Rae Davis Rae Davis, Robert McKaskell, Art Gallery of Windsor, 2001 **Border Crossings**, 2002 **The Cambridge Guide to Mixed Methods Research for Theatre and Performance Studies** Tracy C. Davis, Paul Rae, 2024-01-31 We often know performance when we see it but how should we investigate it And how should we interpret what we find out This book demonstrates why and how mixed methods research is necessary for investigating and explaining performance and advancing new critical agendas in cultural study The wide range of aesthetic forms cultural meanings and social functions found in theatre and performance globally invites a corresponding variety of research approaches The essays in this volume model reflective consideration of the means processes and choices for conducting performance research that is historical ethnographic aesthetic or computational An international set of contributors address what is meant by planning or designing a research project doing research locating and collecting primary sources or resources and the ensuing work of interpreting and communicating insights Providing illuminating and necessary guidance this volume is an essential resource for scholars and students of theatre performance and dance **Decolonizing Love** Dawn Rae Davis, 2006 **Fortunate Harbor** Davis Bunn, 2025-04-29 For readers of Nicholas Sparks and Karen Kingsbury the first in a dazzling new series of romantic feel good standalone stories with a dash of adventure set against the dramatic landscape of North Carolina's Outer Banks the perfect place for second chances bittersweet love and a thrilling quest from internationally bestselling author Davis Bunn It's a promise of better things to come With its colorful history and miles of sand tide and windswept oaks North Carolina's Outer Banks is a paradise for locals and tourists alike For Curtis Gage returning after nineteen years to be the new assistant manager of a 5 star ocean front resort it's a chance to start a new life and come to terms with an old one This is where his father a revered police chief died in the line of duty Whisked away by his mother when he was just a child Curtis always yearned to come back and reclaim this magnificent necklace of islands as home But he never imagined the risks This coastal haven is in attorney Rae Alden's blood and the resort's expansion is encroaching on precious Fortunate Harbor For Rae and the old town families she represents their generations old heritage is not for sale for all the money in the world Who'd have guessed that the ordeal would tie Rae to Curtis a childhood sweetheart whose family tragedy once converged fatefully with her own past The landgrab is reuniting them in more ways than one Because the property is more valuable than even Rae believed The proof is in a secret deed and a long lost map to a bona fide buried treasure If pirate legends rekindled romance and real life adventure aren't enough to make the heart pound Curtis and Rae discover they aren't the only ones hunting In love and in danger they have each other and are finding a place to call home That alone is a fortune worth fighting for
