as a nihilistic irrational force desiring nothing but death and destruction Instead we need to recognize that Islamists are part of a much broader struggle over the political social economic and legal direction of Muslims around the world Our failure to understand the motives behind terrorist tactics has resulted not only in ineffective counterterrorism strategies but also in the proliferation of Islamist militants and sympathizers Among the hundreds of terrorism related arrests since 9 11 a large number were young socially alienated Muslims who were moved by the jihadist message but not directed by jihadist networks overseas That phenomenon and the ideology behind it is what Western society and governments must fully understand in order to construct a viable policy to confront it This book will appeal to scholars and general readers interested in global politics current affairs Middle East terrorism and counterterrorism

**American Heroes in the Fight Against Radical Islam** Oliver North, 2008 What is a Hero New York Times best selling author Oliver North says Real heroes are selfless Those who serve America in harm s way in the war against radical Islam have that quality in abundance And so do their families and loved ones at home Yet they rarely get the attention or coverage they deserve Despite the way they are presented by too many in the press and politics the men and women in uniform today are overwhelmingly good I never cease to be amazed at the self discipline of these brave young Americans They can endure the adrenaline pumping violence of an enemy engagement and then just minutes later help school children get safely to their classes No nation ours included has ever had a military force better than the one we have today I m proud of them You should be too In *American Heroes* a New York Times Wall Street Journal and Washington Post best seller North offers an inspiring first hand account of the extraordinary men and women defending America against radical Islamic terror from his perspective as a forty year member of the United States military a member of the National Security Council staff and serving as the U S government s counter terrorism coordinator from 1983 1986 This patriotic book also pulls in new reports and exclusive full color photographs from War Stories the award winning FOX News Channel series hosted by North Endorsements Oliver North has spent his life among America s heroes This book with its moving words and powerful images will inspire patriots reassure the faint of heart and infuriate our nation s adversaries These are our heroes

they deserve to have their story told and no one is better to tell it than Col North because when it comes to heroes it takes one to know one This book is a treasure Newt Gingrich former Speaker of the House of Representatives and New York Times bestselling author of Real Change Ollie North has been there done that with the American heroes who are winning the war against radical Islamic terror This book is a magnificent tribute to the warriors who defend us all Sean Hannity host of The Sean Hannity Show and FOX News Channel s Hannity Colmes

**Radical Islam's War Against Israel, Christianity and the West** Richard Booker,2011-07-28 This is the handbook about RADICAL ISLAM that you need In a simple readable format here is a book that answers all of your questions about radical Islam Through extensive documented research quotes from radical Islamic leaders in the U S and abroad and years of personal experience in the Middle East author Dr Richard Booker explains the beliefs and practices of Islam and specifically radical Islamists All Americans need to be aware of how radical Islamists plan to destroy Israel subjugate Christianity and turn the West Europe and the United States into Islamic countries Learn the truth about the hottest topic for today including How radical Islamic leaders in the U S and abroad are planning to convert Americans to Islam Pre Islamic worship in Arabia The God of the Koran and the God of the Bible Myths and facts about the Arab Israeli conflict Bible prophecy fulfillment Christians and Jews must take action to preserve our Judeo Christian heritage and way of life start today by arming yourself with knowledge Yet in all these things we are more than conquerors through Him who loved us Romans 8 37

**Inside Jihad: How Radical Islam Works, Why It Should Terrify Us, How to Defeat It** Dr. Tawfik Hamid,2018-07-27 Why has radical Islam become such a deadly threat and why does it dominate the Muslim world Dr Tawfik Hamid answers these and other questions about this evil movement clearly and accessibly in his groundbreaking work Dr Hamid knows about radical Islam firsthand In the early 1980s he was recruited into Jamaa Islamiya a terror group led at the time by Dr Ayman al Zawahiri the man who went on to replace Osama bin Laden as leader of al Qaeda Eventually and miraculously Dr Hamid recognized the insidious nature of violent jihad and rejected its distortions of the Quran the holy book of the Muslim faith Ever since he has pursued the reformation of Islam He has written new interpretations of the Quran s key texts and has shared his message in many mosques Inside Jihad reveals Dr Hamid s deep insights about and passionate opposition to the Islamic terror movement drawn from his direct personal experiences As a medical doctor and an expert on the psychology of the jihadist mindset he explains the roles that sex fear petrodollars and the hijab for women have played in its proliferation And he details his bold plan for Islamic reformation that would eventually change the jihadists minds and end their reign of terror

**America and Political Islam** Fawaz A. Gerges,1999 This book chronicles the policy debates on Islamism in the United States over the course of time providing a comprehensive account of the origins of policy followed by a balanced critique and recommendations for change It then delves deeper into the US political scene to analyze the historical political cultural and security issues that might help explain America s preoccupation with Islam and Muslims Furthermore the author sheds much light on the multiplicity of regional and international factors

such as the political decay of the Middle Eastern state and the end of the Cold War that shape the thinking of US officials about the contemporary Islamist phenomenon In addition to examining the domestic regional and international context of US Islam policy the book applies and tests the pronouncements of US officials in four representative case studies Iran Algeria Egypt and Turkey Finally Gerges addresses the clash of civilizations debate and assesses the relative weight of culture and values in US officials words and deeds on Islamism

**Radical Islam in the West** Brian R. Farmer, 2014-01-10 This book explores the challenge posed by the immersion of 15 million Muslims in Western democracies and the few but volatile terrorists present within the larger body of believers The fact that immersion in Western culture is insufficient to stem the tide of extremism is discussed along with the factors that contribute to the growth of radical Islam such as the presence of charismatic authoritarian leadership educational options that downplay critical thinking and colonialism Hope that radical Islam can be kept to a minimum in Western societies is provided by the Islamic concept of Ijtihad through which Muslims reinterpret their own religion Just as mainstream Mormons have dispensed with polygamy and Christians with witch hunting Muslims in Western societies have the potential to minimize the growth of radicalism Instructors considering this book for use in a course may request an examination copy here

[Reasoning with God](#) Khaled Abou El Fadl, 2014-10-23 In light of recent concern over Shari ah such as proposed laws to prohibit it in the United States and conflict over the role it should play in the new Egyptian constitution many people are confused about the meaning of Shari ah in Islam and its role in the world today In Reasoning with God renowned Islamic scholar Khaled Abou El Fadl explains not only what Shari ah really means but also the way it can revitalize and reengage contemporary Islam After a prologue that provides an essential overview of Shari ah Abou El Fadl explores the moral trajectory of Islam in today s world Weaving powerful personal stories with broader global examples he shows the ways that some interpretations of Islam today have undermined its potential in peace and love Rather than simply outlining challenges however the author provides constructive suggestions about how Muslims can reengage the ethical tradition of their faith through Shari ah As the world s second largest religion Islam remains an important force on the global stage Reasoning with God takes readers both Muslim and non Muslim beyond superficial understandings of Shari ah to a deeper understanding of its meaning and potential

**American Hysteria** Andrew Burt, 2015-05-15 This debut book from Andrew Burt details the pivotal moments in American political history when outliers moved to the center capturing the national spotlight and turning fringe politics mainstream American Hysteria puts readers at the center of the nation s most prominent periods of political extremism from the Anti Illuminati movement of the 1790s to McCarthyism in the 1950s to the Anti Sharia movement of today Both a deep dive into American history and a riveting narrative account this is book is as much history lesson as it is drama Burt argues that political hysteria arises in periods of deep uncertainty about American identity and that when Americans lose their sense of who they are they lash out against perceived threats with blacklists scapegoating conspiracies cover ups and more By exploring the infamous and sometimes

forgotten movements and characters of our nation's past this fascinating book provides a unique view into America's history its identity and ultimately its future      *For God's Sake* Doctor Lee Marsden,2013-07-04 Religious fundamentalism is a powerful force not only in American domestic politics but also in the way America acts abroad In *For God's Sake* Lee Marsden investigates the way that the Christian Right have influenced US foreign policy arguing that this influence will continue to fuel hostility against the country for many years to come Marsden looks at how the Religious Right have exerted pressure on America's powerful elite through campaign contributions lobbying and policy making and are training a new generation of leaders to extend this influence into the future Through the mass media the Christian Right also help to spread American soft power abroad *For God's Sake* considers the negative impact which this influence is having on the environment democracy and human rights and considers how it has manifested itself in US policy towards Israel Iraq and Iran Finally the book examines what the future might hold for the Christian Right's political fortunes in the changing climate of contemporary America      *Interpreting Islam* Hastings Donnan,2002-02-15 Islam is one of the most misunderstood concepts in the West Myths and stereotypes surround it This clear and penetrating volume helps readers to make sense of Islam It offers a penetrating guide to the diversity and richness of contemporary knowledge about Islam and Muslim society Throughout the emphasis is upon the value of pluralistic approaches to Islam rather than condensing complexity with unifying concepts such as Orientalism Interdisciplinary in scope and organization the book cuts through the bewildering and seemingly anarchic diversity of contemporary knowledge about Islam and Muslim society The methodological difficulties and advantages of Western researchers focusing on Islam are fully documented The book demonstrates how gender age status and insider outsider status impacts upon research and inflects research findings      **A False Narrative Endangers the Homeland** United States. Congress. House. Committee on Homeland Security,2014      **American foreign policy** Mohsen M. Saleh,Ishtiaq Hossain,2011-09-28 This is a 422 pages edited volume prepared by a group of prominent scholars from US UK Malaysia UAE and Lebanon It discusses the domestic settings of American foreign policy and analyzes its impact on issues considered vital to the Muslim world adhering to the strict academic standards and measures The first part of this book explains the complex foreign policy making system in the United States and assesses the role of Christian evangelicalism neoconservatism the media the pro Israel lobby and the role of Muslim groups The second part of the book discusses the characteristics of the American foreign policy It presents a historical analysis of the most important issues that had an immense impact on the American foreign policy It also analyses the impact of the US political economy on its foreign policy and asserts the need for a paradigm shift in American foreign policy The third part of the book provides an in depth analysis of American policy towards the most sensitive issues in the Islamic World the Palestinian cause Iraq invasion and occupation Iran's nuclear issue and Afghanistan It also discusses the president Obama's foreign policy The importance of this study is that it analyzes American foreign policy from the view of scholars who are mostly from the Islamic world yet they well know

the US closely through their academic background or by living and studying and teaching there Thus they present their objective view as they see it rather than presenting the views of American think tanks It is a must read book for those interested in understanding American foreign policy toward the Muslim world and specialists and students of Political Science and International Relations

**Understanding the Threat of Radical Islam** Frank Salvato, 2011-04-09 The events of September 11 2001 changed our nation and the world forever For our nation these attacks signaled the realization of the quintessential struggle for this generation A conflict not between nations whose borders are delineated on a map or between groups of nations diametrically opposed in their political philosophies but a conflict of ideologies transcending recognized borders Understanding the Threat of Radical Islam provides a cursory examination of violent Islamism and how this radical ideology threatens Western Civilization
