Stairway to Paradise Ari Katorza, 2021-09-07 Stairway to Paradise reveals how American Jewish entrepreneurs musicians and performers influenced American popular music from the late nineteenth century till the mid 1960s From blackface minstrelsy ragtime blues jazz and Broadway musicals ending with folk and rock n roll The book follows the writers and artists real and imaginative relationship with African American culture s charisma Stairway to Paradise discusses the artistic and occasionally ideological dialogue that these artists writers and entrepreneurs had with African American artists and culture Tracing Jewish immigration to the United States and the entry of Jews into the entertainment and cultural industry the book allocates extensive space to the charged connection between music and politics as reflected in the Jewish Black Alliance both in the struggle for social justice and in the music field It reveals Jewish success in the music industry and the unique and sometimes problematic relationships that characterized this process as their dominance in this field became a source of blame for exploiting African American artistic and human capital Alongside this the book shows how black Jewish cooperation and its fragile alliance played a role in the hegemonic conflicts involving American culture during the 20th century Unintentionally it influenced the process of decline of the influence of the WASP elite during the 1960s Stairway to Paradise fuses American history and musicology with cultural studies theories This interdisciplinary approach regarding race class and ethnicity offers an alternative view of more traditional notions regarding understanding American music s evolution

Love for Sale David Hajdu, 2016-10-18 Named a Must Read by Vanity Fair and BBC One of our sharpest music critics recounts a life immersed in pop music An engaging history The Wall Street Journal In Love for Sale David Hajdu one of the most respected critics and music historians of our time draws on a lifetime of listening playing and writing about music to show how pop has done much more than peddle fantasies of love and sex to teenagers From vaudeville singer Eva Tanguay the I Don t Care Girl who upended Victorian conceptions of feminine propriety to become one of the biggest stars of her day to the scandal of Blondie playing disco at CBGB Hajdu presents an incisive and idiosyncratic history of a form that has repeatedly upset social and cultural expectations Exhaustively researched and rich with fresh insights Love for Sale is unbound by the usual tropes of pop music history Hajdu for instance gives a star turn to Bessie Smith and the blues queens of the 1920s who brought wildly transgressive sexuality to American audience

decades before rock and roll And there is Jimmie Rodgers a former blackface minstrel performer who created country music from the songs of rural whites and blacks entwined with the sound of the Swiss yodel And then there are today s practitioners of Electronic Dance Music who Hajdu celebrates for carrying the pop revolution to heretofore unimaginable frontiers At every turn Hajdu surprises and challenges readers to think about our most familiar art in unexpected ways Masterly and impassioned authoritative and at times deeply personal Love for Sale is a book of critical history informed by its writer s own unique history as a besotted fan and lifelong student of pop

The Dance Band Era Albert J. McCarthy, 1971 *The Sonic Gaze* T Storm Heter, 2022-02-22 A central criticism emerging from Black and Creole thinkers is that mainstream white dominated culture consumes sounds and images of Creole and Black people in music theater and the white press while ignoring critiques of the white consumption of black culture Ironically critiques of whiteness are found not

only in black literature and media but also within the blues jazz and spirituals that whites listened to loved collected and archived This book argues that whiteness is not only a visual orientation it is a way of hearing Inspired by formulations of the race and whiteness in the existential writings of Frantz Fanon Simone de Beauvoir Jean Paul Sartre W E B Du Bois Richard Wright Lewis Gordon Angela Davis bell hooks and Sara Ahmed T Storm Heter introduces the notion of the white sonic gaze Through case studies and musical examples from the history of American jazz the book builds a phenomenological archive to demonstrate the bad habits of white listening drawing from black journalism the autobiographies of Creole musicians and the lyrics and sonic content of early jazz music emerging from New Orleans Studying white listening orientations on the plantation in vaudeville minstrel shows and in cabarets the book portrays six types of bad faith white listeners including the white minstrel listener the white savior listener white hipster listener and the white colorblind listener Connecting critical race studies music studies philosophy of race and existentialism this book is for students to learn how to critique the phenomenology of whiteness and practice decolonial listening
