Ragged London In 1861:

Ragged London in 1861 John Hollingshead, 1861 **Ragged London** John Hollingshead, 2017-10-11 Excerpt from *Ragged London In 1861* Extract from a report in the Morning Star January 18 1861 Owing to the continuance of the frost and all out door labour being stopped the distress and suffering that prevail in the metropolis particularly among the dock labourers bricklayers masons and labouring classes at the East End are truly horrible Throughout the day thousands congregate round the approaches of the different workhouses and unions seeking relief but it has been impossible for the About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works **RAGGED LONDON IN 1861** John 1827-1904 Hollingshead, 2016-08-26 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Ragged London in 1861** John Hollingshead, 2016-05-19 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Ragged*

London In 1861 John Hollingshead,2013-09 This historic book may have numerous typos and missing text Purchasers can usually download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1861 edition Excerpt 90 000Z per annum in the last five years i e from 1852 to 1857 It would startle any of the respectable ratepayers of the richer parishes to be informed of the number of summonses that are issued every quarter for the rates they amount to upwards of 4 000 in the parish of George s in the East alone And of course many of the poor persons summonsed are unable to pay The Poor Law And The Police Courts For some time past monthly returns of the number of persons in receipt of relief in England and Wales have shown a decrease in comparison with the corresponding months of the previous year but at length in December the scale has been turned and whereas at the close of 1859 the number was 827 461 it was 835 129 at the close of 1860 an increase of 7 668 not far from 1 per cent This increase is chiefly due to the midland counties and the metropolis Wales and the eastern counties adding in a less degree to it but the manufacturing districts in the north continued to show a considerable decrease in the number of paupers relieved Thus far as to the comparison between December 1859 and December 1860 but another comparison may be made namely between the beginning and the end of December last to show to what extent the poor law had then met the distress caused by the severe weather which set in in the middle of that month Now these returns show that Quoted from The Times the numbers relieved at the end of the first week of last December were 807 187 and at the end of the fourth week 835 129 an increase of only 27 942 or 3 46 per cent In fact the increase of relief in that extraordinary weather was not so very much more than always takes place in December In December 1858 the numbers relieved at the end of the

Respectability and the London Poor, 1780-1870 Lynn MacKay,2015-10-06 The population of London soared during the Industrial Revolution and the poorer areas became iconic places of overcrowding and vice Focusing on the communities of Westminster MacKay shows that many of the plebeian populace retained traditional working class pursuits such as gambling drinking and blood sports

London's Criminal Underworlds, c. 1720 - c. 1930 Heather Shore,2015-03-14 This book offers an original and exciting analysis of the concept of the criminal underworld Print culture policing and law enforcement criminal networks space and territory are explored here through a series of case studies taken from the eighteenth nineteenth and twentieth centuries

Victorian London Liza Picard,2014-01-28 To Londoners the years 1840 to 1870 were years of dramatic change and achievement As suburbs expanded and roads multiplied London was ripped apart to build railway lines and stations and life saving sewers The Thames was contained by embankments and traffic congestion was eased by the first underground railway in the world A start was made on providing housing for the deserving poor There were significant advances in medicine and the Ragged Schools are perhaps the least known of Victorian achievements in those last decades before universal state education In 1851 the Great Exhibition managed to astonish almost everyone attracting exhibitors and visitors from all over the world But there was also appalling poverty and exploitation exposed by Henry Mayhew and others For the laboring classes pay was pitifully

low the hours long and job security nonexistent Liza Picard shows us the physical reality of daily life in Victorian London She takes us into schools and prisons churches and cemeteries Many practical innovations of the time flushing lavatories underground railways umbrellas letter boxes driving on the left point the way forward But this was also at least until the 1850s a city of cholera outbreaks transportation to Australia public executions and the workhouse where children could be sold by their parents for as little as 12 pence and streetpeddlers sold sparrows for a penny tied by the leg for children to play with Cruelty and hypocrisy flourished alongside invention industry and philanthropy *London In The Nineteenth Century* Jerry White,2011-06-08 Jerry White's *London in the Nineteenth Century* is the richest and most absorbing account of the city's greatest century by its leading expert London in the nineteenth century was the greatest city mankind had ever seen Its growth was stupendous Its wealth was dazzling Its horrors shocked the world This was the London of Blake Thackeray and Mayhew of Nash Faraday and Disraeli Most of all it was the London of Dickens As William Blake put it London was a Human awful wonder of God In Jerry White's dazzling history we witness the city's unparalleled metamorphosis over the course of the century through the daily lives of its inhabitants We see how Londoners worked played and adapted to the demands of the metropolis during this century of dizzying change The result is a panorama teeming with life **Dirty Old London** Lee Jackson,2014-01-01 In Victorian London filth was everywhere horse traffic filled the streets with dung household rubbish went uncollected cesspools brimmed with night soil graveyards teemed with rotting corpses the air itself was choked with smoke In this intimately visceral book Lee Jackson guides us through the underbelly of the Victorian metropolis introducing us to the men and women who struggled to stem a rising tide of pollution and dirt and the forces that opposed them Through thematic chapters Jackson describes how Victorian reformers met with both triumph and disaster Full of individual stories and overlooked details from the dustmen who grew rich from recycling to the peculiar history of the public toilet this riveting book gives us a fresh insight into the minutiae of daily life and the wider challenges posed by the unprecedented growth of the Victorian capital **Slums and Slum Clearance in Victorian London** J.A. Yelling,2012-12-06 First published in 1986 Victorian London is a classic site of the slum This study looks at the process of slum clearance It covers the development of policies and programmes from their initiation through Cross's Act 1875 to the abandonment of clearance by the London County Council at the end of the Victorian period in favour of a suburban solution It is concerned with the manner in which such policies related to the nature of the slum and its place in the urban structure The discussion ranges from contemporary understanding of such matters to the detailed content and repercussions of policies which required the designation of unfit houses the compensation of property owners the displacement of tenants and the rebuilding of sites *The Metropolitan Poor Vol 2* John Marriott,Masae Matsumura,2024-10-28 This is a collection of primary materials on the metropolitan poor It includes the writings of urban travellers and social reformers and contains writings from the last five years of the 18th century that is from the time when the poor were first discovered as endemic to the nation **Apartment Stories** Sharon

Marcus,2023-11-15 In urban studies the nineteenth century is the age of great cities In feminist studies it is the era of the separate domestic sphere But what of the city s homes In the course of answering this question Apartment Stories provides a singular and radically new framework for understanding the urban and the domestic Turning to an element of the cityscape that is thoroughly familiar yet frequently overlooked Sharon Marcus argues that the apartment house embodied the intersections of city and home public and private and masculine and feminine spheres Moving deftly from novels to architectural treatises legal debates and popular urban observation Marcus compares the representation of the apartment house in Paris and London Along the way she excavates the urban ghost tales that encoded Londoners ambivalence about city dwellings contends that Haussmannization enclosed Paris in a new regime of privacy and locates a female counterpart to the fl neur and the omniscient realist narrator the porti re who supervised the apartment building In urban studies the nineteenth century is the age of great cities In feminist studies it is the era of the separate domestic sphere But what of the city s homes In the course of answering this question Apartment Stories provides a singular *The Business of Beauty*

Jessica P. Clark,2020-04-30 The Business of Beauty is a unique exploration of the history of beauty consumption and business in Victorian and Edwardian London Illuminating national and cultural contingencies specific to London as a global metropolis it makes an important intervention by challenging the view of those who like their historical contemporaries perceive the 19th and early 20th centuries as devoid of beauty praxis let alone a commercial beauty culture Contrary to this perception The Business of Beauty reveals that Victorian and Edwardian women and men developed a number of tacit strategies to transform their looks including the purchase of new goods and services from a heterogeneous group of urban entrepreneurs hairdressers barbers perfumers wigmakers complexion specialists hair restorers manicurists and beauty culturists Mining trade journals census data periodical print and advice literature Jessica P Clark takes us on a journey through Victorian and Edwardian London s beauty businesses from the shady back parlors of Sarah Madame Rachel Levenson to the elegant showrooms of Eug ne Rimmel into the first Mayfair salon of Mrs Helena Titus aka Helena Rubinstein By revealing these stories Jessica P Clark revises traditional chronologies of British beauty consumption and provides the historical background to 20th century developments led by Rubinstein and others Weaving together histories of gender fashion and business to investigate the ways that Victorian critiques of self fashioning and beautification defined both the buying and selling of beauty goods this is a revealing resource for scholars students fashion followers and beauty enthusiasts alike *The Eternal*

Slum Anthony S. Wohl,2001-03-01 The problem of how where and on what terms to house the urban masses in an industrial society remains unresolved to this day In nineteenth century Victorian England overcrowding was the most obvious characteristic of urban housing and despite constant agitation it remained widespread and persistent in London and other great cities such as Manchester Glasgow and Liverpool well into the twentieth century The Eternal Slum is the first full length examination of working class housing issues in a British town The city investigated not only provided the context for

the development of a national policy but also in scale and variety of response stood in the vanguard of housing reform The failure of traditional methods of social amelioration in mid century the mounting storm of public protest the efforts of individual philanthropists and then the gradual formulation and application of new remedies constituted a major theme the need for municipal enterprise and state intervention Meanwhile the concept of overcrowding never precisely defined in law but based on middle class notions of decency and privacy slowly gave way to the positive idea of adequate living space with comfort as much as health or morals the criterion Not just dwellings but people were at issue There is little evidence in this period of the attitude of the worker himself to his housing Wohl has extensively researched local archives and in particular drawn on the vestry reports which have been relatively neglected Profusely illustrated with contemporary photographs and drawings this book is the definitive study of the housing reform movement in Victorian and Edwardian London and suggests what it was really like to live under such appalling conditions This important study will be of interest to social historians

British historians urban planners and those interested in how social policies developed in previous eras **Vagabonds** Oskar Jensen, 2024-02-20 Dickensian London is brought to real and vivid life in this innovative accessible social history revealing the true character of this place and time through the stories of its street denizens shortlisted for the Wolfson History Prize 2023 London 1857 A pair of teenage girls holding a sign that says Fugitive Slaves ask for money on the corner of Blackman Street After a constable accosts them and charges them with begging they end up in court where national newspapers pick up their story Are the girls truly escaped slaves from Kentucky Or will the city s dystopian Mendicity Society catch them in a lie exposing them as born and raised Londoners and endangering their safety With its many accounts of people like these who lived and made their living on the streets Vagabonds forms a moving picture of London s most compelling period 1780 1870 Piecing together contemporary sources such as newspaper articles letters and journal entries historian Oskar Jensen follows the harrowing hopeful journeys of the city s poor children immigrants street performers thieves and sex workers all diverse in gender ethnicity ability and origin For the first time their own voices give us a radical new perspective on this moment in history with its deep inequality that bears an astonishing resemblance to our own era s divides

High Calvinists in Action Ian J. Shaw, 2003-02-06 This valuable contribution to the debate about the relation of religion to the modern city fills an important gap in the historiography of early nineteenth century religious life Although there is some evidence that strict doctrine led to a more restricted response to urban problems extensive local and personal variations mean that simple generalizations should be avoided Ian J Shaw argues against earlier prejudiced views and shows that high Calvinists played a vigorous and successful part in the response of early nineteenth century churches to the process of urbanization The study includes six substantial case studies of ministers and their churches in Manchester and London Four high Calvinist ministers are considered with two studies of ministers holding to an evangelical Calvinist doctrine also included to provide instructive contrasts Detailed social analysis of the congregations is based upon extensive use of

manuscript and printed sources sermons and local and denominational press **The Eternal Slum** Anthony Wohl, 2017-07-28 The problem of how where and on what terms to house the urban masses in an industrial society remains unresolved to this day In nineteenth century Victorian England overcrowding was the most obvious characteristic of urban housing and despite constant agitation it remained widespread and persistent in London and other great cities such as Manchester Glasgow and Liverpool well into the twentieth century The Eternal Slum is the first full length examination of working class housing issues in a British town The city investigated not only provided the context for the development of a national policy but also in scale and variety of response stood in the vanguard of housing reform The failure of traditional methods of social amelioration in mid century the mounting storm of public protest the efforts of individual philanthropists and then the gradual formulation and application of new remedies constituted a major theme the need for municipal enterprise and state intervention Meanwhile the concept of overcrowding never precisely defined in law but based on middle class notions of decency and privacy slowly gave way to the positive idea of adequate living space with comfort as much as health or morals the criterion Not just dwellings but people were at issue There is little evidence in this period of the attitude of the worker himself to his housing Wohl has extensively researched local archives and in particular drawn on the vestry reports which have been relatively neglected Profusely illustrated with contemporary photographs and drawings this book is the definitive study of the housing reform movement in Victorian and Edwardian London and suggests what it was really like to live under such appalling conditions This important study will be of interest to social historians British historians urban planners and those interested in how social policies developed in previous eras The English Catalogue of Books , 1864 Vols 1898 include a directory of publishers The English Catalogue of Books ...
