**Presumption of Guilt** Archer Mayor, 2016-09-27 A forty year old skeleton is found encased in a concrete slab at a recently decommissioned nuclear energy site It becomes a case for the Vermont Bureau of Investigation VBI and its leader Joe Gunther since they have the resources and the ability to investigate an old very cold missing persons case that has now been reclassified as murder The victim was Hank Mitchell and Gunther must chase down old rumors and speculations who benefited from his death and the disappearance of his body And was his death somehow tied to New York City mafia money being laundered through the construction project But what seems the coldest of cold cases roars back to life when one of the central figures in this mystery is shot to death right after speaking with Gunther And when a young police officer the son of VBI investigator Lester Spinney is kidnapped is that meant to be a warning to the VBI team to drop the case After all these

many years the truth behind the murder still has to the power to kill and it's up to Gunther and his team to capture the living and finally put the dead to rest Red Herring Archer Mayor, 2010-09-28 VBI Vermont Bureau of Investigation head Joe Gunther and his team are called in to investigate a series of violent deaths that appear unrelated until telltale clues reveal a linkage between them and that all of the deaths are in fact murders. However, apart from a single drop of unexplained blood left at each crime scene, there are no obvious connections between the victims or the cases. The police are faced with more questions than answers, including what do the mysterious deposits of blood mean, coming as they do from three additional unknown people. In their search for the elusive truth, the VBI must plumb the depths of every suspect's past, every victim's most intimate details, and examine each piece of evidence down to the smallest detail, an examination which includes a trip to the Brookhaven National Lab on Long Island and an exploration of cutting edge forensic technology. Bury the Lead Archer Mayor, 2018-09-25 Joe Gunther and the VBI team are investigating a murder and an arson case, both potentially related to an outbreak of Ebola. When the body of a young woman is found near a trail at a popular ski mountain, the case falls to Joe Gunther and his team at the Vermont Bureau of Investigation VBI. They quickly have a suspect, Mick Durocher, and a confession, but not everyone on the team is convinced. Despite Mick's ready admission, investigators quickly sense there might be more going on than is immediately apparent. At the same time, a large local business is being targeted with escalating acts of vandalism: a warehouse fire, a vandalized truck, a massive cooling system destroyed, resulting in loss of life. And either by coincidence or not, Mick Durocher, the self-confessed murderer, was once employed by this very company. These two puzzling cases, now possibly connected, are further complicated by the sidelining of a key member of VBI, Willy Kunkle, who undergoes surgery at a hospital that appears to be having an unlikely and suspiciously timed outbreak of Ebola. Joe and his team pursue these cases, uncovering motives that might link them, while proving that trust betrayed can be a toxic virus, turning love into murderous loathing. Indeed, behind the mayhem and murder, Joe must uncover a tragic history before another victim dies.

**Blood on the Constitution** R. S. Suplee, 2010-07 All might be free if they valued freedom and defended it as they should. Samuel Adams. In the late 1920s, the well-oiled machine of capitalist interest ran roughshod over the civil rights of American workers. *Blood on the Constitution* follows Teddy Albert Gall through the horrific world of brutality, rape, exploitation, and murder that characterized this era for so many whose voices were lost to history. Albert, as he is called, ex-marine and talented prize fighter, is drawn into the deadly world of the trade union movement, unions, big business, mafia, and the ranks of the oppressed and the oppressors all struggle for supremacy. Teddy enters the fray, compelled by his noble sense of justice, yet tortured by the fact that he is endangering the lives and livelihoods of those around him, pursued by a psychotic serial hit man, and pursuing happiness with the woman he loves. In *Blood on the Constitution*, the long-awaited sequel to *The Ragman's War*, Suplee provides a fascinating and impeccably researched insight into a key period that shaped the America we know today. Its compelling characters and shocking tales are skilfully interwoven, culminating in an unforgettable climactic

confrontation      **Marked Man** Archer Mayor, 2021-10-12 In Archer Mayor's *Marked Man* the death of a local millionaire becomes suspicious when Joe Gunther learns that he was not who he claimed. A year ago local philanthropist and millionaire Nathan Lyon died a natural death in his sprawling mansion a 150 000 square foot converted mill surrounded by his loving attentive family. Or so it seemed at the time. Now Joe Gunther and his Vermont Bureau of Investigation team has discovered that almost nothing about that story was true. Nathan Lyon was actually Nick Bianchi from Providence Rhode Island. His money came from Mafia tainted sources. And his family now seems to be dying themselves and their deaths are now revealed to be murders. As Gunther's team desperately works to uncover what is going on at The Mill who is responsible and what they are trying to accomplish Joe himself travels to Rhode Island to look into the original source of the money. While the police are doing their jobs private investigator Sally Kravitz teams up with reporter Rachel Reiling to expose the truth behind this tangled and expanding web of duplicity greed and obsession. Having betrayed many it's no surprise that Nathan Lyon was a marked man. But now Gunther has to figure out who among the many killed him and stop them before their killing spree claims another.
