Rahner Reader:

A Rahner Reader Karl Rahner, 1975 **Rahner Reader** Karl Rahner, 1975-05 Theological Method: A Guide for the Perplexed Paul L. Allen, 2012-06-28 An upper level undergraduate introduction to how to do theology in an academic context

Divine Revolution Dean Brackley, 2004-09-27 A compelling exploration of one of the central issues if not the central issue facing theology in our time the relation between transcendent salvation and temporal liberation What does the salvation that the church proclaims mean for the poor of the world In *Divine Revolution* Dean Brackley presents in a comprehensive yet manageable way what Catholic theology has to say about this complex and urgent topic He addresses the historical as well as the systematic dimensions of the question providing insights that point toward an understanding of the issues that challenge conservative and liberal interpretations alike In a work of great daring and clarity Brackley surveys the confusion surrounding the social historical dimension of salvation in Catholic thought He shows the irony of the fact that after 2 000 years what salvation means for the poor in relationship to their concrete plight remains a *quaestio disputata* for official Magisterial teaching Going deeply into the relationship of salvation and liberation Brackley explores the thought of Maritain Rahner and Gutierrez to demonstrate how the synbolon of the Reign of God that Jesus announces transcends the tired theological distinctions of all sides in the debate Drawing from developments in feminist and Protestant theology as well as contemporary social theory *Divine Revolution* offers a fresh understanding of what it means to participate in God s revolutionary reign Catholic tradition Brackley argues has great potential to articulate a hope which responds to the suffering of the poor in our time When conventional wisdom says compassion fatigued Americans are tired of hearing about the poor Brackley responds The poor are far more tired of being poor They too would like to move on to other things but they cannot

A Sacred Look: Becoming Cultural Mystics Nancy Usselman, 2018-04-18 How should a follower of Christ engage the popular media culture By becoming a mystic Sr Nancy challenges Christians today to delve deep into the rich theological tradition of the church as the root and foundation for recognizing the beauty of God present in all that is truly human The artists of popular culture sometimes unwittingly seek transcendence while grappling with some of humanity s most profound existential longings The cultural mystics of today point out those needs of humanity in the culture s artifacts in order to enter into dialogue with those who seek something beyond what this world satisfies The anthropological sacramental incarnational paradigm presented gives us this ability to take a sacred look of the culture and offer the joy of the Gospel Christ who is the answer of all humanity s yearnings

Models of God and Alternative Ultimate Realities Jeanine Diller, Asa Kasher, 2013-06-13 The envisioned volume is a collection of recent essays about the philosophical exploration critique and comparison of a the major philosophical models of God gods and other ultimate realities implicit in the world s philosophical schools and religions and of b the ideas of such models and doing such modeling per se The aim is to identify exactly what a model of ultimate reality is create a comprehensive and accessible collection of extant models and determine how best

philosophically to model ultimate reality if possible and desirable

The Vows of Religious Life in a Secular Society

Judith A. Merkle, 2025-08-21 This book investigates religious vows shedding light on the type of faith that can sustain humanity in secular times It examines the personal impact of religious life as well as its potential to foster a sense of completeness within society at large Unbelief in today's society can be partially rooted in the shallowness of the sort of religion that the secular can abandon Such a religion characterized as magical shallow illusory or rooted solely in external rituals lacks the depth required to thrive in a secular society It fails to address the profound aspects of human existence the authentic freedom of the spirit and the enduring obedience of faith This study of religious vows uncovers their deeper meanings in light of these challenges It invites us to consider whether religious life despite contemporary criticisms can be seen as touching wholeness This book does not only delve into the theological foundations of these vows but also key areas which impact their understanding and living in new contexts It surveys sociological landscapes and goes beyond to encompass shifts in science psychology theology Religious life in this sense is part of the renewal of the church as well as an agent in it By focusing briefly on each vow Judith A Merkle illustrates how religious life serves as a bridge connecting the secular and the sacred It is a life focused on love of God and service of others which is a witness to the coming of Kingdom of God and values which truly matter in contemporary society *Historical Dictionary of Catholicism* William J.

Collinge, 2021-08-15 This work covers the whole history of Catholicism including the periods of Christian history prior to the present divisions into Catholic Orthodox and Protestant but within the earlier periods it focuses on the story line that leads to Catholicism in the Roman Rite and particularly to Roman Catholicism in the United States The *Historical Dictionary of Catholicism* Third Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 500 cross referenced entries on important persons and places as well as themes such as baptism contraception labor church architecture the sexual abuse crisis Catholic history doctrine and theology spirituality and worship moral and social teaching and church structure This book is an excellent resource for students researchers and anyone wanting to know more about Catholicism

Theological Perspectives on a Surveillance Society

Eric Stoddart, 2016-02-17 This book looks at contemporary surveillance practices and ideologies from a Christian theological perspective Surveillance studies is an emerging inter disciplinary field that brings together scholars from sociology criminology political studies computing and information studies cultural studies and other disciplines Although surveillance has been a feature of all societies since humans first co operated to watch over one another whilst hunting and gathering it is the convergence of information technologies within both commerce and the state that has ushered in a surveillance society There has been little if any theological consideration of this important dimension of social organisation this book fills the gap and offers a contribution to surveillance studies from a theological perspective broadening the horizon against which surveillance might be interpreted and evaluated This book is also an exercise in consciousness raising with respect to the Christian community in order that

they may critically engage with a surveillance society by drawing on biblical and theological resources Being the first major theological treatment in the field it sets the agenda for more detailed considerations **Communication Yearbooks Vols**

Theological Method? John J. Mueller,1984 An overview of the most popular contemporary methods of doing theology with a view of some of the best known Christian philosophers of method Publisher **Complex Identities in a Shifting World**

Pamela Couture,Robert Mager,Pamela McCarroll,Natalie Wigg-Stevenson,2015 Clear and well defined identities are hard to sustain in a rapidly shifting world Peoples goods and cultures are on the move The internet and other technologies increase the amount the speed and the intensity of cultural exchanges Individuals organizations and nations develop complex identities out of many traditions different ideals various ways of life and many models of organization Religious traditions both collide and interact with spiritual journeys crossing religious boundaries In this book more than 20 contributors from different backgrounds and academic disciplines offer an array of practical theological perspectives to help understand these complex identities and negotiate this shifting world Series International Practical Theology Vol 17 Subject Religious Studies Cultural Studies *Introducing Theological Method* Mary M. Veeneman,2017-11-07 Sound theological method is a necessary prerequisite for good theological work This accessible introduction surveys contemporary theological methodology by presenting leading thinkers of the 20th and 21st centuries as models The book presents the strengths and weaknesses in each of the major options Rather than favoring one specific position it helps students of theology think critically so they can understand and develop their own theological method Communication Yearbook 9 Margaret McLaughlin,2012-05-23 The Communication Yearbook annuals publish diverse state of the discipline literature reviews that advance knowledge and understanding of communication systems processes and impacts across the discipline Sponsored by the International Communication Association each volume provides a forum for the exchange of interdisciplinary and internationally diverse scholarship relating to communication in its many forms This volume re issues the yearbook from 1986

Location-Shaped Theologies Rosemary Dewerse,2024-10-01 Context is profoundly significant for shaping our understanding of God and what it means to be human In this volume three scholars from South Australia explore the gifts of

and challenges to theologies shaped by their locations In *Reimagining God and the Church in Australia* through an Adnyamathanha Lens Rev Dr Aunty Denise Champion from the Flinders Ranges argues for attending to ancient wisdom gifted by ancestors in Country as our primary resource for understanding the new thing that is Christ She explores some of her peoples experiences of and the ongoing implications therefore for church and Christology in this place Jesus Walking on Aboriginal Countries by Dr Labhaoise Upton a Catholic woman charts the surprising wisdom she encountered listening to Elders along the Dingo Songline as she took up Pope John Paul II s 1986 charge to joyfully receive the contribution to the Church of Aboriginal peoples And in *Locational Challenges for Second Generation Asian Australian Theology* Rev Cyrus Kung a second generation Hong Kong Chinese Australian presses by way of autobiographical theology into the locational challenges he perceives exist for him and others like him to theologise in Australia

The Reality of Love Ingvild Rosok,2018-01-12 Love is one and love is all we need This book argues against the traditional theological view that God s love differs from human love If God is love and love is one we will find God embodied in all kinds of genuine love experiences By analyzing Karl Rahner s theology of love the author explores how God penetrates and embraces the whole of reality suggesting implications for Christian spirituality and spiritual direction

A World of Grace Leo O'Donovan,1995-09-01 Organized as a companion volume to Karl Rahner s master work *Foundations of Christian Faith* this book now again available also provides the most useful introduction to his theology as a whole Each chapter presents a broad commentary on the corresponding chapter of *Foundations* beginning with Rahner s method and anthropology and concluding with his theology of the church and eschatology It includes a separate chapter on Rahner s moral thought Valuable for classroom or individual use this volume provides questions for discussion suggestions for further reading and an extensive glossary of specialized terminology

Bibliographie Deutscher Veröffentlichungen in Englischer Übersetzung 1972-1976 ,1978 *Taste and See*

J.W. Olson,2023-09-25 J W Olson argues that recent Christian theologies of divine revelation though often centered on the irreducibility of the incarnation have not taken incarnality sufficiently into account as the mechanism for the knowledge of God in Christ Addressing this problem within a secular context in which the viability of religious truth is under increased scrutiny Olson engages with the phenomenology of Martin Heidegger to suggest that Christian language and belief are shaped at the precognitive level of embodied involvement long before they ever take mental conceptual form He then offers an original interpretation of the Eucharist as the material epicenter of Christian epistemology In the sacrament Christians are swept up into a dynamic world that reveals itself as the very person of Jesus Christ so that Christians come to know Christ most fundamentally through the movements of the body Recasting the parameters for identifying Christ s sacramental presence Olson reiterates the Christian focus on the incarnation as not just the medium of God s self revelation but as the very content of Christian faith Christ is known in act and so God is revealed where Christ lives in us

He Who Gives Life Graham A. Cole,2007-08-16 Often the most misunderstood and therefore ignored member of the Trinity the Holy Spirit

deserves our attention and understanding God the Father and God the Son rightfully garner much explanation and exploration and God the Holy Spirit ought to be given the same studiousness curiosity and scholarship In this addition to Crossway s Foundations of Evangelical Theology series Dr Graham Cole has written a work that offers a comprehensive theology of the Holy Spirit This book shows the ultimate selflessness of the Holy Spirit as the member of the Trinity who always works for the glory of God the Father and God the Son and the good of the saints Ideal for pastors teachers and students of theology this book is a superb theology of the Holy Spirit Part of the Foundations of Evangelical Theology series
