***Hell under the Rising Sun*** Kelly E. Crager, 2008-01-22 Late in 1940 the young men of the 2nd Battalion 131st Field Artillery Regiment stepped off the trucks at Camp Bowie in Brownwood Texas ready to complete the training they would need for active duty in World War II Many of them had grown up together in Jacksboro Texas and almost all of them were eager to face any challenge Just over a year later these carefree young Texans would be confronted by horrors they could never have imagined The battalion was en route to bolster the Allied defense of the Philippines when they received news of the Japanese bombing of Pearl Harbor Soon they found themselves ashore on Java with orders to assist the Dutch British and

Australian defense of the island against imminent Japanese invasion When war came to Java in March 1942 the Japanese forces overwhelmed the numerically inferior Allied defenders in little more than a week For more than three years the Texans along with the sailors and marines who survived the sinking of the USS Houston were prisoners of the Imperial Japanese Army Beginning in late 1942 these prisoners of war were shipped to Burma to accelerate completion of the Burma Thailand railway These men labored alongside other Allied prisoners and Asian conscript laborers to build more than 260 miles of railroad for their Japanese taskmasters They suffered abscessed wounds near starvation daily beatings and debilitating disease and 89 of the original 534 Texans taken prisoner died in the infested malarial jungles The survivors received a hero's welcome from Gov Coke Stevenson who declared October 29 1945 as Lost Battalion Day when they finally returned to Texas Kelly E Crager consulted official documentary sources of the National Archives and the U S Army and mined the personal memoirs and oral history interviews of the Lost Battalion members He focuses on the treatment the men received in their captivity and surmises that a main factor in the battalion's comparatively high survival rate 84 percent of the 2nd Battalion was the comradeship of the Texans and their commitment to care for each other This narrative is grueling yet ultimately inspiring Hell under the Rising Sun will be a valuable addition to the collections of World War II historians and interested general readers alike
