book with problem scenarios to which readers can relate as well as with a useful variety of measurement tools and viable exercises to help couples through the common issues faced in intimate relationships Rising above the plethora of quick fix relationship help manuals The Marriage First Aid Kit by Bryce Kaye PhD offers professional intelligent suggestions to couples to be employed not as panaceas but as temporary help while they work their way through the difficulties of life together

William James,2009-03-01 When Professors James Flanagan and Thomas Nellings from Brooklyn College of Natural History embark on a trip to Kentucky to inspect recently discovered artifacts in Mammoth Cave they expect to find typical North American remains But from the moment they inspect the artifacts they know their lives have changed forever The first indication of anything unusual is the discovery of cuneiform hieroglyphics the earliest form of writing dating back 6 000 years in Mesopotamia It s a mystery how writing of this kind has found its way to the United States As Flanagan and Nellings explore deeper into the cavern the pair discern a unique energy form this Zero Point Energy could be the Holy Grail to unlimited energy which unscrupulous people would do anything to own But they are truly shocked when they find an alien spacecraft ensconced deep below the earth Their routine investigation quickly turns into a high stakes adventure that could eliminate humanity s dependence on fossil fuels Flanagan and Nellings could lose their lives or usher in a new age of peace and prosperity But will humanity survive long enough to make the transition

tension not an issue that can be conflict mediated away but a social justice concern that is connected to bigger societal conditions and injustices Secondly Boske and Osanloo reject the idea that academics are the experts of everybody's experiences and so they open the space on the pages of their book to the targets of bullying and their on the ground advocates The result is revolutionary If you think you understand bullying I dare you to read this book Paul Gorski Founder EdChange Associate Professor Integrative Studies at George Mason University [The Blue Mist Chronicles: Rage of Saturn](#) ,
