Radical Republicans And Reform In New York During Reconstruction:

The Radical Republicans and Reform in New York during Reconstruction James C. Mohr, 2019-06-30 New insights into the politics of the Reconstruction era are offered in this study. Contending that the North as well as the South underwent reconstruction after the Civil War, the author examines the kinds of legislation the Radical Republicans tried to enact when they gained control in New York. Reform is the central theme of the book; fire protection, public health, labor, education, and voting are some of the areas covered. White reaction to black suffrage, the author maintains, brought dissension to and meant defeat for a political coalition that had begun to launch a reform program with profound implications.

Reconstruction in the United States David Lincove, 2000-01-30 The only comprehensive bibliography on Reconstruction, this book provides the definitive guide to literature published from 1877 to 1998. In over 2,900 entries, the work covers a broad range of topics including politics, agriculture, labor, religion, education, race relations, law, family, gender studies, and local history. It encompasses the years of the Civil War through the conclusion of the 1876 election and the end of the federal government's official role in reforming the postwar South and protecting the rights of Black citizens. In detailed annotations, the book covers a range of literature from scholarly and popular studies to published memoirs, letters, and documents, as well as reference sources and teaching tools. The issues of Reconstruction—civil rights, states' rights, and federal-state relations, racism, nationalism, government aid to individuals—continue to be relevant today, and the literature on Reconstruction is large. This book provides a systematic and comprehensive bibliographic guide to that literature. It is organized by topics and geographical regions and states, thereby emphasizing the local diversity in the South. In addition to a variety of literature, it covers the relevant Supreme Court cases through 1883, provides full citations to federal acts and cases cited, and includes the texts of the 13th, 14th, and 15th Amendments to the Constitution. The book will be useful to scholars and students researching a wide range of topics in Southern history, constitutional history, and national politics in post-Civil War United States.

Religion and the Radical Republican Movement Victor B. Howard, 2021-03-17 A distinctive contribution on the influence of Christians on Union politics during the Civil War era. *Ohio History: Religion and the Radical Republican Movement, 1860-1870* is a study of the interplay of religion and politics during the Civil War era. More specifically, it examines the extent to which religion set the moral tone of the North during the period of 1860 through 1870. Howard focuses on the growing influence of the evangelical and liberal churches during the period. This influence was largely exerted through the agency of the radical Republicans, a faction that took an extreme position on war measures and on reconstruction after the war. This book examines the degree to which radicalism was inspired by moral motivation and the action that followed the moral commitment. The author's prodigious research and stacks of quotations convincingly display the northern church's commitment to black suffrage and to the era's important congressional legislation bearing on black rights and other central Reconstruction issues. Choice

The Oxford Handbook of New York State Government and Politics Gerald

Benjamin, 2012-09-20 The Oxford Handbook of New York State Government and Politics brings together top scholars and former and current state officials to explain how and why the state is governed the way that it is The book's thirty one chapters assemble new scholarship in key areas of governance in New York document the state's record in comparison to other U S states and identify directions for future research

The Reconstruction Presidents Brooks D. Simpson, 1998-07-28 During and after the Civil War four presidents faced the challenge of reuniting the nation and of providing justice for black Americans and of achieving a balance between those goals This first book to collectively examine the Reconstruction policies of Abraham Lincoln Andrew Johnson Ulysses S Grant and Rutherford B Hayes reveals how they confronted and responded to the complex issues presented during that contested era in American politics Brooks Simpson examines the policies of each administration in depth and evaluates them in terms of their political social and institutional contexts Simpson explains what was politically possible at a time when federal authority and presidential power were more limited than they are now He compares these four leaders handling of similar challenges such as the retention of political support and the need to build a Southern base for their policies in different ways and under different circumstances and he discusses both their use of executive power and the impact of their personal beliefs on their actions Although historians have disagreed on the extent to which these presidents were committed to helping blacks Simpson's sharply drawn assessments of presidential performance shows that previous scholars have overemphasized how the personal racial views of each man shaped his approach to Reconstruction Simpson counters much of the conventional wisdom about these leaders by persuasively demonstrating that considerable constraints to presidential power severely limited their efforts to achieve their ends The Reconstruction Presidents marks a return to understanding Reconstruction based upon national politics and offers an approach to presidential policy making that emphasizes the environment in which a president governs and the nature of the challenges facing him By showing that what these four leaders might have accomplished was limited by circumstances not easily altered it allows us to assess them in the context of their times and better understand an era too often measured by inappropriate standards

The Politics of Race in New York Phyllis F. Field, 2018-07-05 Black suffrage was a crucial and volatile issue in the North during the Civil War era In The Politics of Race in New York Phyllis F Field studies the development of racial policies in the Empire State Asserting that it is not possible to understand the move toward black suffrage by examining national trends and the actions of individual politicians she takes a close look at the social context of reform Field assesses popular reaction to the idea of black suffrage by systematically analyzing the results of a series of referenda on the issue held in New York State between 1846 and 1869 Tracing the relation between changes in public opinion and the positions taken by political parties Field concludes that party leaders tried both to express the views of their constituents and to mold those views so as to strengthen and unify their own political organizations Inevitably this intrusion of political considerations in the issue of race had long term consequences for the process of social change in the United States The Politics of Race in New

York shows clearly how in 1870 black suffrage could be achieved even though the battle for black equality had yet to begin

The Notorious Mrs. Clem Wendy Gamber, 2016-09-01 Was Nancy Clem a respectable Indianapolis housewife or a cold blooded double murderess In September 1868 the remains of Jacob and Nancy Jane Young were found lying near the banks of Indiana s White River It was a gruesome scene Part of Jacob s face had been blown off apparently by the shotgun that lay a few feet away Spiders and black beetles crawled over his wound Smoke rose from his wife s smoldering body which was so badly burned that her intestines were exposed the flesh on her thighs gone and the bones partially reduced to powder Suspicion for both deaths turned to Nancy Clem a housewife who was also one of Mr Young s former business partners In *The Notorious Mrs Clem* Wendy Gamber chronicles the life and times of this charming and persuasive Gilded Age confidence woman who became famous not only as an accused murderess but also as an itinerant peddler of patent medicine and the supposed originator of the Ponzi scheme Clem s story is a shocking tale of friendship and betrayal crime and punishment courtroom drama and partisan politicking get rich quick schemes and shady business deals It also raises fascinating questions about women s place in an evolving urban economy As they argued over Clem s guilt or innocence lawyers jurors and ordinary citizens pondered competing ideas about gender money and marriage Was Clem on trial because she allegedly murdered her business partner Or was she on trial because she engaged in business Along the way Gamber introduces a host of equally compelling characters from prosecuting attorney and future U S president Benjamin Harrison to folksy defense lawyer John Hanna daring detective Peter Wilkins pioneering lady news writer Laura Ream and female remedy manufacturer Michael Slavin Based on extensive sources including newspapers trial documents and local histories this gripping account of a seemingly typical woman who achieved extraordinary notoriety will appeal to true crime lovers and historians alike

Abortion in America James C. Mohr, 1979-09-20 Chronicles the incidence of abortion in nineteenth and twentieth century America and the causes and processes of the profound social change which resulted by 1900 in the nearly universal legal proscription of abortion

Abe Lincoln's Secret War Against The North John Chodes, 2015-04-01 Abraham Lincoln an American icon was feared and hated during his presidency as a brutal dictator His severe attacks on New York Maryland Indiana and Missouri show that he was turning the United States into a permanently militarized nation Lincoln was reviled not only by Southerners and by his political rivals the Democrats but also to a surprising degree by the rank and file of his own Republican Party He won the war and so he is remembered as Honest Abe and the Great Emancipator But through this investigation of three Northern states that opposed Abraham Lincoln s policies and even one state that had fervently supported him the true picture becomes more clear Why is this story important for today Because many of the negatives in 21st century American society the centralization of power in Washington political indifference to the popular will the continual expansion of the military industrial complex can all be traced to their starting point Abraham Lincoln s presidency The Radical wing of Lincoln s Republican Party was a precursor of the 20th and 21st century totalitarian regimes These

Radicals believed in and fulfilled their goal of one party rule This goal was not shaped by four years of brutalizing war but was inherent in their ideology from the beginning

Local Government and the States: Autonomy, Politics and Policy David R. Berman, 2015-06-03 This book offers an overview of the legal political and broad intergovernmental environment in which relations between local and state units of government take place the historical roots of the conflict among them and an analysis of contemporary problems concerning local authority local revenues state interventions and takeovers and the restructuring of local governments The author pays special attention to local governmental autonomy and the goals and activities of local officials as they seek to secure resources fend off regulations and interventions and fight for survival as independent units He looks at the intergovernmental struggle from the bottom up but in the process examines a variety of political activities at the state level and the development and effects of several state policies Berman finds considerable reason to be concerned about the viability and future of meaningful local government

The Market Revolution in America Melvin Stokes, Melvyn Stokes, Stephen Conway, 1996 The last decade has seen a major shift in the way nineteenth century American history is interpreted and increasing attention is being paid to the market revolution occurring between 1815 and the Civil War This collection of twelve essays by preeminent scholars in nineteenth century history aims to respond to Charles Sellers's *The Market Revolution* reflecting upon the historiographic accomplishments initiated by his work while at the same time advancing the argument across a range of fields

Bay Cities and Water Politics Sarah S. Elkind, 1998 Combining insights from urban western and environmental history Elkind examines the ways that people's reactions to their natural surroundings drive both demand for improved public services and political reform She traces public works development in the Gilded Age and Progressive Era to explain how these programs united each city with its suburban neighbors creating new political entities and allowing Boston and Oakland to appropriate rural resources and thus overcome the environmental limits to their continued growth and prosperity She also shows how when the power of regionalism is turned to urban development environmental and social costs are sometimes overlooked

Henry Fairfield Osborn Brian Regal, 2018-08-06 The discovery in the 1920s of a huge cache of fossils in the Gobi Desert fuelled a mania for dinosaurs that continues to the present But the original goal of the expedition was to search for the origins of man Henry Fairfield Osborn 1857-1935 director of the American Museum of Natural History stood at the forefront of the debate over human evolution and the expedition aimed to prove his theory of human origins Osborn rejected the idea of primate ancestry and constructed a non-Darwinian theory that the evolution of man was the long adventurous story of individuals and groups exerting personal will power and inborn characteristics to achieve both biological and spiritual success It is an idea that still echoes today Study of Osborn's thinking however has been obscured by the perception that racism influenced his theories Brian Regal paints a different and more textured picture in this book he shows that Osborn's views on race like his political ideas were motivated by his science itself grounded in religious doctrine His belief in the Central Asian origins of man his role as an

activist for eugenic reform and immigration controls his support for Nordicism his place in the New versus Old biology debate his role in the Christian Fundamentalist controversy the Scopes Monkey trial and finally his construction of the Dawn Man hypothesis all stemmed from his desire to support his human evolution theory and point the way to salvation This biography charts Osborn's intellectual development from its roots in the eclectic Christianity of his mother through his student days with Arnold Guyot James McCosh and T H Huxley to his mature work at the American Museum It examines his trials and tribulations friendships and conflicts and the world in which he lived all contributed to the construction of his theory It is the dramatic story of a man holding onto ideas that for him represented the very meaning of life itself

Reconstruction in a Globalizing World David Prior, 2018-01-02 As one of the most complexly divisive periods in American history Reconstruction has been the subject of a rich scholarship Historians have studied the period's racial views political maneuverings divisions between labor and capital debates about woman suffrage and of course its struggle between freed slaves and their former masters Yet on each of these fronts scholarship has attended overwhelmingly to the eastern United States especially the South thereby neglecting important transnational linkages This volume the first of its kind will examine Reconstruction's global connections and contexts in ways that while honoring the field's accomplishments move it beyond its southern focus The volume will bring together prominent and emerging scholars to showcase the deepening interplay between scholarships on Reconstruction and on America's place in world history Through these essays Reconstruction in a Globalizing World will engage two dynamic fields of study to the benefit of them both By demonstrating that the South and the eastern United States were connected to other parts of the globe in complex and important ways the volume will challenge scholars of Reconstruction to look outwards Likewise examining these same connections will compel transnationally minded scholars to reconsider Reconstruction as a pivotal era in the shaping of the United States relations with the rest of the world

Professionalizing Medicine John M. Harris Jr., 2019-03-28 This biography of James Edmund Reeves whose legislative accomplishments cemented American physicians control of the medical marketplace illuminates landmarks of American health care the troubled introduction of clinical epidemiology and development of botanic medicine and homeopathy the Civil War's stimulation of sanitary science and hospital medicine the rise of government involvement the revolution in laboratory medicine and the explosive growth of phony cures It recounts the human side of medicine as well including the management of untreatable diseases and the complex politics of medical practice and professional organizing Reeves' life provides a reminder that while politics economics and science drive the societal trajectory of modern health care moral decisions often determine its path

The Trial of Democracy Wang, Xi, 2012-01-15 After the Civil War Republicans teamed with activist African Americans to protect black voting rights through innovative constitutional reforms a radical transformation of southern and national political structures The Trial of Democracy is a comprehensive analysis of both the forces and mechanisms that led to the implementation of black suffrage and the ultimate failure to maintain a stable northern

constituency to support enforcement on a permanent basis The reforms stirred fierce debates over the political and constitutional value of black suffrage the legitimacy of racial equality and the proper sharing of power between the state and federal governments Unlike most studies of Reconstruction this book follows these issues into the early twentieth century to examine the impact of the constitutional principles and the rise of Jim Crow Tying constitutional history to party politics *The Trial of Democracy* is a vital contribution to both fields

The American Civil War Peter J. Parish, 2020-12-06 Originally published in 1975 this assessment of the American Civil War is a broad treatment of the war as a major historical event set in the context of a detailed picture of two governments economies and societies at war It discusses many controversial topics the uncertainty and hesitation that surrounded the origins of the war for example its economic impact the Radicals and their relationship with Lincoln and reconstruction as a wartime issue It offers acute analysis of Lincoln s political skills and an evaluation of emancipation and Lincoln s approach to it the problems and performance of the opposition during the war international reactions an assessment of some of the leading generals like McClellan and Lee and the impact of the war on both Southern and Northern society

Frederick Douglass William S. McFeely, 2017-06-13 A detailed finely written portrait of the imposing 19th century leader David Levering Lewis New York Times Book Review Born into but escaped from slavery Frederick Douglass orator journalist autobiographer revolutionary on behalf of a just America was a towering figure at once consummately charismatic and flawed His *Narrative of the Life of Frederick Douglass* 1845 galvanized the antislavery movement and is one of the truly seminal works of African American literature In this Lincoln Prize winning biography William S McFeely captures the many sides of Douglass his boyhood on the Chesapeake his self education his rebellion and rising expectations his marriage affairs and intense friendships his bitter defeat and transcendent courage and re creates the high drama of a turbulent era

Radical Republicans And Reform In New York During Reconstruction Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Radical Republicans And Reform In New York During Reconstruction PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process.

and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Radical Republicans And Reform In New York During Reconstruction PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Radical Republicans And Reform In New York During Reconstruction free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Radical Republicans And Reform In New York During Reconstruction Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Radical Republicans And Reform In New York During Reconstruction is one of the best book in our library for free trial. We provide copy of Radical Republicans And Reform In New York During Reconstruction in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Radical Republicans And Reform In New York During Reconstruction. Where to download

Radical Republicans And Reform In New York During Reconstruction online for free? Are you looking for Radical Republicans And Reform In New York During Reconstruction PDF? This is definitely going to save you time and cash in something you should think about.
