The Radio Boys Trailing a Voice Allen Chapman,2012-07 This historic book may have numerous typos and missing text Purchasers can download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1922 edition Excerpt Cassey nor any of the rest of the gang They searched the woods for miles around the old barn about which the boys had told them even carrying their search into the neighboring townships but without any result It seemed as though the earth had opened and swallowed up Cassey together with his rascally companions If such a thing had actually happened their disappearance could not have been more complete They must be experts in the art of hiding grumbled Bob upon returning from a visit to the chief of police I was certain they would be rounded up before this Guess they must have made a break for the tall timber said Joe Decided maybe it isn t just healthy around here added Herb with a grin And then just when they had decided that Cassey and his gang had made a masterly getaway the radio boys got on their trail once again That very evening when tuning in for the

concert they caught another of those mysterious stuttering messages in the unmistakable voice of Dan Cassey Rice rats make hay was the substance of this message and the boys would have laughed if they had not been so dumbfounded What do you know about that gasped Jimmy That old boy sure has his nerve with him They re still hanging around here somewhere cried Bob excitedly They ve probably got a hiding place that even the police can t find Oh if we could only make sense of this exclaimed Herb staring at the apparently senseless message which he had written down If we only had their code the whole thing would be simple Oh yes if we only had a million dollars we d be millionaires retorted Jimmy scornfully Where do you get that stuff anyway Well said Bob temporarily giving up the problem as far as I can see all *Radio Boys Loyalty* Wayne Whipple,S.
