*Ragtime, The March, and Homer & Langley: Three Bestselling Novels* E.L. Doctorow, 2013-10-28 E L Doctorow has been hailed as a writer of dazzling gifts and boundless imaginative energy Joyce Carol Oates The New Yorker a virtuosic storyteller with enormous range People and a national treasure George Saunders He has achieved a distinguished standing in American letters with his profound fiction novels of great inventive power The three bestsellers in this eBook bundle are classic Doctorow From the defining moments of the Civil War to the heady days of the young twentieth century the subjects and themes herein span in the words of Don DeLillo the reach of American possibility in which plain lives take on the cadences of history RAGTIME An extraordinarily deft lyrical rich novel that catches the spirit of the country in a fluid musical way that is as original as it is satisfying The New Yorker One lazy Sunday afternoon in 1906 in New Rochelle New York the famous escape artist Harry Houdini swerves his car into a telephone pole outside the home of an affluent American family Almost magically the line between fact and fiction between real and invented characters disappears Henry Ford Emma Goldman J P Morgan Evelyn Nesbit Sigmund Freud and Emiliano Zapata slip in and out of the tale crossing paths with Doctorow s brilliant fictional creations including an immigrant Jewish peddler and a ragtime pianist from Harlem whose insistence on a point of justice brings this shimmering masterpiece to a shocking climax THE MARCH Spellbinding a ferocious re imagining of the past that returns it to us as something powerful and strange Time In 1864 Union general William Tecumseh Sherman marched his sixty thousand troops through Georgia to the sea and then up into the Carolinas The army fought off Confederate forces demolished cities and accumulated a borne along population of freed blacks and white refugees until all that remained was the dangerous transient life of the dispossessed and the triumphant In Doctorow s hands the great march becomes a floating world a nomadic consciousness and an unforgettable reading experience with awesome relevance to our own times HOMER LANGLEY Beautiful and haunting one of literature s most unlikely picaresques a road novel in which the rogue heroes can t seem to leave home The Boston Globe Homer and Langley Collyer are brothers the one blind and deeply intuitive the other damaged into madness by mustard gas in the Great War They live as recluses in their once grand Fifth Avenue mansion hoarding the daily newspapers as research for Langley s proposed dateless newspaper whose reportage will be as prophecy Even though they want nothing more than to shut out the world history seems to pass through their cluttered house in the persons of immigrants prostitutes society women government agents gangsters jazz musicians and their housebound lives are fraught with odyssean peril as they struggle to survive and create meaning for themselves

*Children's Books in Print* R R Bowker Publishing, Bowker, 1999-12      **New York Times Saturday Review of Books and Art** ,1975      **Beyond Broadway** Stacy Ellen Wolf, 2020 The idea of American musical theatre conjures up images of bright lights and big city but its lifeblood is found in local and amateur productions at schools community theatres summer camps and more In Beyond Broadway author Stacy Wolf considers the widespread presence and persistence of musical theatre in U

S culture and examines it as a live pleasurable participatory experience of creating watching and listening Why does local musical theatre flourish in America Why do so many Americans passionately engage in a century old artistic practice that requires intense person to person collaboration Why do audiences flock to see musicals in their hometowns How do corporations like Disney and Music Theatre International enable musical theatre s energetic movement through American culture Touring from Maine to California Wolf visits elementary schools a middle school performance festival afterschool programs high schools summer camps state park outdoor theatres community theatres and dinner theatres and conducts over 200 interviews with practitioners and spectators licensors and Disney creatives In *Beyond Broadway* Wolf tells the story of musical theatre s abundance and longevity in the U S as a thriving joyful activity that touches millions of lives A *Serendipitous Life* Helen Baily Cochrane,2012-08-31 The life of Helen Cochrane has been filled with many amazing stories and she has recorded many of them in her autobiography From small town girl to national ecclesiastical leader Helen relates the exciting experiences of her life and presents them here in her incredible journey Beginning her life as a bankers daughter during the Great Depression she struggled for ordination and respect as a woman in one of the countrys largest denominations At the same time she has interwoven the national state and regional events that shaped her life and the lives of her family members From Black Friday to the rough and tumble games with her brothers World War II battles with hurricanes and floods and her first kiss to prejudices miscarriages an eye falling out of its socket and becoming friends with celebrities Helen relates her colorful life in hundreds of tales and anecdotes I can guarantee there is never a dull moment in this unique fascinating story of a passionate pioneering peacemaking woman who felt and responded to Gods call on her life
